Accommodations at Collin College for Equal Support Services (ACCESS) Office

Collin College provides equal access to education and safeguards against discrimination by offering specialized services and reasonable accommodations to qualified students with disabilities.

Applying for Accommodations

Students must be admitted to Collin College before completing the ACCESS application. For more information and to apply for disability services, go to the [ACCESS Office webpage](#).

Program applicants who need accommodations for any part of the Collin College admission and assessment process should contact the ACCESS Office directly to request assistance. To provide adequate scheduling of services, notification must be made in advance of, and as early as possible before, the beginning of the semester. If possible, reasonable accommodations or assistance will be provided.

Students seeking classroom accommodations should contact the ACCESS Office at least one (1) month before the services are needed since the process will take a minimum of two (2) weeks. Services are available for students at all Collin College campus locations.

The process for determining reasonable accommodations is interactive and individualized, taking into consideration third-party documentation as well as student input and observations, and interactions with faculty and staff. Third-party documentation must be obtained from a licensed professional (e.g., psychologist, diagnostician, or physician). Specific documentation guidelines may be obtained on the ACCESS Office website and/or through meeting with an ACCESS advisor.

Once eligibility for accommodations has been determined, a new course accessibility letter, also known as an accommodation letter, must be obtained **each semester** and presented to the student's professors to receive approved accommodations.

Students should contact their ACCESS advisor immediately if they are having difficulty in their classes or problems with their requested accommodations.

Accommodations for Dual Credit Students

Dual credit students needing accommodations for their Collin College classes are expected to apply and be approved for academic accommodations through the ACCESS Office. Disability support services received in high school **do not** automatically transfer to Collin College. Dual credit students are advised to apply for accommodations through the [ACCESS Office webpage](#) at least one (1) month before their classes begin.

Alternative Testing Accommodations

To accommodate the testing needs of ACCESS students who receive Alternative Testing Accommodations, the ACCESS Office expects students who need to test in the

ACCESS Office to schedule their exams with the ACCESS Office at least **three (3) College District business days** in advance of their testing needs. This excludes weekends (i.e., Saturday and Sunday), national holidays recognized by Collin College, and campus or Collin College closures. If the student needs a reader or interpreter, they are required to schedule their exams at least **five (5) College District business days** prior to the exams.

Students are expected to schedule their **final exams** at least **two weeks (i.e., 14 days)** prior to their final exam testing dates.

Accommodations for the Texas Success Initiative (TSI) Assessment

Individuals requesting accommodations for the Texas Success Initiative (TSI) Assessment should contact the director of ACCESS with their requests. They should include relevant documentation and outline the specific accommodations they are requesting. Determination of TSI Assessment accommodations is a separate process from the classroom accommodation request process.

Assistive Technology and Software

Assistive technology and software are available on each campus. For more information, contact the ACCESS Office.

Accommodations for Emotional Support Animals (ESAs) in Collin College Student Housing

Collin College may provide reasonable accommodations for a student with a disability who has a verifiable need for an emotional support animal (ESA) in Collin College Student Housing. ESAs are only permitted in Collin College Student Housing, and they are not allowed on any Collin College campus, in classrooms, or in any other Collin College facility. The ACCESS Office will determine whether:

1. The student is a person with a documented disability;
2. The ESA being requested is necessary for the student, as a person with a documented disability, to have equal access to use and enjoy the on-campus student housing facilities; and
3. An identifiable relationship exists between the disability and the support provided by the ESA.

Third-party documentation from a licensed medical and/or mental health provider will be required as part of an

interactive and individualized process that allows the ACCESS Office to determine eligibility of a request for an ESA in Collin College Student Housing.

For more information on ESAs, see the [Animals on Campus](#) section in this student handbook.

Complaints Involving Academic Adjustments or Accommodations for Students

Complaints over the denial of or a decision pertaining to academic adjustments or accommodations for students must be submitted by a student to Collin College's ACCESS Office within 15 College District business days of the date of the denial or decision by the ACCESS Office.

The executive vice president or designee will adopt procedures for the informal and formal resolution of such complaints. The procedures will be posted on Collin College's website.

The procedures will include an ACCESS Appeals Board and a method for which faculty may challenge an academic adjustment or accommodation decision if they believe the adjustment or accommodation could result in a fundamental alteration. For purposes of this policy, a fundamental alteration is a change to a program, service, or activity that significantly changes the essential nature of the program, service, or activity (i.e., course design or degree requirements).

Faculty will consult directly with the director of ACCESS or through applicable procedures for complaints involving a fundamental alteration.

The procedures will also include multiple levels of appeals up to the vice president of student and enrollment services or designee. The decision of the vice president of student and enrollment services or designee is final and non-appealable for all complaints involving the denial of or a decision pertaining to academic adjustments or accommodations for students.

For more information, call 972.881.5898, email access@collin.edu, or go to the [ACCESS Office webpage](#).

Deaf and Blind Tuition Exemption

A tuition exemption is not an academic accommodation. The Deaf and Blind Tuition Exemption does not apply to all

courses and will be determined on a per-course, per-semester basis. The final decision on this exemption is determined by the Financial Aid and Veterans Services Office based on satisfactory academic progress (SAP).

The ACCESS Office assists students with submitting the appropriate documentation of eligibility for the Deaf and Blind Tuition Exemption to Collin College's Financial Aid and Veterans Services Office. Requirements for this exemption are listed on the [Deaf and Blind Exemption Program webpage](#).

Initial application for this exemption should be provided at least one (1) month before the student attends Collin College and before the payment deadline. Students may, with special permission from the registrar, enroll for more than 18 credit hours during a regular 16-week term and 16 credit hours in combined Summer session terms. Permission will not be granted unless the student has successfully completed 24 credit hours, has been enrolled in at least one (1) semester full time, has a 3.0 cumulative grade point average (GPA), and plans to carry no more than 21 hours during a regular 16-week semester or no more than nine (9) hours during a Summer 5-Week part-of-term or no more than 12 hours during a Summer 10-Week part-of-term. Students are limited to one (1) course, maximum three (3) credit hours, during the Maymester and Wintermester parts-of-term.

Notice for International Students

International students whose first semester is a Maymester/Summer semester are required to complete six (6) semester hours. International students who are enrolled in the English as a Second Language (ESL) program are required to enroll in 15 credit hours during the Fall, Wintermester/Spring, and Maymester/Summer semesters.

For more information, contact the Registrar's Office at 972.881.5707 or registrar@collin.edu.

Adding and Dropping Classes

Students will add and drop classes in the Workday Student Portal.

For regular 16-week classes, there is a registration deadline the Friday before the semester begins. For express and weekend classes, registration deadlines will vary.

Registration for any class will result in full tuition and fee assessment for the course hours. Any class dropped on or after the first day of each term or mini semester will result

in charges for the dropped class, as determined by the state refund guidelines and approved tuition rates.

All students must initiate the process to be dropped from classes prior to the first day of class or they will be required to make a payment for tuition and fees assessed. Students receiving financial aid may not be automatically dropped from classes.

Drops and/or withdrawals may be made online through the posted Last Day to Withdraw for the term. The withdrawal deadlines are listed in the [2025-2026 Academic Calendar](#) section in this student handbook and on the [Calendars webpage](#). Students who need assistance with drops and/or withdrawals should contact the Student and Enrollment Services Office at any campus.

Students should contact their professors prior to initiating a drop or withdrawal. A student who discontinues class attendance and does not officially drop or withdraw from the class will receive a performance grade (i.e., A, B, C, D, or F) on their official transcript.

International students should contact Student and Enrollment Services prior to dropping or withdrawing from classes. For international students, failure to maintain full-time status could affect or jeopardize their F-1 visa and/or immigration status. For more information, see the [Student Load](#) section in this student handbook.

Students receiving financial aid or veterans' assistance should contact the Financial Aid and Veterans Services Office prior to dropping or withdrawing from classes. For more information, see the [Financial Aid and Veterans Services](#) section in this student handbook.

Repeating Courses

Texas residents attempting a course more than twice at Collin College are subject to regular tuition plus an additional \$50 per semester credit hour charge. Undergraduate courses attempted at Collin College with a graded status of A, B, C, D, F, I, W (withdrawals after census), and AU (audit) will be evaluated for repeat limits.

Refer to the [Withdrawal Policy webpage](#) for a complete list of courses exempt from the course repeat tuition and how to qualify for exemptions from the higher tuition rate.

Students in excess of 18 Developmental Education (DE) hours will be assessed the authorized \$50 per hour additional tuition. ESOL students in excess of 27 DE hours will be assessed the authorized \$50 per hour additional tuition.

Grades of all courses taken will be recorded on the student's transcript. When a course is repeated:

1. Only one (1) course grade will be counted in a student's grade point average (GPA), and
2. The highest grade will be used in GPA calculations.

Courses repeated before the Fall 2008 semester will have only the last grade and credits earned (whether higher or lower) used in computing the GPA and applied toward degree or program requirements.

Veterans should consult the Financial Aid and Veterans Services Office before repeating any course. Students planning to transfer to another college or university should check repeat policies with a Collin College advisor and the receiving institution.

Withdrawal from Collin College

Withdrawal Policy: Texas Education Code Section 51.907 Course Drop Limit Provisions

Students who enroll as an entering freshmen or a first-time college student in undergraduate courses at any Texas public community college, technical institute, health sciences institution, or any public university offering undergraduate courses must comply with the legislation of [Texas Education Code Section 51.907](#).

[Texas Education Code Section 51.907](#) states that students who enrolled for the first time during the Fall 2007 semester or any subsequent semester are subject to the limit of six (6) course drops. This includes any course a transfer student has dropped at another institution. Collin College counts dropped courses starting in the Fall 2009 semester and forward.

Procedures to Withdraw from a Course(s)

After the census date of a course, students may withdraw with a grade of "W" through the end of the tenth class week during a regular 16-week semester. The withdrawal date for flexible entry classes and mini sessions varies. Withdrawals will appear on the student's official transcript

but have no effect on their grade point average (GPA). Contact the admissions area in the Student and Enrollment Services Office for withdrawal deadlines for other terms.

Prior to initiating a withdrawal, students should contact their professor(s) and/or a Student and Enrollment Services team member. Withdrawal from Collin College must be initiated by the student. Students who discontinue class attendance and do not officially withdraw will receive a performance grade for the course(s).

Students who need to withdraw from a class(es) may do so online or in person in the Student and Enrollment Services Office at any campus. Students may withdraw online through the posted last day to withdraw unless the student has a registration hold(s) or is an international student. In these cases, the student must come to the Student and Enrollment Services Office at any campus to withdraw. The withdrawal deadlines are listed in the [2025-2026 Academic Calendar](#) section in this student handbook and on the [Calendars webpage](#).

Students may also withdraw from Collin College by emailing a written request for such action to registrar@collin.edu. The written request must come from the student's Collin College email account and include their College-Wide Identification (CWID) number, phone number(s), and the course name(s) and number(s). The email must be time stamped by 11:59 p.m. on the official withdrawal date for the term.

Students who initiate a withdrawal from classes cannot be reinstated once the withdrawal has been processed. Failure to drop or withdraw on or before the last day to withdraw will result in the student receiving a performance grade (i.e., A, B, C, D, or F) on their official transcript.

International students should contact Student and Enrollment Services prior to withdrawing from courses. For international students, failure to maintain full-time* status could affect or jeopardize their F-1 visa and/or immigration status. Students receiving financial aid or veterans' assistance should contact the Financial Aid and Veterans Services Office prior to withdrawing from courses.

*Full-time status is 12 credit hours or more in a Fall semester, Wintermester/Spring semester, or Maymester/Summer semester. Full-time status for mini

semesters varies. International students whose first semester is a Maymester/Summer semester are required to complete six (6) semester hours. International students who are enrolled in the English as a Second Language (ESL) program are required to enroll in 15 credit hours during the Fall, Wintermester/Spring, and Maymester/Summer semesters.

For more information, contact the Student and Enrollment Services Office on any campus.

Records may be reviewed in person during regular business hours without charge upon written request to the records custodian. For in-person viewing, the records custodian or designee will be available to explain the record and to answer questions. The confidential nature of the student's records will be maintained at all times. Records to be viewed will be restricted to use only in the College District President's Office or other restricted area designated by the records custodian. The original copy of the record or any document contained in the comprehensive record will not be removed from Collin College.

2. To other school officials, including faculty, within Collin College whom Collin College has determined to have legitimate educational interests.

 - a. Before November 19, 1974, if the allowed reporting or disclosure concerns the juvenile justice system and its ability to effectively serve the student whose records are released, or
 - b. After November 19, 1974, if:
 - i. The allowed reporting or disclosure concerns the juvenile justice system and its ability to effectively serve, prior to adjudication, the student whose records are released; and

The disclosure may only include the final results of the disciplinary proceeding conducted by Collin College with respect to that alleged crime or offense. Collin College may disclose the final results of the disciplinary proceeding regardless of whether Collin College concluded a violation was committed. If the alleged victim is deceased as a result of such crime or offense, Collin College will treat the alleged victim's next of kin as the alleged victim, in accordance with the law.
14. To a parent of a student at Collin College regarding the student's violation of any federal, state, or local law, or of any rule or policy of Collin College, governing the use or possession of alcohol or a controlled substance if:

Directory information will be released to a qualified individual or organization that files a written request with the registrar or designee.

Collin College will give public notice of the categories of information designated as directory information; whether the disclosure of directory information will be limited to specific parties, for specific purposes, or both; and the period of time after such notice for a student to inform Collin College that any or all of the directory information should not be released without prior consent.

In compliance with [FERPA](#), information classified as directory information may be released to the general public without the prior written consent of the student. Directory information includes the student's:

1. Name;
2. Address;
3. Telephone listing;
4. Major field(s) of study;
5. Participation in officially recognized activities and sports;
6. Weight and height of athletic team members;

Directory information does not include a student's Social Security Number (SSN) or College-Wide Identification (CWID) number.

A student may request that directory information be withheld from the public by completing the *Manage My Privacy Setting* form in Workday. If no request is filed, directory information will be released upon inquiry. Filed requests are valid until revoked by the student in writing. Directory information is the only part of a student's record that may be released without the student's prior written permission, except with regard to the law that provides for disclosure without consent.

Students may also authorize parents or other individuals to access their grades by completing the *Manage My Privacy Setting* form in Workday. Students will need their CougarWeb usernames and passwords to access the system.

All contractors provided with student records will follow the same rules as employees concerning privacy of the records and will return the records upon completion of the assignment.

A Collin College official has a "legitimate educational interest" in a student's records when he or she is:

1. Working with the student;
2. Considering disciplinary or academic actions, the student's case, or services for a student with disabilities;

3. Compiling statistical data;
4. Reviewing an education record to fulfill the official's professional responsibility; or
5. Investigating or evaluating programs.

Access by Parents

Collin College may disclose educational records to a student's parent without the student's consent under circumstances specified in law. A qualified parent will be subject to the provisions listed in the [Records Request Procedures](#) section in this student handbook.

Transcripts and Transfers of Records

Collin College may request transcripts from previously attended schools for students transferring into Collin College; however, the ultimate responsibility for obtaining transcripts from sending schools rests with the student.

For purposes of a student's enrollment or transfer, Collin College will promptly forward education records upon request to officials of other schools or school systems in which the student intends to enroll or enrolls. Collin College may return an education record to the school identified as the source of the record.

Procedure to Amend Records

Requests to amend records should be submitted to the registrar via email to registrar@collin.edu.

Within 15 College District business days of the record custodian's receipt of a request to amend records, Collin College will notify the student in writing of its decision on the request and, if the request is denied, of his or her right to a hearing. If a hearing is requested, it will be held within 15 College District business days after the request is received.

Students will be notified in advance of the date, time, and place of the hearing. An administrator who is not responsible for the contested records and who does not have a direct interest in the outcome of the hearing will conduct the hearing. The student will be given a full and fair opportunity to present evidence, and at his or her own expense, may be assisted or represented at the hearing.

The student will be notified of the decision in writing within 10 College District business days of the hearing. The decision will be based solely on the evidence presented at

the hearing and will include a summary of the evidence and reasons for the decision. If the decision is to deny the request, the student will be informed that he or she has 30 College District business days within which to exercise his or her right to place in the record a statement commenting on the contested information and/or stating any reason for disagreeing with Collin College's decision.

Complaints

A student who believes his or her rights have been violated under FERPA and wishes to file a complaint may do so in writing to the U.S. Department of Education's Student Privacy Policy Office (SPPO). The student should complete the [FERPA Complaint Form](#). The completed form along with any pertinent information concerning the allegation(s) should be sent through email to FERPA.Complaints@ed.gov or mailed to the following address:

U.S. Department of Education
Student Privacy Policy Office
400 Maryland Ave., SW
Washington, D.C. 20202-8520

For more information on how to file a complaint under FERPA, go to the [U.S. Department of Education's File a Complaint webpage](#).

All credit students at Collin College are required to have a student ID card to use services provided by college offices and labs including, but not limited to, the Barnes & Noble College Bookstores, Career Centers, Computer Labs, Fitness Centers, Libraries, Math Labs, Student Engagement, Student and Enrollment Services, and Testing Centers. Student ID cards are produced by Student Engagement or Student and Enrollment Services. Student ID card office locations and hours can be found on the [ID Cards webpage](#).

The student must wait at least 24 hours after registering for courses to pick up their student ID card. No fees are assessed for the first student ID card a student receives. The student must present a valid picture ID and their College-Wide Identification (CWID) number before a student ID card will be issued. The student ID card will be valid district-wide throughout the student's enrollment at Collin College. The student ID card will be automatically reactivated each semester after the student enrolls in courses and pays the

corresponding tuition and fees.

For a fee, a replacement student ID card will be issued to a student whose card has been lost, stolen, or damaged; who has had a name change; or who would prefer a new photo. The student must be currently enrolled and present a valid picture ID and CWID to request a replacement student ID card.

To access this information, go to the [District Statistics webpage](#).

Student Suggestions and Complaints

Board policies [FLD \(LEGAL\)](#) and [FLD \(LOCAL\)](#) are associated with this section.

Suggestions

Students who have suggestions can contact the district dean of students or designee at 972.881.5604 or dos@collin.edu. Students must provide either a Collin College email address or a phone number if they would like to be contacted regarding their suggestions.

Complaints

In this policy, the terms "complaint" and "grievance" will have the same meaning. The student (grievant) making the complaint must be personally affected by the action.

Collin College encourages students to discuss academic and instructional concerns with their professors first to reach a resolution as soon as possible. If this is not feasible, or if the professor is unable to address the student's concern(s), the student should then contact the appropriate program director(s) and/or associate academic/workforce dean(s). If the program director(s) and/or associate academic/workforce dean(s) is unable to address the

student's concern(s), the student should then contact the appropriate academic/workforce dean.

Student complaints that are unable to be resolved informally will be resolved through the appropriate Collin College policy, as provided below:

1. For complaints alleging discrimination, harassment, and retaliation based on race, color, national origin, religion, or disability targeting students, see Board policy [FFDB \(LOCAL\)](#) and *Chapter 3: Discrimination, Harassment, and Retaliation Prohibited* in the [Student Code of Conduct](#).

8. For appeals of academic suspension for a grade point average (GPA) below the required 2.0, see the current [Collin College Catalog](#) or meet with a Student and Enrollment Services team member at any campus location.
9. For appeals regarding financial aid, see the [Financial Aid and Veterans Services](#) section in this student handbook.
10. For appeals regarding academic grades, see Board policy [FLDB \(LOCAL\)](#) and the [Grade Appeal Process](#) section in this student handbook.

Testing Centers and Assessment Services

Testing Centers are located at the Celina, Farmersville, Frisco, McKinney, Plano, Technical, and Wylie Campuses for the Texas Success Initiative Assessment (TSIA2) for course placement, higher level math assessment, credit by exam testing, limited instructional testing, ESL assessments, and proctoring of correspondence exams.

Collin College is a Pearson VUE and Measure Learning testing partner and an official testing site for the American College Testing (ACT) Program and College-Level Examination Program (CLEP). Collin College's codes for these tests are listed below.

1. ACT, McKinney Campus: 40460
2. ACT, Plano Campus: 42090
3. CLEP: 2290

Texas Success Initiative Assessment (TSIA2)

The Texas Success Initiative Assessment (TSIA2) is a program designed to determine if a student is ready for college-level course work in the general areas of English Language Arts and Reading (ELAR) and Mathematics. The TSIA2 mandates that all new students entering Texas public colleges and universities be assessed in the basic skills of reading/writing and mathematics unless the student is not subject to the TSIA2 or is otherwise exempted. Based on assessment results, a student may either be enrolled in a college-level course that matches their skill level or placed in the appropriate Developmental Education (DE) course or intervention to improve skills and prepare the student for success in college-level courses.

All students must be assessed or must provide proof of prerequisites prior to enrolling in certain courses. Developmental education (DE) classes and tutorial assistance are available for students who need or want this support. Transfer students must provide documentation of TSI Assessment status. Documentation may be in the form of official TSI Assessment score reports or official transcripts. Students wanting to enroll only in English as a Second Language (ESL) coursework can do so without taking the TSI Assessment.

Mandatory Pre-Assessment Activity (PAA)

Before taking the initial TSI Assessment, a student must participate in a Pre-Assessment Activity (PAA) located

online. The PAA can be located by searching for “PAA” on [Collin College’s website](#). This activity includes the following:

1. An explanation of the importance of the TSI Assessment;
2. Practice test questions and feedback;
3. An explanation of Developmental Education (DE) options, if the minimum college ready standard is not met; and
4. Information on campus and community resources to assist the student.

A Certificate of Completion will be printed at the end of the PAA and is required to take the TSI Assessment.

TSI Assessment Cost and Schedule

The cost of the TSI Assessment is \$29 for in-person testing and \$43 for online testing. Any retest(s) will also cost \$29 for in-person testing and \$43 for online testing, whether for only one (1) part (e.g., Mathematics) or the entire TSI Assessment. Information on testing times is available on the [Testing Center’s webpage](#).

Testing Center Procedures

The Testing Centers are monitored by surveillance equipment. Testing Center procedures are as follows:

1. A Collin College student ID card or government-issued photo ID can be used to take an instructional test. A government-issued photo ID is required for all other testing. A physical ID is required.
2. No children, food, or drinks will be allowed in the testing room.
3. No papers, books, book bags, or backpacks will be allowed in the testing room. These items must be left in a locker.
4. No electronic, digital media, telecommunication, and/or wearable devices (e.g., phones, smart/Al eyeglasses, smartwatches, Fitbits, digital or analog watches, Bluetooth devices, tablets) are allowed while taking examinations. These items must be turned off and left in a locker.
5. No hats or hoodies are allowed in the Testing Center unless they are for religious reasons. These items must be left in a locker.

6. Any item allowed by a student’s professor that will be brought into the Testing Center is subject to inspection.
7. All infractions of the [Student Code of Conduct](#) will be referred to the District Dean of Students Office.
8. Any individual not willing to comply with these procedures must make other arrangements for testing with their professor.

The last classroom test will be issued one (1) hour before closing. If a student is granted more than one (1) hour for their exam, the student must start with at least that amount of time available before closing (e.g., if a student has 90 minutes for their exam, the student must start at least one-and-a-half (1 ½) hours before closing.

Appointments are preferred and highly encouraged. Links to make testing appointments at each campus are available on the Classroom Tests page located on the [Testing Center’s webpage](#). The Testing Centers are scheduled to be open during the same business hours as Student and Enrollment Services at each campus.

Proctored Testing

Many courses, particularly those with an online instruction component, require proctored testing. Students can complete their proctored tests and exams online, in one of the Collin College Testing Centers, or at another approved testing site or service. If a student chooses to use an option other than a Collin College Testing Center, the student is responsible for paying all associated fees. Completing a proctored exam online requires a webcam and microphone.

All students in online courses taking proctored tests must do the following:

1. Abide by the [Collin College Procedures for Remote Proctored Exams](#).
2. Review and comply with the [Student Code of Conduct](#). This applies to all students, including those in online courses. Of special note is [Chapter 12: Student Code of Conduct Violations](#).
3. Follow the instructor’s directions regarding online testing. Information regarding proctored tests will be posted in the course syllabus.

Contact Information

For more information about the PAA or TSI Assessment, contact the director of testing at 972.548.6773 or email tsi_info@collin.edu.

For more information and hours of operation for the Testing Center at each campus location or to schedule an exam, go to the [Testing Center's webpage](#).

Veterans Resource Centers (VRCs)

The Veterans Resource Centers (VRCs) connect military-affiliated students with Collin College and community resources designed to ensure a smooth transition into college and foster academic success. Services provided by the VRCs range from providing information regarding academics, admissions, financial aid, and Department of Veterans Affairs (VA) educational benefits to advocacy and resource referrals.

Veterans and military-affiliated students are encouraged to utilize the study areas and computer stations in the VRCs. Spending time in the VRCs also provides veterans and military-affiliated students the opportunity to network with other individuals who have served.

For more information, go to the [Veterans Resource Centers webpage](#), email vrc@collin.edu, or call one (1) of the following campus locations:

Section 3: Academic Information, Opportunities, and Support

Academic Etiquette and the College Experience

Collin College students and professors share a responsibility to promote, develop, and maintain a positive learning environment. Students are expected to show respect to their fellow students and professors at all times.

Students are accountable for their own academic progress and work. With that in mind, prompt submission of all work, according to the specific course calendar and syllabus guidelines, promotes student success. It is the professor's responsibility to present learning opportunities through any combination of lectures, projects, in-class and out-of-class exercises, and other assignments. It is the student's responsibility to complete all readings, participate in class discussions, and complete all assignments and project exercises in a timely manner. The course syllabus should provide clear instruction for successful course participation.

It is a violation of the [Student Code of Conduct](#) to engage in the disruptive use of electronic, telecommunication, digital media, and/or wearable devices during classes, labs, or other Collin College learning environments. This includes, but is not limited to, social networking activities; texting; talking on the phone; and web browsing from laptops, smartphones, or any other electronic devices during class time. Consult the professor for specific guidance. If there is a need to monitor outside communication for emergency purposes during a specific class, a student should set the device on silent and inform the professor before class begins, so as not to disrupt the class or interfere with the academic classwork of other students. In addition to individual course guidelines, students should review the [Student Code of Conduct](#) located in this student handbook.

Most professors regard tardiness as both an absence and disruptive behavior. Sleeping in class, interfering with teaching by talking with other students during directed instruction, and preparing work for another class while students should be engaged in classroom activities are examples of behaviors that are both discourteous to other students and disruptive to the purposes of the course. Students are expected to refrain from these and other disruptive behaviors, as these actions have a negative impact on Collin College's stated goals and the Core Value of Academic Excellence.

To learn and grow academically, students are expected to complete coursework independently unless otherwise directed by their professor(s). By actively participating in educational opportunities, students build confidence, learn how to think for themselves, solve problems, and gain work and life skills. Artificial Intelligence (AI) programs and tools that generate text, code, and visual content can enhance student learning when used appropriately and responsibly. However, using AI programs and content generators to complete coursework may lead to a violation of Collin College's academic integrity policies and procedures and deprive students of the opportunity to learn how to think for themselves. Students should always ask their professor(s) for permission and find out to what capacity they are allowed to use AI programs and content generators to complete an assignment. Students should refer to [Chapter 7: Scholastic Dishonesty](#) in the [Student Code of Conduct](#) for more information.

If a student is having difficulty mastering the material and skills, the student is encouraged to reflect on how to study and prepare for each class. Students are also encouraged to seek out Collin College resources that will aid in achieving academic success. Professors welcome dialogue on what students discover and may be able to assist in finding resources on campus that will improve student performance. Professors may recommend ways for students to develop and use academic tools necessary to succeed in college and the professional world. Professors also have office hours intended for one-on-one help with class material, as needed. However, in the end, the student must show the personal responsibility necessary to take accountability for their own academic success.

Academic Planning Coach Program

The Academic Planning Coach Program supports traditionally underserved First-Time-in-College (FTIC) students by connecting them with essential campus resources to help them achieve their academic and career goals. Participants are paired with a staff or faculty member who guides them through key aspects of college success. The program helps students explore Collin College's resources, strengthen their networks, and build confidence. It also helps them in identifying and articulating

academic and career goals while staying on track with academic planning, course registration, degree requirements, graduation and transfer planning, and other topics relevant to first-year success.

For more information, go to the [Academic Planning Coach Program webpage](#).

American Sign Language (ASL) Laboratory

The American Sign Language (ASL) Laboratory is designed to simulate, as closely as possible, a Deaf culture environment on a college campus. Collin College employs native or near-native ASL language models who mentor, assist, and tutor ASL and Interpreting students one-on-one or in small groups in an immersive setting. ASL Laboratory staff seek to support students' language learning, develop culturally appropriate norms, and enhance ASL and interpreting skills and tasks designated by the student's instructors.

The ASL Laboratory is located at the Plano Campus in Room BB-108. Hours of operation are posted outside the lab each semester.

Anthony Peterson Center for Academic Assistance

The Anthony Peterson Center for Academic Assistance is the tutoring home to the Math Labs, Science Dens, and Writing Centers. Each Center assists students by providing a combination of math, reading, science, writing, and other subject tutoring support as well as open-seating study areas, printing, and access to computers. Collin County community members are also welcome to use the Center's services on a walk-in basis. Appointments are encouraged for students, but walk-ins are welcome when tutors are available. The Center is located on the Celina Campus, Farmersville Campus, Frisco Campus, McKinney Campus, Plano Campus, Technical Campus, and Wylie Campus. The Center also has an online-only appointment system that serves the entire College District.

For more information, go to the [Anthony Peterson Center for Academic Assistance webpage](#).

Math Labs

The Math Labs faculty and tutors assist Collin College students and community members with mathematical concepts. Students may use graphing calculators and

computers to complete homework and lab assignments, and some Math Labs have calculators available for student use while in the lab.

Appointments are recommended, but walk-ins are welcome when tutors are available. Collin County community members are welcome on a walk-in basis when tutors are available. Hours are posted at each campus and on the [Anthony Peterson Center for Academic Assistance webpage](#).

Each campus provides students with a unique science study and support area, so students should contact the Anthony Peterson Center for Academic Assistance at their preferred campus for the most current science support information.

Collin College students enrolled in courses in the natural sciences that have math-based assignments can receive assistance from tutors and volunteer faculty in the Math Labs at the McKinney Campus, Plano Campus, and Wylie Campus. The Frisco Campus and Wylie Campus provide tutoring through their separate Science Dens for all science courses, and some of the other Centers provide in-house

tutoring in anatomy and physiology, biology, chemistry, and physics. Online science tutoring appointments are available through the [Anthony Peterson Center for Academic Assistance webpage](#).

Writing Centers

The Writing Centers provide students with professional assistance for writing assignments across the curriculum as well as résumés, application and scholarship essays, lab reports, and other writing needs, free of charge. Each Writing Center's primary purpose is to help students improve their skills by guiding them through the writing process in informal, one-on-one sessions.

Many of the Writing Centers also offer designated reading specialists to help students develop their critical reading skills. In addition, the Writing Centers offer free writing and research workshops every semester that address student writers' common concerns.

Appointments are recommended, but walk-ins are welcome when tutors are available. Collin County community members are welcome on a walk-in basis when tutors are available. To avoid no-show penalties, students must notify the Writing Center at least one (1) hour prior to an appointment's start time if they wish to cancel or reschedule.

Online tutoring sessions as well as on-campus, face-to-face tutoring sessions are available. Appointments for on-campus tutoring sessions can be scheduled through any of the individual campus Writing Centers by following the links found on the [Anthony Peterson Center for Academic Assistance webpage](#). Bookstores and Textbooks

The Collin College bookstores are managed by Barnes & Noble College. Information about textbooks, refunds, and store hours can be found on the [bookstore's website](#).

A list of required and recommended textbooks and supplemental materials for each Collin College course, including the title, author, retail price, and International Standard Book Number (ISBN), can be found on the [bookstore's website](#). Students can purchase or rent textbooks from the Collin College bookstores located on the Celina, Frisco, McKinney, Plano, Technical, and Wylie Campuses, or on the [bookstore's website](#). Note that textbook availability is campus-specific based on the student's course section number(s). In-store pick-up and shipping options are available at checkout.

Collin College students are not under any obligation to purchase textbooks or materials from the bookstore. The same textbooks and materials may also be available from an independent retailer, including an online retailer.

First Day Courses

Students enrolled in a First Day course will have their digital materials included in their registration fees. These materials are already loaded in Canvas and are available on the first day of class. Students may opt out of the plan for a refund, but these required electronic materials will not be available at a lower cost, in accordance with Department of Education regulations. Once the semester has started, transferring from one (1) First Day section to another will result in loss of access to materials. Students will need to contact the bookstore to restore their access.

Forms of Payment

The Collin College bookstores accept the following forms of payment:

1. Cash;
2. Contactless payments (e.g., Apple, Google, Samsung Pay);

Center for Advanced Studies in Mathematics and Natural Sciences (CASMNS)

The Center for Advanced Studies in Mathematics and Natural Sciences (CASMNS) is a specialized program for highly motivated students with interest in mathematics or the natural sciences. CASMNS offers opportunities for students enrolled in Biology, Chemistry, Engineering, Environmental Science, Geology, Mathematics, and Physics courses to participate in a variety of undergraduate research activities and scholarly events at various Collin College campuses. Students interested in research or graduate study in the disciplines listed above will benefit from participating in the CASMNS program.

For more information, call 972.881.5880 or go to the [CASMNS webpage](#).

Child Development Lab School

Collin College provides a Child Development Lab School at the Plano Campus. The Child Development Lab School serves as a laboratory site for the following programs and courses: Child Development, Early Childhood Education, academic courses in the Social Sciences, and Service Learning.

Qualifying students and Collin College employees may enroll their children in the Child Development Lab School as space permits. The children's program promotes physical, social, emotional, and cognitive development in a nurturing and supportive environment. Daily activities are based on individual children's needs and interests.

The Child Development Lab School is accredited by the National Association for the Education of Young Children (NAEYC) and is a Four-Star Texas Rising Star Program.

For more information or a fee schedule, call 972.881.5945.

Class Attendance

Regular classroom attendance is expected of all students. Professors determine class attendance requirements; therefore, students should ascertain each professor's attendance policy on the first day of the class.

Students who receive Department of Veterans Affairs (VA) educational benefits must conform to attendance and academic standards as established by Collin College.

Federal regulations require students to attend class by the census date to receive financial aid. Students enrolled in online courses must submit an assignment by the census date to be considered as attending. The census date is the twelfth class day in a regular 16-week semester, or the fourth class day in a short summer semester. Census dates vary for mini semesters and express classes.

Students who stop attending may have to pay a portion of their financial aid back to the Department of Education.

For more information, see the [Financial Aid and Veterans Services](#) section in this student handbook or contact the Financial Aid and Veterans Services Office at any campus.

College Success Seminars

These seminars teach students basic academic skills to increase college success. A schedule of these free seminars is published each semester in the [Canvas shell](#).

For more information, contact ljaveed@collin.edu or khanvey@collin.edu.

College-Wide Identification (CWID) Number

To help prevent identity theft, students are issued a random nine (9)-digit College-Wide Identification (CWID) number to be used instead of their Social Security Number (SSN) to access their records when they are admitted to Collin College. The CWID number is noted on all student records, except official Collin College transcripts. The CWID number is listed on the student ID card and is used to access student services and records.

For more information, contact Student and Enrollment Services on any campus.

Collin College Catalog

The *Collin College Catalog* contains course descriptions and requirements for all of Collin College's areas of study, certificates, and degree programs. This document is available on the [Collin College Catalog webpage](#).

Continuing Education (CE) Program

Collin College's Continuing Education (CE) program is the leading non-credit career skills training institution for adults who are seeking to increase knowledge and refine current skills, either to assist them on the job or for their personal enrichment. More than 70 industry-recognized certificate series and certification-preparation training programs are offered in the administrative, creative, education, finance, health care, information technology, logistics, management, public safety, service, trades, and veterinary medicine career fields.

Collin College's CE program is open to the community and provides a general tuition rate specific for each course. For most CE courses, there is open enrollment. CE offerings vary from semester to semester to meet local training demands and provide seasonal and current event offerings. New classes start weekly, with course durations ranging from several hours to several months. CE students will not earn "traditional" college credits toward a degree, although they may earn Continuing Education Units (CEUs), which will be recorded on a CE transcript.

CE classes are scheduled at all Collin College campuses and online.

For more information on CE course descriptions, class schedules, locations, and registration, call 972.985.3750, email ceinfo@collin.edu, or go to the [CE webpage](#).

Course Delivery Options

Collin College offers students a variety of course delivery options for credit courses, varying from in-person classroom courses to fully online courses.

Face-to-Face Courses consist of regularly scheduled face-to-face meetings at a specific campus location; some use of technology is required to support learning.

Hybrid Courses are courses in which 50% or less of the instruction is delivered online. The remaining instruction is delivered through in-person scheduled meetings.

Blended Courses are courses in which more than 50% but less than 100% of the instruction is delivered online. Some required face-to-face activities (e.g., discussions, presentations, exam administration) will be scheduled intermittently throughout the term.

Web Synchronous Courses are courses in which 100% of the instruction is conducted using web-based technologies to extend the classroom lecture environment and other activities to students at remote sites in real time. There are no on-campus requirements. These courses utilize web conferencing or other synchronous e-learning media (e.g., Canvas, MS Teams, Studio, Zoom) to provide remote access to the classroom experience.

Web Courses are courses in which 100% of the instruction is conducted online. Instructional materials, readings, assignments, class discussions, and other assessments may be accessed from remote locations. The course may have some synchronous (i.e., live) components, but is primarily asynchronous.

Excused Absence for Required Military Service

Board policy [FC \(LEGAL\)](#) is associated with this section.

“Required military service” includes required service in the Armed Forces of the United States or in the National Guard or the Texas State Guard.

In accordance with the [Texas Education Code Section 51.9111](#), upon notice from a student called to participate in required military service, Collin College will excuse the student from attending classes or engaging in other required activities, including examinations, in order for the student to participate in required military service, including travel associated with the service. A student whose absence is excused due to required military service may not be penalized for that absence and will be allowed to complete an assignment or take an examination from which the student is excused within a reasonable time after the absence. An instructor may appropriately respond if the student fails to satisfactorily complete the assignment or examination within a reasonable time after the absence.

The maximum period for which a student may be excused due to required military service will be no more than 25 percent of the total number of class meetings or the contact hour equivalent, not including the final examination period, for the specific course or courses in which the student is currently enrolled at the beginning of the period of required military service.

A student who needs to take an excused absence due to required military service should contact each of their professors to inform them of the need for an excused absence and to begin planning for making up required assignments, examinations, etc. Upon return from required military service, the student should work with each of their professors to complete any missed assignments, examinations, etc., within a reasonable time after the absence.

First-Year Experience (FYE) Program

Engaging in the First-Year Experience (FYE) program provides students with critical resources, support networks, and guidance to facilitate a successful transition to college. This program fosters meaningful connections with peers, faculty, and staff while equipping students with essential academic and personal development strategies. A key component of the First-Year Experience program at Collin College is the Academic Planning Coach Program, which pairs eligible students with a planning coach to provide individual guidance and support throughout the academic year.

For more information on the First-Year Experience program, go to the [First-Year Experience \(FYE\) webpage](#) or contact Dr. James Wicks, Director Quality Enhancement Plan (QEP), at jrwicks@collin.edu. For more information on the Academic Planning Coach Program, see the [Academic Planning Coach Program](#) section in this student handbook or go to the [Academic Planning Coach Program webpage](#).

Grade Appeal Process

Board policy [FLDB \(LOCAL\)](#) is associated with this section.

The assessment of the quality of a student’s academic performance is one (1) of the major professional responsibilities of Collin College faculty members and is solely and properly their responsibility. It is essential for the standards of the academic programs at Collin College and

the integrity of degrees conferred by Collin College that the professional judgments of faculty members not be subject to pressures or other interference from any source. It is necessary, however, that:

1. Any course grade be based on evidence of the student's performance in a course,
2. The student has access to the evidence,
3. The professor be willing to explain and interpret the evidence to the student, and
4. A grade be determined in accordance with established guidelines, which should be published and announced in each class within the first week of the term.

Freedom from Capricious Grading

As the term is used herein, "capricious grading" is limited to one (1) or more of the following:

1. The assignment of a grade to a student on some basis other than performance in the course;
2. The assignment of a grade to a student by more exacting or demanding standards than were applied to other students in that course; and/or
3. The assignment of a grade by a substantial departure from the professor's standards published and announced within the first week of the term.

Students have the right to be free from capricious grading and to be treated fairly in grading and classroom practices. In most circumstances, students should seek to settle any dissatisfaction concerning grades directly with the faculty member involved. If a grade dispute cannot be settled in this way, students should consult the appropriate program director, associate academic/workforce dean, or academic/workforce dean. If the issue remains unresolved, the student may appeal to the Grade Appeals Board (GAB).

Appeals to the GAB will be filed with the chair of the GAB no later than the last regular class day of the next long semester after receiving the grade. Grade appeals must be submitted using the [Academic Grade Appeal Form](#). No paper copies will be accepted. An allegation of capricious grading will be handled according to the grade appeal procedures outlined in the [Grade Appeal Procedures for Alleged Capricious Grading](#) section in this student handbook.

Grade Appeal Procedures for Alleged Capricious Grading

The following procedures are available only for review of alleged capricious grading and not for review of the judgment of a professor in assessing the quality of a student's work.

Seeking Clarification of Capricious Grading

A student who believes a final course grade is capricious must seek clarification and, where appropriate, redress, as follows:

1. The student will confer with the professor, inform the professor of questions concerning the grade, and seek to understand fully the grounds and procedures the professor has used in determining the grade. The aim of such a conference is to reach mutual understanding about the grade, the process by which it was assigned, and to correct errors, if any, in the grade. If for any reason the professor cannot be contacted, the academic/workforce dean will appoint the appropriate program director, associate academic/workforce dean, or designee to act for the professor.
2. If, after consultation with the professor or designee, the student believes a grade is capricious, the student will then confer with the appropriate program director or associate academic/workforce dean. The program director or associate academic/workforce dean will consult with and advise both the professor and student, separately or together, in an effort to reach an understanding and resolution of the matter.

Petitioning for a Grade Appeal Hearing

If steps 1 and/or 2 under the [Seeking Clarification of Capricious Grading](#) section in this student handbook do not resolve the problem, the student may submit a written petition by completing the Student Academic Grade Appeal Form and providing supporting documentation on the [Academic Grade Appeal Form](#). The petition should be written to:

1. Request a hearing with the GAB,
2. Present evidence allegedly proving the grade is capricious, as defined in the [Freedom from Capricious Grading](#) section in this student handbook, and

3. Present the student's conclusions.

A written petition submitted without supporting documentation will not be considered. Examples of supporting documentation may include, but are not limited to, course syllabus, copies of emails exchanged between the professor and the student, doctor's statements, etc. If supporting documentation is not received with the written petition, the chair of the GAB will contact the student to inform the student of such. The student will be notified via Collin College email and given five (5) College District business days to provide the requested documentation. If the requested documentation is not received within five (5) College District business days, the student will be sent a second notice via Collin College email requesting the supporting documentation. The student will be given an additional five (5) College District business days to submit the requested documentation. If the requested documentation is still not received after five (5) College District business days from the second notice, the grade appeal will be submitted to the GAB as is.

If a student submits a written petition and has not taken steps 1 and/or 2 under the [Seeking Clarification of Capricious Grading](#) section in this student handbook, the grade appeal will not be heard by the GAB. The student will be notified that the appeal will not be heard until steps 1 and/or 2 under the [Seeking Clarification of Capricious Grading](#) section in this student handbook have been taken.

Again, grade appeals for alleged capricious grades will be instituted no later than the last regular class day of the next long semester after receiving the grade. The last regular class day is prior to the first day of scheduled final exams.

Grade Appeal Hearing

The chair of the GAB will contact the professor to determine the professor's position. Based on the student's written petition and documentation, the professor's response, and interviews conducted by the chairperson of the GAB with the student and the professor, the GAB will conduct an inquiry that may include a meeting with the student and the professor, separately or together, to ascertain and consider relevant facts.

Decision of the Grade Appeals Board (GAB)

The GAB will make one (1) of the following decisions:

1. That the grade was not assigned capriciously, and the grade will stand as assigned; or
2. That the grade may have been assigned capriciously and merits further consideration.

If further consideration is needed, the GAB may then arrange for the professor or designee or a group of two (2) departmental/program colleagues to re-examine all the evidence of the student's work. The GAB will, as a result of this further consideration, recommend to the appropriate campus provost a grade the same as or different from the original grade. If the decision is to change the grade, the Grade Change Form will be sent to the appropriate campus provost or designee for approval and then forwarded to the registrar for processing. The final grade will be distributed to the professor or designee, program director or associate academic/workforce dean, academic/workforce dean, chairperson of the GAB, and other appropriate parties.

If the decision is that the grade will remain as assigned, the student will be notified in writing of that decision. The decision of the GAB is final and non-appealable.

The student, professor, program director or associate academic/workforce dean, academic/workforce dean, and any parties involved will be notified after each decision has been reached.

In accordance with Collin College procedures, no decision of the GAB, by itself, will be a basis for disciplinary action against a professor.

Honors Institute

Honors courses at Collin College are designed to provide a uniquely engaging learning experience for students with advanced academic skills, intellectual curiosity, and an enthusiasm for learning. Honors classes require students to have established a minimum cumulative GPA of 3.25 to enroll. These courses are designated as Honors under "attribute type" in the registration schedule. Honors courses are smaller than average and attract motivated and

enthusiastic students to engage in intellectual discussions, scholastic research, and creative projects. Students may be encouraged to showcase their achievements at academic conferences, in written publications, and/or at creative exhibits. Honors students at Collin College receive an Honors designation on their transcript for each Honors course completed. In addition, through transfer agreements, students completing Honors coursework at Collin College may qualify for admission into and/or scholarships with designated Honors Programs at several partnering universities. Students enrolled in Honors courses also benefit from access to Honors Institute resources, such as private computer labs and study areas, as well as free printing, scantrons, and blue books.

For more information, go to the [Honors Institute webpage](#) or contact the Honors Director at the Frisco Campus, McKinney Campus, Plano Campus, or Wylie Campus.

Early Registration for Pregnant and Parenting Students

Students who are pregnant and/or parenting (i.e., the parent or legal guardian of a child under 18 years of age) are eligible to register on the first day of priority registration. To opt into early registration, these students will need to submit the [Pregnant and Parenting Students Request for Early Registration Form](#). For specific information on registration dates and requirements, see Collin College's [Registration webpage](#).

Absences Related to Pregnancy, a Pregnancy-Related Condition(s), and/or Parenting

Any absences related to pregnancy and/or a pregnancy-related condition(s) must be considered medically necessary and excused. Students who think they will need to take an excused absence(s) due to their pregnancy and/or pregnancy-related condition(s) should complete and submit the [Pregnancy and Pregnancy-Related Conditions Modifications Application Form](#).

Collin College will excuse absences related to a student's pregnancy and/or a pregnancy-related condition(s), including, but not limited to, childbirth, without a doctor's certification that such absence is necessary for three (3) class days. Students who need to take an excused absence related to pregnancy and/or a pregnancy-related condition(s), including, but not limited to, childbirth, for longer than three (3) class days will be required to provide an appropriate health care provider's certification to obtain these excused absences.

Students who are pregnant and/or experiencing a pregnancy-related condition(s) are responsible for following the professor's syllabus policies, including, but are not limited to, those regarding absences due to issues that are not related to the student's pregnancy and/or pregnancy-related condition(s).

Intermittent absences due to a student's parenting status are not covered under federal and state laws. These absences will need to be addressed by each professor in accordance with the attendance/absence policy stated in their course syllabus.

Requesting Modifications Due to Pregnancy and/or a Pregnancy-Related Condition(s)

Collin College will provide classroom modifications to students who are pregnant and/or experiencing a pregnancy-related condition(s) on a case-by-case basis if the student requests them and they are reasonably available. The objective of reasonable modifications is to accommodate the student who is pregnant and/or experiencing a pregnancy-related condition(s), not to dilute scholastic requirements. Students who need to request reasonable modifications due to pregnancy and/or a pregnancy-related condition(s) should complete and submit the [Pregnancy and Pregnancy-Related Conditions Modifications Application Form](#).

Requesting an Extended Leave of Absence Due to Pregnancy, a Pregnancy-Related Condition(s), and/or Parenting

Students who are pregnant, experiencing a pregnancy-related condition(s), and/or parenting may voluntarily request to take an extended leave of absence from a Collin College education program or activity.

Under [Title IX](#) federal law, an extended leave of absence due to pregnancy and/or experiencing a pregnancy-related condition(s) may be taken for, at minimum, the period of time deemed medically necessary by the student's licensed health care provider. To the extent that a student qualifies for leave under the Texas state law requirements listed below, Collin College must permit the student to take voluntary leave under that policy instead, if the student so chooses.

In accordance with the [Texas Education Code Section 51.982](#), Collin College will permit, but not require, a student who is pregnant, experiencing a pregnancy-related condition(s), and/or parenting to take a leave of absence related to their pregnancy, pregnancy-related condition(s), and/or parenting status for a minimum of one (1) semester without showing a medical need.

The Title IX Office works with students who are pregnant, experiencing a pregnancy-related condition(s), and/or parenting to process extended leave of absence requests, in consultation with the appropriate program director, associate academic/workforce dean, and/or academic/workforce dean. Students who are pregnant, experiencing a pregnancy-related condition(s), and/or parenting and need to request an extended leave of absence should complete and submit the [Pregnant and Parenting Students Extended Leave of Absence Request Form](#).

Collin College encourages students to meet with the Financial Aid Office and/or the Collin College Foundation (i.e., scholarship office) before the student takes an extended leave of absence. Students can contact the Financial Aid Office at [972.881.5760](tel:972.881.5760) or FinancialAid@collin.edu and/or the Collin College Foundation at [972.599.3145](tel:972.599.3145) or foundation@collin.edu to schedule a meeting with the appropriate staff member(s).

Campus Lactation Spaces

Collin College is required to provide a lactation space, which must be a space other than a bathroom that is clean, shielded from view, free from intrusion by others, and may be used by a student for expressing breast milk or breastfeeding as needed. Each campus has at least one (1) designated lactation room. The [Campus Lactation Rooms](#) table contains information regarding the locations of each campus lactation room and how to access these spaces.

Weekend College

Juggling the demands of work and home life can seem daunting. However, many students have discovered they can successfully balance work, family, and college through a unique program offering courses during the weekend – Collin College's Weekend College program. Weekend College offers alternatives for students who are unable to attend college courses during a traditional time frame and gives them the flexibility to succeed in an academic and workforce community.

Weekend College students have the opportunity to complete the entire core curriculum for the Associate of Arts (AA), Associate of Arts in Teaching (AAT), or Associate of Science (AS) degrees and some Workforce programs on Friday evenings, Saturdays, and Sundays. Courses during regular semesters are offered in express blocks and full 16-week sessions with flexible enrollment dates. During summer terms, Weekend College offers both five (5)-week and 10-week sessions.

As soon as a student is admitted to Collin College, the student can pursue any course offered through Weekend College at their convenience. Weekend College students are held to the same academic performance standards as traditional students, and Weekend College course content matches Collin College's weekday offerings.

Section 4: Financial Information

Financial Aid and Veterans Services

As a service to Collin College students, the Financial Aid Office administers a comprehensive financial aid program that includes grants, loans, and part-time employment for those who meet the eligibility requirements. The primary purpose of Collin College's financial aid program is to provide assistance for students who might otherwise find it difficult or impossible to attend college. All students are encouraged to apply for financial aid. If students have questions or need assistance, they can contact the Financial Aid Office via phone or visit any campus Financial Aid Office. Financial Aid staff are trained to assist students in realizing their educational goals by answering questions, providing appropriate forms and instructions, and referring students to other resources, as needed. For more information, go to the [Financial Aid webpage](#).

Students receiving financial aid should not withdraw from all their classes without first consulting the Financial Aid Office. In addition, all financial aid students must become familiar with the standards of academic progress required to remain eligible for financial aid.

Federal law requires a financial aid student to complete at least 60 percent of each semester. If a student completely withdraws before the 60 percent point in the semester, that student will need to repay a portion of the financial aid funds received. A financial aid student who earns all Fs for the semester must have at least one (1) professor provide proof to the Financial Aid Office that the student was in an academically related activity for 60 percent of the semester. Otherwise, the student will owe money back to the financial aid program.

Applying for Aid

Students can apply for aid online using the [Free Application for Federal Student Aid \(FAFSA\)](#).

Collin College's Title IV School Code is 016792. This code must be reported on the FAFSA application for financial aid to be processed by Collin College.

Submission Deadlines

Students must apply for financial aid each year. Students wanting to receive priority consideration should apply as

early as possible. The new FAFSA is typically available starting on October 1 each year. Collin College uses the State of Texas' priority deadline of January 15. Students who meet this priority deadline will have aid in place before the payment deadline.

Financial Aid Programs – Federal Assistance

Actual award amounts are determined by federal guidelines, a demonstration of need, and the student's enrollment. Collin College participates in the following financial aid programs:

1. **Federal Pell Grant:** Eligibility for the Pell Grant is based on the financial need of the student and/or the student's family, as well as the student's enrollment status.

Financial need is determined by the U.S. Department of Education from information provided on the student's FAFSA. The standard formula, established by Congress, produces a Student Aid Index (SAI) that indicates how much and what types of aid a student may be eligible for. SAIs within a particular range (varies by year and consists of those students determined to have the "most need") will be eligible for a Pell Grant, provided the student meets all other eligibility criteria.

In general, only undergraduate students are eligible to receive a Pell Grant. A student who has earned a baccalaureate or a first professional degree is not eligible to receive a Pell Grant.

2. **Federal Supplemental Educational Opportunities Grant (FSEOG):** FSEOG is limited by the availability of funds and is awarded to those students considered to have exceptional financial need. Priority is given to federal Pell Grant recipients.
3. **Federal Work Study:** Students demonstrating financial need may be considered for the federal work study program. Students are employed part-time at various jobs on campus or at other Collin College-approved sites. Students are allowed to earn the amount designated in their award package as long as they maintain satisfactory

academic progress (SAP) and are enrolled in at least six (6) credit hours.

4. **Federal Direct Loan Program:** This program permits a student to borrow low-interest loans from the Department of Education, provided the student is enrolled and attending at least half-time and otherwise meets eligibility criteria. The federal government pays interest on the subsidized (need based) amount borrowed until the student graduates or ceases to be enrolled at least half-time. Unsubsidized loans (non-need based) are also available to eligible students. Students are responsible for the interest accruing on these loans while attending school.
5. **Direct Parent Loans to Undergraduate Students (PLUS):** PLUS loans are available to parents who want to borrow money to help defray the cost of their dependent children's education. Like Direct loans, PLUS loans are offered by the Department of Education. Parents may borrow up to the cost of attendance minus any other educational resources and financial aid awarded to students. These loans have a higher interest rate than Direct loans, and the borrower is responsible for paying all the interest that accrues.

Financial Aid Programs – State Assistance

1. **Texas Public Education Grant (TPEG):** The TPEG program is a state financial aid program designed to assist students in attending state-supported colleges. Students must demonstrate financial need and be making satisfactory academic progress toward their educational goals. The actual amount of the grant varies depending on the availability of funds to the college, the student's financial condition and enrollment, and other aid the student may be receiving.
2. **Texas Equal Opportunity Grant (TEOG):** Community college students working on their first associate degree may be eligible for this grant if they:
 - a. Are Texas residents,
 - b. Do not have a felony or drug conviction,
 - c. Are within their first 30 hours of college,
 - d. Registered for Selective Service, if required,

- e. Have financial need, as determined by the institution, and
- f. Are enrolled at least half-time (i.e., six [6] hours).

Students who meet the TEOG qualifications are eligible for up to 75 hours at a community college. In addition, a student receiving this grant may become eligible for the Towards EXcellence, Access and Success (TEXAS) Grant once they transfer to a university. For the first year, students must meet the college's satisfactory academic progress (SAP) requirements. For more information, refer to Collin College's policy in the [Satisfactory Academic Progress \(SAP\)](#) section in this student handbook. To continue receiving this grant, the student must maintain a 2.5 cumulative GPA and complete at least 75 percent of their coursework.

For more information about either of the grants listed above, contact the Financial Aid Office.

Satisfactory Academic Progress (SAP)

School Policy: [34 CFR 668.16\(e\)](#)

Student Eligibility: [34 CFR 668.32\(f\)](#), [34 CFR 668.34](#)

To be considered administratively capable, a school must have a satisfactory academic progress policy for a Federal Student Aid (FSA) recipient that is the same as or stricter than the school's standards for a student enrolled in the same educational program who is not receiving assistance under the FSA program.

Basic Elements of an SAP Policy

According to these federal rules, a school's policy must contain certain basic elements.

1. Students must maintain a cumulative (Financial Aid) GPA of at least a 2.0,
2. Students must complete 67% or more of the coursework they attempt (cumulative), and
3. A maximum time frame in which the student must complete their educational program (known as the 150% rule).

Student Eligibility

To be eligible for FSA funds, a student must make satisfactory academic progress, as defined by the school.

What Is a Student's SAP Status?

Students can see whether they passed or failed SAP for the previous semester in the Workday Student Financials Hub.

Institutional Policy of SAP for Financial Aid (Effective November 2013)

This is an official statement of Collin College's policy related to the financial aid operational definition of SAP for students at Collin College that was implemented for 2013-2014 and subsequent academic years.

At the end of each period of enrollment, the Financial Aid Office evaluates the SAP of all enrolled students. This evaluation considers Financial Aid GPA, the percentage of hours completed, and the maximum allowed hours attempted. Note: The evaluation takes place at the end of the fall, spring, and summer semesters.

At the end of each period of enrollment, a student must meet the following requirements:

1. **Financial Aid Grade Point Average (GPA) Requirement:** A student must maintain a Financial Aid GPA of 2.0 or higher to receive federal student aid. The Financial Aid GPA is the calculation of grades from all credit coursework, including Developmental Education (DE) and ESL coursework. Note that the Financial Aid GPA may differ from the Academic GPA.
2. **Percent Completion Requirement:** A student must complete 67 percent of all attempted hours. This is calculated by dividing the total number of hours the student has successfully completed by the total number of hours attempted.
 - a. **Successfully Completed Hours:** Passing grades of A, B, C, and D, (including Developmental Education [DE] and ESL coursework); accepted transfer coursework; and repeated courses (one [1] time only for previously passed course).
 - b. **Attempted Hours:** Withdrawals, grades of F, incomplete courses, repeated courses,

courses taken during the summer sessions, Developmental Education (DE) and ESL coursework, accepted transfer coursework, and all hours for which the student received passing grades are counted toward attempted hours. Note: All periods of enrollment count when assessing progress, even periods in which a student does not receive federal student aid.

3. **Maximum Time Frame Requirement:** The maximum number of hours a student may attempt is limited to 150 percent of the published length of the program. For example, a certificate program that requires 30 hours would have a maximum time frame of 45 credit hours.

All hours, including those taken while not receiving Title IV aid, those taken under a different major, hours attempted during summer sessions, remedial hours, ESL hours, hours transferred in from previous/other institutions, etc., will be counted toward total hours attempted and earned. Students who reach the maximum time frame are immediately given a "failed" status making them ineligible for any student aid, including student loans, state aid, etc.

Failure to Meet the Standards of Academic Progress: GPA and Percent Completion

A student who fails to meet the requirements in Item 1 and/or Item 2 under the [*Institutional Policy of SAP for Financial Aid \(Effective November 2013\)*](#) section in this student handbook will automatically be placed on warning for the next semester of enrollment. Students on warning will still be able to receive student financial aid they would otherwise be eligible to receive. At the end of the next semester of enrollment, the student must be making Financial Aid satisfactory academic progress (i.e., Financial Aid GPA of 2.0 or greater and a cumulative percent completion of 67 percent or higher). If the student is not making satisfactory academic progress by the end of the semester, the student will automatically be placed on financial aid suspension and will no longer be eligible for any student aid, including loans, state aid, etc.

Students on financial aid suspension for Financial Aid GPA and/or percent completion will remain on suspension

until such time that the Financial Aid GPA and/or percent completion reaches the minimum requirements. Once the minimum requirements are met, the student will again be considered to be in good standing.

The Appeal Process: GPA and Percent Completion

In rare circumstances, a student is allowed to appeal their financial aid suspension. These circumstances may include a serious personal illness documented by a doctor; the serious illness of an immediate family member in which the doctor documents that the student was required to give care to the family member; and other rare, exceptional circumstances that prevent a student from attending class. The circumstances must have occurred during the semester(s) of attendance.

Note: Appeals will not be accepted without documentation and appeals submitted with documentation are not automatically approved.

The deadline for submitting an appeal is 30 days after the official first day of classes for a semester. A student who has a rare circumstance should contact the Financial Aid Office to discuss their extenuating circumstance. If the student meets the conditions to appeal, an appeal request will be sent to their Workday "My Task" box. The student must complete the *Financial Aid Satisfactory Academic Progress Appeal Form* and submit the appeal along with required documentation that supports the rare circumstances through Workday.

Financial Aid Appeals Committee

An appeals committee has been established at Collin College to review all financial aid appeals. The committee will meet as needed to review the appeals. The determination of the appeal will be sent to the student through Workday. Appeals without documentation or that do not meet the requirements of the appeal process will automatically be denied.

A student whose appeal is approved for GPA or percent completion must complete a financial aid academic plan. To remain eligible for financial aid while on an academic plan, the student may not withdraw from any coursework and must make a grade of at least C in every class until the student is back in good standing.

A student whose appeal is approved for maximum time frame will have the approved hours added to the 150 percent of the program length.

All decisions of the Financial Aid Appeals Committee are final.

Additional Information: Return of Title IV Funds

Federal Student Aid funds are awarded to students with the assumption that they will attend school for the entire period for which assistance is rewarded. When a student withdraws, they may no longer be eligible for the full amount of the Title IV funds the student was originally scheduled to receive.

What If I Withdraw?

The U.S. Department of Education has required institutions and students to repay or refund unearned student aid funds for many years. Student aid may be considered unearned if a student withdraws completely during a term in which Title IV money was received. In accordance with the [Higher Education Amendments of 1998](#), refund and payment regulations specify, in a complex formula, exactly how much is due back to the federal programs from the institution and/or the student. Schools have certain responsibilities if a student with Title IV funds officially withdraws or unofficially withdraws (i.e., earns all Fs).

Official Withdrawals

A student receiving federal funds may be required to repay aid determined to be "unearned." The earned/unearned calculation is based on the percentage of days the student attended during the term in which they withdrew. The amount of aid the student has earned is determined on a pro-rata basis. That is, if the student completed 30 percent of the term in which they withdrew, the student earns 30 percent of the aid received. Once the student has completed 60 percent of the term, the student is considered to have earned all the aid.

The difference between earned federal aid and 100 percent of the award equals the percentage of unearned federal funds that are subject to repayment. Federal regulations require Title IV aid to be refunded in the following order:

1. Unsubsidized Federal Direct Loans,
2. Subsidized Federal Direct Loans,
3. Federal Pell Grant, and
4. Federal Supplemental Educational Opportunities Grant (FSEOG).

The college as well as the student may be required to return to the federal government the unearned portion of the Title IV funds. Collin College will require a student to repay charges resulting from the institution's portion of the return of unearned Title IV aid. This may cause the student to owe both Collin College and the federal government.

A student who withdraws prior to disbursement of aid may be eligible for a post-withdrawal disbursement.

Unofficial Withdrawals

If a student does not receive a passing grade in any of their classes at the end of the term (i.e., all Fs or a combination of all Fs and Ws), the Return to Title IV Funds (R2T4) calculation will be done after grades are posted for the term, and it will be assumed the student unofficially withdrew at the 50 percent point of that term.

Confirmation of active participation at the 61 percent point will be required by at least one (1) professor and will be verified before the R2T4 calculation is processed.

The determination of withdrawal will be made within 30 days after the end of the term. The R2T4 calculation will be made within 30 days of the date of determination, and unearned funds Collin College is required to return will be repaid no later than 45 days after the date of determination.

Repayment

For any loan funds the student must return, the student (or their parents for a PLUS Loan) may repay in accordance with the terms of the loan promissory note(s). That is, the student makes scheduled payments to the holder of the loan over a period of time.

For grants, the law requires the student to return 50 percent of any unearned grant funds received. Any amount the student is required to return is considered a grant overpayment.

A student is not required to return any money earned through the Federal Work Study program.

A student who owes an overpayment has 45 days to repay Collin College in full, or it will be reported to the Department of Education and National Student Loan Data System (NSLDS). If the overpayment is not repaid within 45 days, the student will not be able to receive further financial aid from any college until the overpayment has been paid.

If a student is thinking of withdrawing or just leaving, please think again.

The student should immediately see an advisor and/or financial aid advisor to discuss the student's personal reasons for leaving. Perhaps the student can stay but take fewer courses. Maybe there are services (e.g., tutoring, counseling, personal support) that will help the student stay. The student should also speak with their professors to see what advice and help they can offer.

A few of the state exemptions and waivers are listed below.
3. **Financial Aid Exemptions:**

Veterans Educational Benefits

Students requesting veterans' educational benefits at Collin College should submit all documentation to the Veterans Services Office at least six (6) weeks prior to registration, if possible. The steps necessary to do this include:

1. Gain admission to Collin College,
2. Submit a degree plan request and all required VA forms to the Veterans Services Office, and
3. Submit all official transcripts from prior institutions, including the Joint Services transcript or Community College of the Air Force transcript.* The veteran transition specialist will review all academic transcripts.

NOTE: Only after an official degree plan is completed will notification of enrollment be sent to the Department of Veterans Affairs. Only classes that are on the official degree plan will be paid for. It is the student's responsibility to ensure the degree program selected is a program approved by the Texas Workforce Commission and the Department of Veterans Affairs.

*A degree plan will not be completed until all OFFICIAL transcripts, including the Joint Services transcript or Community College of the Air Force transcript, and the DD214 (where applicable) are on file with the Student and Enrollment Services Office.

Failure to submit all official transcripts (and the DD214 where applicable) promptly will result in a delay of certification of enrollment and/or non-certification, if the student registers for courses for which previous credit may be granted.

Any class that is recommended, but not required, for a degree program cannot be certified with the VA. In

addition, classes required for graduation at another institution, but not by Collin College, cannot be certified. Developmental Education (DE) courses will only be certified if the student has been assessed into the courses and only if the class is not a distance or web class. Hybrid, self-paced, and blended courses are all considered traditional courses by the VA. However, if the developmental courses are listed as online or web, they are not eligible for certification.

Veteran students' enrollment is certified according to the date of registration, as long as the degree evaluation has been completed. Therefore, it is strongly recommended that veteran students register for classes as early as possible each semester. The Veterans Services Office does offer Veterans Priority Registration each semester.

It is the student's responsibility to notify the Veterans Services Office whenever a class schedule change occurs (i.e., adding, dropping, or withdrawing from classes).

The student is responsible for registering for the correct courses. The VA will only pay for courses required for graduation. Students should be careful when taking elective courses as they may not be eligible for VA certification.

It is assumed that continuing students want to be certified for any subsequent enrollment unless they notify the Veterans Services Office in writing. Requests for certification of a prior term will be processed in accordance with standard VA policy and will not be processed ahead of the normal scheduled workload for that term.

If the student has not been in attendance for two (2) regular 16-week semesters, additional VA documents will be required as well as transcripts from any schools in attendance during the break.

All degree plan changes must be made through the Veterans Services Office. Contact the Veterans Services Office on campus. Allow at least six (6) weeks for the new degree plan request to be evaluated. It is the student's responsibility to notify the Veterans Services Office once the degree plan has been completed.

To contact the Veterans Services Office, call 972.881.5760 or email vrc@collin.edu.

Veterans Academic Progress

Students receiving veterans' educational benefits must maintain satisfactory academic progress while attending Collin College. Satisfactory academic progress is defined as:

1. Maintaining a 2.0 cumulative GPA. Students failing to make satisfactory academic progress will be reported to the Veterans Regional Office as being on academic suspension at the end of the second consecutive semester when the cumulative GPA remains below 2.0. Developmental Education (DE) courses will be included to determine the cumulative GPA.
2. A grade of "D" or higher received at Collin College, or any other college, is a passing grade and may not be repeated for benefits. If a non-punitive grade of "I" is assigned to a course and is not converted to an appropriate punitive grade, this will be reported to the Veterans Affairs Regional Office within 30 days and benefits will be reduced accordingly. Students receiving a grade of "F" may repeat the course with benefits one (1) time at Collin College.
3. Withdrawal from a class, whether self-initiated or otherwise, may result in the student being obligated to repay any overpayment of benefits, unless the VA approves written extenuating circumstances submitted by the student.
4. Regular class attendance is required to provide necessary documentation of attendance.

Financial Policies and Procedures

Student Account Costs

Undergraduate (credit) course tuition and fees are assessed on a per-credit hour basis rather than a per-course cost. The per-credit hour tuition rate is determined by the student's residency classification, as determined by Student and Enrollment Services, and whether a course qualifies for state funding. Additional per-course lab or special fees as well as service fees may be assessed as needed and approved.

All Collin College tuition and fees, both course and/or service related, must be approved by Collin College's Board of Trustees (Board), are added as necessary, and are kept to a practical minimum. For the most current credit course tuition and fee rates, as well as additional course and/or service specific fees, go to the [Tuition and Fees webpage](#).

Continuing Education (CE) course instructional fees are assessed on a per-course basis, and payment is due in full at the time of registration. The cost of each course is listed in the applicable CE Schedule located on the [Continuing Education webpage](#).

Average In-State Cost of Attendance (COA) for Credit Students

In addition to the direct costs incurred by a student attending Collin College, the cost of attendance (COA), also known as the budget, is an estimate of anticipated comprehensive costs the typical student would incur for a given academic period. The COA includes not only tuition and fees but also other education-related expenses, such as books and supplies, room and board, transportation, and personal expenses.

Standardized costs of attendance are established each year and are applied equally across similar groups of students (e.g., full-time students), providing a more comprehensive budget picture for an academic year or term. Charts showing the average cost of attendance at Collin College are available on the [Cost of Attendance webpage](#).

Student Financial Responsibility

Registration is required for students to attend courses at Collin College. Registration in any course or acceptance of any service from Collin College creates a contractual obligation and agreement to pay all tuition, fees, and other assessed and/or associated costs resulting from registration and/or receipt of services. The three (3) primary credit terms have an advertised early registration payment deadline. After the initial credit term's payment deadline, and for all CE terms, any registration balance on the student's account is due at the time of registration. It is the student's responsibility to review account balances,

comply with financial aid eligibility requirements and third-party sponsor funding guidelines, and pay any balance due by the established payment deadlines.

By registering for courses at Collin College, the student is acknowledging understanding of, and agreement to, personal financial responsibility, including the following:

1. Registration is, in fact, acceptance of financial responsibility and constitutes a promissory note agreement (i.e., a financial obligation in the form of an educational loan, as defined by the [U.S. Bankruptcy Code, 11 U.S.C. §523\(a\)\(8\)](#) in which Collin College is providing educational services, possibly deferring some or all of a payment obligation for those services per payment deadline policies.
2. The student promises to pay and/or secure alternate funding for all assessed tuition, fees, and other associated costs and/or balances by the published or assigned due date. The student acknowledges default of payment obligations may result in additional collection activities, assessed charges, and/or account and/or service restrictions.
3. The student is responsible for all course registration activity, including drop/withdrawal from courses.
4. Registration is only complete upon full funding of courses.
5. Charges for dropped/withdrawn credit courses will be assessed in accordance with the [Texas Higher Education Coordinating Board \(THECB\) Refund Rules](#), which specify 100% remission of tuition and fees is only available for courses dropped prior to the beginning of the term or mini term.
6. Charges for dropped CE courses will be assessed per Collin College's published refund rules, which specify 100% remission of instructional fees is only available prior to the course start date/time.
7. Payment of tuition and fees for dropped or withdrawn courses is the student's responsibility.
8. Failure to attend class or receive a bill does not absolve the student of financial responsibility.

Per the [Texas Education Code Section 54.007\(d\)](#): A student who fails to make full payment of tuition and mandatory fees, including any incidental fees, by the due date may be prohibited from registering for classes until full payment is made. A student who fails to make full payment prior to the end of the semester or term may be denied credit for the work done that semester or term.

The *Student Financial Responsibility Agreement* is available on the [Student Financial Responsibility Agreement webpage](#).

Payment Requirements and Deadlines

Payment deadlines and student account balances are available online. Meeting payment deadline requirements within each registration period is the student's responsibility. Funding must be in place in compliance with payment deadline requirements within the applicable registration period to ensure course enrollment status. Students may contact Student Financials staff with any questions at studentfinancials@collin.edu or 972.548.6616, Option 4.

Registration Periods

Early Registration (credit term) is the period from the first day of registration through the advertised early registration payment deadline. Additional information and the payment deadlines for specific terms are available on the [Payment Deadline webpage](#).

Funding for all charges on the student's account is due in full on or before the early registration payment deadline. Acceptable funding is payment in full, awarded and authorized financial aid, verified sponsor funding, eligible exemptions/waivers, a promissory note payment plan agreement, or a combination of the above. Students with any outstanding balances not funded in full on or before the published payment deadline may be dropped from all classes by an automated process the following day. Partial funding will not prevent classes from being dropped, unless a payment plan has been initiated and finalized with the promissory note signed.

Regular Registration (credit term) for the fall, spring, and summer terms begins after the early registration payment deadline and continues until the registration deadline before the term or mini session begins. Regular

registration activity, including Weekend Express or mini semester registration, must be paid in full or have approved funding noted at the time of registration to prevent the course(s) being dropped for non-payment.

Late Registration (credit term) begins the first day of the primary part-of-term for each term (i.e., fall, spring, and summer), and a late fee is assessed for registration initiated the first week of the term. Late registration activity, including Weekend Express or mini semester registration, must be paid in full or have approved funding noted at the time of registration to prevent the course(s) from being dropped for non-payment and registration holds being placed on the student's account.

Charges and payments are term specific. When paying online, students need to select the specific term for which they are making payment.

CE Registration terms do not provide an early registration period. All funding sources must be in place at the time of registration to prevent being dropped for non-payment and/or registration holds being placed on the student's account.

Automatic Course Cancellation or Drop for Non-Payment (DNP) of Tuition

Students with outstanding balances not totally funded by the Early Registration Payment Deadline for fall, spring, and summer credit terms are subject to drop for non-payment (DNP) from all courses the day after the published Early Registration Payment Deadline, regardless of whether a partial payment(s) has been made.

During Regular and Late Registration, including CE terms, regardless of course/session start date, registration and payment activity are calculated on a daily reporting cycle. An unpaid balance on one (1) class at the close of the business day may cause the student to be dropped from all classes in the same day/reporting period, including those for which the student previously paid. For example, if a student registers for three (3) credit hours or a CE course at 9:00 a.m., pays Collin College in full, and then registers for three (3) additional credit hours or another CE course at 10:00 a.m. and does not pay the additional tuition and fees at the time of registration, all six (6) credit

hours and/or both CE courses may be dropped for non-payment.

In addition, if a student drops a course when the refund amount is less than 100% and receives a partial credit on the account for the dropped course, then adds a new course and does not pay the full amount due for both the dropped course and the added course, the registered course may be dropped for non-payment.

If a student is dropped from a class(es) for non-payment of tuition, it is the student's responsibility to re-register for classes. There is no guarantee a seat will remain available in the original course(s) for which the student had registered.

Workday Student Financials Hub and Transact Payments

For students' convenience, student account services are offered and managed through the college's secure sites, Workday Student Financials Hub and Transact. This includes viewing current charges resulting from account activity, paying account balances, initiating promissory note installment plans (when available), establishing an e-Refund account to authorize limited access to family members assisting with account activity, and opting-in for 1098-T electronic delivery, for eligible students. Students are encouraged to explore all that is available to them in the Workday Student Financials Hub and Transact.

Follow the instructions below to access the secure site:

1. From OneLogin, go to Workday > Financials Hub > Suggested Links > Transact Payment > Make a Payment > Checkout > Enter Financial Information > Continue > Pay.
2. Click on Student Financials Information to access Contact Information, Tuition and Fee Schedule, Payment Deadlines, Consequences for Dropped Classes, and more.
3. Students are responsible for complying with payment deadline requirements. Payment deadlines are available in Collin College's 2025-2026 Master Calendar on the [Calendars webpage](#) and the Workday Student Financials Hub.

Communication from Student Financials

All communication from Student Financials will be sent to the student's Collin College email address, not a personal

email. It is recommended that students check their Collin College email daily.

Payment Policies

Payment may be made in the Workday Student Financials Hub. Partial payments are accepted, but the full account balance must be paid in compliance with payment deadline requirements. When visiting the Student Financials offices, students will need to provide their physical student ID card or College-Wide Identification (CWID) number. It is recommended that students keep their CWID private and memorize it, as it will be needed often.

Collin College may refuse or restrict check payments on any account on which a check payment was not honored by the originating financial institution or for payment of any past due account balance.

Incomplete and/or unsuccessful payments, including credit card challenges of selected services, may result in additional fees and/or account or service restrictions.

Payments by paper check are processed through the Automated Clearing House (ACH). For paper checks, the Texas driver's license number of the person signing the check and the student's CWID and local address must be written on the check. If the student prefers not to provide their CWID on the check, payment may be submitted by ACH e-check, cashier's check, or money order. Check writing privileges will be permanently revoked for students with three (3) or more insufficient funds, rejected/returned paper or e-check payments.

If paying with an e-check from a savings account, students should contact their bank first to ensure that it is a "transactional account" able to be used as an ACH e-check. If it is not, the bank will reject the payment.

Students may also set up authorized users in their payment portals. Authorized users may make credit card or e-check payments on an authorized student's account for tuition and fee charges.

Payment Methods

Collin College accepts the following methods of payment for tuition, fees, and services:

1. **Secure online payment** is the recommended method. Convenient online credit card or e-check payments may be made 24/7 via the secure payment portal accessed through the Workday Student Financials Hub.
2. **In-person payments** by cash, credit card, check, or money order may be made at any Collin College Student Financials Office location during business hours. Office hours and locations can be found on the [Student Financial Services Contact Information webpage](#).
3. **Mailed checks or money orders** are accepted with the same requirements as any paper check and are recorded as of the date received, not the postmark. Mailed checks must be received by the Early Registration Payment Deadline. Mail checks to:

Collin College Student Financials
3452 Spur 399
Suite 327
McKinney, TX 75069

If a scholarship check or 529 check is expected to be mailed to Student Financials, the student should forward any related communication with the donor or bank to sponsors@collin.edu. Staff will place a protective hold on the student's account if the check will be received after the Early Registration Payment Deadline.

4. **Financial Aid and/or scholarship awards** noted on the student's account as Authorized/Anticipated Aid and/or paid amounts for the corresponding term are considered as eligible funding. Students receiving these financial aid and/or scholarship awards sufficient to cover the full amount of the tuition and fee charges do not need to make an additional payment. Students are responsible for completing any financial aid application and/or acceptance process(es) and maintaining current enrollment status.

Authorized financial aid funds for a credit student with certified course activity disburse to the student's Workday Student Financials Hub the day after the term's/mini session's census date. Unpaid charges on the student's account will be

deducted from any resulting financial aid credit, and then any remaining credit balance will be refunded within seven (7) days. For the quickest Financial Aid refund, it is recommended that the student sign up for Direct Deposit e-Refunds in the Workday Student Financials Hub. A mailed paper check can take up to two (2) weeks to arrive through the U.S. Postal Service (USPS).

Continuing Education (CE) financial aid awards are for course costs only and are not eligible for student refunds. Any CE funds in excess of course costs will be returned to Financial Aid.

Student accounts with scholarship credit remaining from an earlier term should verify with the Collin College Foundation Office or other sponsoring department/entity whether those funds may be used for the new term. For more information, see the [Financial Aid and Veterans Services](#) and [Scholarships](#) sections in this student handbook.

5. **Gift/prepaid MasterCard, VISA, or Discover** card payments are accepted. However, students should not discard the used gift/prepaid card. If a refund is necessary, the amount will be returned to the original gift/prepaid card.
6. **During early registration**, students may make partial payments as their budgets allow, but the full amount due should be paid by the Early Registration Payment Deadline. Paying in increments during early registration provides a no-fee, no-contract informal payment plan for students.
7. **Payment Plans** allow credit students to pay in four (4) monthly installments for spring and fall, or three (3) payments for summer. To enroll in a payment plan prior to the fall, spring, and summer credit terms: From OneLogin, go to Workday Financials Hub > Suggested Links > Transact Payment > View Payment Plan Options > Enroll in Plan > Agree to Terms & Conditions > Continue > Enter Financial Information > Agree/Disagree to Auto Pay Terms & Conditions > Continue > Verify routing number and checking account number is correct > Pay.

If paying with a savings account, the student should contact the bank first to ensure that it is a “transactional ACH account.” If it is not, the bank will reject the payment.

At the time of plan enrollment, the student must complete a promissory note, pay 25% (summer) or 50% (fall and spring) of all tuition and fees plus a \$25 non-refundable processing charge, and agree/disagree to save a payment method for automatic installment payments. The remaining monthly installment payments (i.e., the remaining 50% or 75% owed) will be due on future predetermined dates. For example, if the Payment Plan was set up in January, the next payment will be due in February, the third payment in March, and the final payment in April. If the student adds a course(s) after initiating the plan, 25% of the new tuition and fee charges incurred is due at the time of registration to ensure course registration status.

The minimum balance for the payment plan is \$200, the equivalent of three (3) credit hours (i.e., part time) for in-county residents. The promissory note and initial payment for early registration activity must be completed by the specified deadline for each term. If a partial payment is made on the student account without initiating a plan and signing the promissory note, classes may be dropped for non-payment. After the deadline, the installment agreement and payment must be completed at the time of registration.

Stopping a check or credit card payment will not cancel the payment plan. Any credit resulting from dropped or withdrawn courses will be applied to unpaid charges or refunded to the original payment method of there are no unpaid charges.

Official grades may be withheld until the account is paid in full. Default may result in course withdrawal.

Payment plans are not available for CE courses.

8. **Third-Party Sponsor funding** is accepted if a valid agreement between an entity and Collin College is established and/or a voucher from the business or agency verifying the student's eligibility for funding is presented each term to the Student Financials Office. Requests to use sponsor funding must be submitted by the Early Registration Payment Deadline of the term. To submit vouchers and/or questions regarding sponsorship for tuition and fees, email sponsors@collin.edu.

Students are responsible for any amount owed if the sponsoring agency does not remit payment in full.

Students with sponsors who pay for books and/or supplies must meet the Barnes & Noble College sponsor funding requirements. For more information, contact the preferred campus bookstore.

9. **Post-9/11 veterans' education benefits** are acceptable funding for students with documented eligibility. Eligible students must contact the campus Veterans Resource Center (VRC) or email vrcc@collin.edu each term to authorize use of veterans' benefits.
10. **International currency payments** are available in the Workday Student Financials Hub via Transact or Flywire. These partnerships allow international students to pay securely from any country and bank in their home currency. Payments cannot exceed the total amount due on the student's account and must be received in the Student Financials Office by the Early Registration Payment Deadline of the term. For more information, go to the [Flywire webpage](#) or select International Payment in the Workday Student Financials Hub.
11. **College savings/529 plan** check payments are accepted and processed with the same requirements and restrictions as personal paper check payments on the student's account. Payments cannot exceed the total amount due on the student's account and must be received in the Student Financials Office by the Early Registration

Payment Deadline of the term. Mailed checks should be sent to:

Collin College Student Financials
3452 Spur 399
Suite 327
McKinney, TX 75069

12. **Exemptions and waivers** for qualified students may reduce account balances. Collin College offers numerous state and local Board authorized tuition and/or fee exemptions and waivers for eligible students. A list of exemptions and waivers offered, including the appropriate office to contact, brief eligibility requirements, the nature of the exemption or waiver offered, and the authorizing citation or policy, is available on the [Tuition Waivers and Exemptions webpage](#).

Students can contact Student Financials staff with any questions at studentfinancials@collin.edu or 972.548.6616, Option 4.

Refunds

Credit term refunds are calculated per state mandated rules. One hundred percent (100%) refunds (less non-refundable fees) are only issued for courses dropped prior to each term or mini session's start date. Each term or mini session's start date is based on the week the course begins and not the first day of an individual class. As of 12:01 a.m. on the first day of the term/mini session, refunds assessed for dropped or withdrawn courses will follow the THECB refund rules as explained on the [Student Financial Services Refunds webpage](#).

Students should consider the financial consequences before making schedule changes, including changes based on campus, professor, and/or date or time convenience. Students in cancelled classes who do not add another class will automatically be dropped and receive a full refund credit (100% minus non-refundable fees), which will be included in the scheduled refund process. Any credit(s) generated on a student's account may be applied to outstanding charges before a refund is issued.

Registration refund processing for a credit term begins approximately three (3) weeks after registration opens. Eligible credit amounts from registration and/or residency changes may take up to 30 days to be refunded. Financial aid refund processing begins approximately one (1) week after the primary term's census date and after course participation is certified by faculty. Refunds are generally issued in the same form as the payment received. If the original payment was a credit card, the refund will go back to that card. Financial Aid refunds and cash/check payments will be refunded electronically when authorized, otherwise a paper check will be mailed. Students who do not receive a credit card refund and/or do not authorize an electronic refund will be issued a paper check. Checks are mailed to the student's permanent address on file in Workday two (2) to five (5) days after electronic refunds are processed. For the quickest refunds, students are encouraged to sign up for e-Refunds in the Workday Student Financials Hub.

Continuing Education (CE) term refunds are calculated at 100% when the class is dropped prior to the start day/time of the class. As of the course start date/time, CE courses may not be dropped and are not eligible for any refund percentage. CE refunds are processed once a week.

Eligible credit amounts from registration changes may take up to seven (7) business days to be refunded.

Financial Aid refunds may take up to 14 business days to be refunded; however, they are normally processed the week the Financial Aid Office disburses the funds to the student's account. It is recommended that students sign up for e-Refund in the Workday Student Financials Hub as that is the quickest way to receive Financial Aid refunds.

Students may contact Student Financials staff with any questions at studentfinancials@collin.edu or 972.548.6616, Option 4.

Delinquent Accounts/Collections

Accounts not paid when due are subject to holds preventing future registration, receipt of diploma, and/or access to grades. In addition, the student's course enrollment status may be changed to drop for non-payment (DNP) or withdrawn. Students who fail to pay

any monies owed by the due date and/or fail to make acceptable payment arrangements to bring their accounts current may have their delinquent accounts referred to an outside collection agency and/or reported to the national credit bureaus. Monies owed include any unpaid amount on the student's account, including, but not limited to, assessed charges for qualified tuition and related education expenses, including resident housing and/or meal plan charges, and/or adjustments to financial aid awards and/or amounts not covered under an approved and eligible third-party sponsor agreement.

If a student's account is referred to an outside agency, a collection fee will be assessed and will be due in full at the time of the referral to the agency. Students are responsible for all late fees, assessed collection fees, attorney fees, interest, and any costs and charges necessary for the collection of any amount not paid when due. The collection fee will be calculated up to the maximum amount permitted by applicable law, but not to exceed 30% of the outstanding amount. If a lawsuit is filed to recover an outstanding balance, the student will also be responsible for any costs associated with the lawsuit. The student further understands and agrees that:

1. Collin College may apply monies due to the student to any delinquent amount due until the principal account balances, interest, and costs are paid in full;
2. Collin College may pay any balance due on the student's account from any Title IV funds awarded and disbursed to the student's account in the same academic award year, including an amount up to \$200 for educational-related expenses incurred in a prior financial aid award year;
3. Any financial obligation to Collin College constitutes an educational loan to assist in financing education and, therefore, is not dischargeable, pursuant to [United States Bankruptcy Code §523\(a\)\(8\)](#);
4. All disputes about registration or payment will be governed in accordance with the laws of the State of Texas, without regard to the principles of conflicts of laws of the State of Texas; and
5. The venue for any lawsuit regarding collection of a delinquent debt will be in Collin County, Texas.

For questions regarding past due accounts or collections, students may contact collections@collin.edu.

Family Educational Rights and Privacy Act (FERPA) and Student Payment Accounts

The [Family Educational Rights and Privacy Act \(FERPA\)](#) affords eligible students certain rights with respect to their education records, including student financial accounts. In accordance with FERPA, a student's account and payment information may only be provided to the student. However, a student may grant a family member(s) or other designated individual(s) access to view the student's account information and/or make payments by designating the family member(s) or individual(s) as an authorized user(s) in the Workday Student Financials Hub. As authorized users, individuals are provided with unique login information to access the student's account and make payments.

For more information, see the [Student Education Records](#) section in this student handbook or go to the [FERPA webpage](#).

Services Provided by the Student Financials Office

Student Financials Office staff provide support services for students' financial accounts, including payments and refunds. Questions regarding course registration should be addressed to a Student and Enrollment Services staff member or sent via email to academicadvising@collin.edu. Tuition and Fee Charges

To view a current list of Collin College's tuition and fees, go to the [Tuition and Fees webpage](#).

Nonfundable Course Tuition

Texas residents enrolled in courses not eligible for funding by the State of Texas may be charged a higher tuition rate of \$50 per semester credit hour in addition to regular

tuition. Examples of nonfundable course tuition being assessed include:

1. Courses Taken More Than One (1) Time: Collin College is generally not permitted to report for state funding those courses that a student has taken for the third time (or more). Exemptions exist for selected types of courses.
2. Courses Not Approved for Funding by the Texas Higher Education Coordinating Board (THECB): Collin College offers two (2) courses that are taught specifically to transfer into the programs of a specific university that are not approved for state funding.
3. Limitations on State Funding for Remedial and Developmental Education (DE) Courses: Collin College is limited to reporting no more than 18 semester credit hours for state funding for an individual student taking remedial and Developmental Education (DE) courses/interventions. Up to nine (9) additional semester credit hours can be reported for funding for English as a Second Language (ESL) courses/interventions, bringing the maximum allowable to 27 semester credit hours for an individual student.
4. Excess Hour Courses: Beginning in the Fall 2023 semester, Collin College will no longer be permitted to report for state funding semester credit hours in excess of specified limits unless those hours are exempted. Beginning in the Fall 2024 semester, Collin College may charge nonfundable course tuition for course credits that constitute excess hours for the student's declared degree plan.

For an undergraduate Texas resident student who was initially enrolled in higher education in the Fall 2023 semester and declares pursuit of an associate degree program, the limit on the number of semester credit hours that can be reported for state funding is the required semester credit hours for the degree plus 15.

For an undergraduate Texas resident student who was initially enrolled in higher education in the Fall 2023 semester and does not declare pursuit of a degree program, it will be assumed the student is enrolled in a

baccalaureate degree program and the limit on the number of semester credit hours that can be reported for state funding is 150.

For an undergraduate Texas resident student who was initially enrolled in higher education in the Fall 2006 or later semester and declares pursuit of a baccalaureate degree program, the limit on the number of semester credit hours that can be reported for state funding is the required semester credit hours for the degree plus 30.

For an undergraduate Texas resident student who was initially enrolled in higher education in the period from the Fall 1999 semester through the Summer 2006 semester and declares pursuit of a baccalaureate degree program, the limit on the number of semester credit hours that can be reported for state funding is the required semester credit hours for the degree plus 45.

For an undergraduate Texas resident student who was initially enrolled in higher education in the period prior to the Fall 1999 semester, there is no excess hour limit.

Numerous exemptions exist for certain types of credit hours, which can be found in the [Texas Administrative Code Section 13.104](#).

Exemptions and Waivers

Partnering with the State of Texas to ensure affordability of higher education for all students, Collin College offers numerous State and local Board-authorized tuition and/or fee exemptions and waivers for eligible students. Collin College allows the use of service animals as defined by the [Americans with Disabilities Act \(ADA\)](#), as amended, or state law. Currently, a service animal means a dog (such as a signal or guide dog), or in rare situations, another animal designated by federal law regulations, that has been individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other disability. The work or task that the service animal performs must be directly related to the individual's disability. Service animals are working animals, not pets. Animals that meet this definition are considered service animals regardless of whether they have been licensed or certified by a state or local government.

Collin College allows service animals on campus, in its facilities, or at activities and events when accompanied by a person with a disability and the service animal is trained to provide, and does provide, a specific service to that person that is directly related to the person's disability.

Service animals, however, may not be permitted if the animal poses a substantial and direct threat to health or safety or when the animal constitutes a fundamental

alteration to the nature of a Collin College program or service.

A service animal must be under the control of its handler. A service animal must have a harness, leash, or other tether, unless either the handler is unable because of a disability to use a harness, leash, or other tether, or the use of a harness, leash, or other tether would interfere with the service animal's safe, effective performance of work or tasks, in which case the service animal must be otherwise under the handler's control (e.g., voice control, signals, or other effective means). The care and supervision of the animal are the sole responsibility of the owner or handler.

Students with allergies to a service animal may request reasonable accommodations under the ADA through the Accommodations at Collin College for Equal Support Services (ACCESS) Office. For more information, see the [Accommodations at Collin College for Equal Support Services \(ACCESS\) Office](#) section in this student handbook.

The accompaniment of a person with a disability by a service animal in a location with health and safety restrictions is reviewed on a case-by-case basis by the appropriate department representative(s) in collaboration with the Human Resources Department or the ACCESS Office.

A person with a disability will be limited to one (1) service animal unless an additional animal is necessary to provide a reasonable accommodation.

Service animals in training that are accompanied by an approved trainer are allowed the same access to campus as fully trained service dogs, except, animals in training are not permitted to reside in Collin College Student Housing. A student with a service animal who intends to reside on campus with the animal must notify the Collin College Student Housing director of the need for a service animal's presence in advance of beginning residency, following procedures outlined by Collin College Student Housing employees. Such prior notification allows Collin College to make appropriate arrangements and offer assistance prior to the student's arrival on campus.

Responsibilities of Service Animal Owner or Handler

Service animal owners are financially responsible for damage or injury to others caused by their animal, including clean-up and disposal of animal waste and replacement or repair of property, and must take appropriate precautions to prevent property damage and/or injury to others while on Collin College property.

If a service animal is disruptive in the classroom, a Collin College employee may ask the owner and their animal to leave the premises immediately.

Service animals must be under the control of the owner at all times and under the following circumstances:

1. A service animal should be on a leash when not providing needed service.
2. To the extent possible, the service animal should be unobtrusive to other individuals and the learning, living, and working environment.
3. A service animal may not be left tied or tethered out of the presence of its owner.
4. Service animals are not permitted to block aisles, passageways, or fire egress.
5. To the extent possible, the owner should ensure that the animal does not sniff or lick people, dining tables, or the personal belongings of others.

The cost of care, arrangements, and well-being of a service animal are the sole responsibility of the owner, including keeping the animal free from fleas and ticks or other pests that may cause infestation.

Cleaning up after a service animal is the sole responsibility of the owner. In the event that the owner is not physically able to clean up after a service animal, the owner must delegate this responsibility to another individual who is capable of meeting this requirement at the owner's expense.

The service animal owner is responsible for complying with any relevant city, county, and/or state license and leash laws while the service animal is on Collin College premises.

Any service animal found unattended on Collin College property may be seized by authorized persons or animal control officers. Owners are responsible for any impound and/or license fees required to secure the release of their animals.

Inquiries Regarding Service Animals

Individuals who are accompanied by a service animal must not be asked to identify the nature or extent of their disability. In regard to a service animal:

1. Collin College employees will not inquire about the qualifications of a service animal when it is readily apparent that an animal is trained to do work or to perform a task for a person with a disability (e.g., the dog is observed guiding an individual who is blind or has low vision, pulling a person's wheelchair, or providing assistance with stability or balance to a person with an observable mobility disability).
2. If it is not readily apparent that an animal is performing work or a task on behalf of an individual with a disability, Collin College employees may only inquire:
 - a. Whether the animal is required because of a disability; and
 - b. What work or task the animal has been trained to perform.
3. Individuals are not required to have an accommodation letter from the ACCESS Office to use a service animal on campus.
4. Collin College employees will not require documentation of a service animal's certification, training, registration, or license as a service animal.

Animals in Collin College Student Housing

Pets are not allowed in Collin College Student Housing. Service animals and emotional support animals (ESAs), as defined below, are permitted in Collin College Student Housing. ESAs are permitted in Collin College Student Housing when the ESA is approved by the ACCESS Office and is necessary for the resident with a documented disability to have equal access to housing.

An ESA or comfort animal means an animal that provides emotional support, well-being, comfort, or companionship and that a health care provider has recommended as an accommodation for a student with a disability. The comfort provided by these animals does not constitute work or tasks, and ESAs are not service animals for purposes of this policy.

ACCESS Office Approval Required for Emotional Support Animals (ESAs)

ESAs are not permitted in Collin College Student Housing until approved by the ACCESS Office through the appropriate process.

Approved ESAs must be contained within the Collin College Student Housing unit of the owner/handler, except when transported outside the residential area in an animal carrier or controlled leash/harness.

ESAs are not permitted on any Collin College campus or in any Collin College facility other than Collin College Student Housing.

An ESA is considered an unreasonable accommodation if the ESA presents an undue financial or administrative burden on Collin College, poses a substantial and/or direct threat to personal or public safety, or constitutes a fundamental alteration of the nature of Collin College's educational programs or activities.

Requests for ESAs

Requests for an accommodation to have an ESA must be submitted with the ACCESS Office. ESAs will not be permitted in Collin College Student Housing without the written prior approval from the ACCESS Office. Collin College Student Housing will provide students with procedures for students to follow for ESAs in Student Housing.

Required Documentation for Approval

The approval process for ESAs will require, in addition to other information, submission of the following to the ACCESS Office:

1. Current and appropriate documentation from a physician or licensed mental health professional that verifies the student is a person with a disability; describes how the animal assists the individual; and shows the relationship between the individual's disability and the need for the assistance provided by the ESA.
2. Veterinary records or other evidence acceptable to the ACCESS Office verifying that the animal is in good health and is current with respect to all vaccinations, medications, or other items required

or recommended by veterinarians regarding the breed or type of animal in question.

3. ESA owners of dogs or cats must provide proof of current rabies vaccinations, and the animal must wear rabies vaccination tags.

Completion and submission of forms with accompanying records to verify current subscription for ESA and vaccination and good health of the ESA must be provided to the ACCESS Office each time a lease is renewed. No ESA will be permitted in Collin College Student Housing without annual submission of the above-described information.

Collin College reserves the right to require updated veterinary records or other evidence of the health of the animal at any time.

Procedures

Collin College Student Housing procedures, as outlined in the current *Collin College Resident Handbook* located on the [Student Housing at Collin College webpage](#), will provide all requirements and expectations, including, but not limited to, the following:

1. Students living in Collin College Student Housing are permitted only one (1) ESA at a time.
2. The approved ESA is allowed in Collin College Student Housing only as long as it is necessary for the resident's disability.
3. ESA approval is for a specific animal; therefore, a student must request approval for a replacement animal if necessary.
4. ESAs must be at least six (6) months of age.
5. Generally, dogs and cats are commonly requested as ESAs although other animals (such as fish, turtles, or small birds) may serve in this capacity. For the health and safety of residents, Collin College is not required to grant non-domesticated, wild, or unique animals (such as snakes, reptiles, barnyard animals, monkeys, spiders, insects, or other animals) as reasonable accommodations.
6. If an animal begins residence in Collin College Student Housing prior to approval of the ACCESS Office and Collin College Student Housing, Collin College may request the owner remove the animal from Collin College Student Housing within 48 hours of notification. If the animal is not removed as

requested, Collin College officials may consider the animal a trespasser and contact the appropriate City of Plano authorities to remove the animal from Collin College Student Housing. Any costs associated with removal of the animal from Collin College property are the responsibility of the animal's owner.

7. The owner of the approved ESA is responsible for ensuring all Collin College and Collin College Student Housing procedures and requirements for ESAs are followed.

Conflicting Disabilities

In circumstances where the presence of a service animal or ESA in Collin College Student Housing may substantially impair another individual's physical or mental well-being, such as, but not limited to, allergies or phobias, Collin College will consider the needs of both persons in meeting its obligations to reasonably accommodate all disabilities and to resolve the problem as efficiently and expeditiously as possible. Conflicting disabilities involving students should be referred to the ACCESS Office. Conflicts involving employees should be referred to the Human Resources Department.

Animals for Instructional Purposes

Collin College allows the use of instructional animals required for use in teaching or research. Prior to bringing an animal on campus for instructional purposes, written permission must be obtained from the appropriate academic/workforce dean and/or campus provost. The permission statement must clearly designate the date, location, and purpose for the animal's presence on campus. Each animal must be on a leash or equivalent and fully under the control of the handler. The handler will have documentation of current vaccinations for the animal. The care and supervision of the animal is the sole responsibility of the handler.

Removal of Animals from Campus

Collin College may request an owner or handler remove service animals or other animals from campus for reasons that include, but are not limited to, the following:

1. Failure to Properly Control the Animal: The owner does not or cannot take effective action to control the animal. Improper animal behaviors that should

be controlled include, but are not limited to, barking, growling, nipping, snapping, biting, lunging, or jumping at people or other animals. The owner of an animal deemed to be out of control may be prohibited from bringing the service animal onto Collin College property. ESA animals meeting these criteria may be excluded from Collin College Student Housing until the owner can demonstrate that they have taken significant steps to mitigate the behavior.

2. Non-Housebroken Animal: The animal is not housebroken (i.e., trained so that it controls its waste elimination), as determined by Collin College Student Housing employees.
3. Animal Care: It is determined by designated Collin College officials that the animal's owner has failed to properly care for the animal. An owner must ensure that the animal, and its environment, are maintained in a healthy, clean manner. Instances of suspected abuse of an animal are referred to the District Dean of Students Office, the Human Resources Department, or other appropriate authority.
4. Direct Threat: The animal is determined to be a substantial and direct threat to the health and safety of individuals. A direct threat may be based upon the poor health or hygiene of the animal, the behavior of the animal, or the presence of an animal in a sensitive area such as certain laboratories or mechanical or industrial areas.
5. Fundamental Alteration: The presence of an animal fundamentally alters a Collin College program by requiring a significant alteration to the essential nature of the services, facilities, privileges, advantages, or accommodations offered.
6. Damage or Harm: The animal causes damage or harm to persons or property.
7. Responsibilities: The owner violates any of the responsibilities outlined in this policy or applicable procedures.

Appeals and Grievances

Any individual who wishes to file a complaint for violation of this policy may file a complaint with Collin College.

For more information, see Board policies [DGBA \(LEGAL\)](#) and [DGBA \(LOCAL\)](#) (for employees), [FLD \(LEGAL\)](#) and [FLD \(LOCAL\)](#) (for students), and [GB \(LEGAL\)](#) and [GB \(LOCAL\)](#) (for community members).

Children on Campus

Board policies [GD \(LEGAL\)](#) and [GD \(LOCAL\)](#) are associated with this section.

Unattended children will not be allowed in Collin College facilities at any time. For the purpose of this policy, children are defined as minors who are not currently enrolled in Collin College classes, meeting with Collin College personnel, or participating in approved programs with Collin College.

Students may not bring children to orientations, classes, labs, Testing Centers, or other academic programs. The parent or guardian who violates this policy will be interrupted from their campus activity and be required to supervise the child or make other suitable arrangements.

Collin College employees are prohibited from bringing children to work other than for approved programs with Collin College.

The Collin College Police Department will be notified of unattended children.

Collin College Police Department

Safety and security are concerns for all members of the Collin College community, including students, employees, and visitors. The Collin College Police Department, also known as Campus Police, is staffed with State of Texas licensed law enforcement officers who are trained to protect life as well as Collin College and personal property. Collin College Police officers have county-wide jurisdiction, which gives them authority to apprehend and arrest anyone involved in illegal acts throughout Collin County. All applicable municipal, local, state, and federal laws as well as the [Student Code of Conduct](#), Board policies, and Collin College procedures, including motor vehicle laws, will be enforced on all Collin College campuses.

For more information on policies and procedures, go to the [Collin College Police Department webpage](#).

Reporting a Crime or Emergency

Collin College Police officers patrol all campuses and centers 24 hours a day, seven (7) days a week.

The Collin College Police Department encourages anyone who is the victim of or a witness to any crime or public safety-related incident to promptly and accurately report the incident to the Collin College Police Department and/or appropriate local law enforcement agencies when the victim of a crime elects to, or is unable to, make such a report. Making a police report does not obligate the victim to file criminal charges, but it does create a record of the incident. The police report will include the victim's name, respondent's name, witnesses' names, and details of the incident. Police reports are public records under state law; however, voluntary confidential reports for purposes of inclusion in the annual disclosure of crime statistics can be made to the Collin College chief of police or designee. For more information, see the [Voluntary Confidential Reporting](#) section in this student handbook.

Collin College Police Department officers are available 24 hours a day, 365 days a year to answer calls. If assistance is required from another police department, Collin College Police Department officers will contact the appropriate agency. If a sexual assault should occur, responding officers will inform the victim of the support services available.

If the incident occurred on a Collin College campus or center, contact the Collin College Police Department Communications Center 24 hours a day by:

1. Dialing extension **5555** from any Collin College system phone,
2. Dialing **972.578.5555** from any phone outside the Collin College system, or
3. Pressing the "Emergency" button located on any Collin College system phone.

Any individual who prefers to report a crime or an emergency that occurred on a Collin College campus or center in person may do so at any of the following Collin College Police Department office locations:

1. Celina Campus: Room 129
2. Collin Higher Education Center: Room 134
3. Courtyard Center: Room 324
4. Farmersville Campus: Room 103

5. Frisco Campus: Room LH179
6. McKinney Campus: Room C121
7. Plano Campus: Suite D114
8. Technical Campus: Room C010
9. Wylie Campus: Room CC139

In a medical emergency, dial **911** and then contact the Collin College Police Department Communications Center through one (1) of the methods listed above.

If an incident occurred off campus, the victim or witness should dial **911** and/or contact the appropriate law enforcement agency in the jurisdiction in which the incident occurred when the victim of a crime elects to, or is unable to, make such a report. If a victim requests assistance, a Collin College official will help the victim with this process.

If a fire occurs in a Collin College building, the individual who discovers it should immediately notify the Collin College Police Department at **972.578.5555** or dial **911**. The Collin College Police Department will initiate a response and can summon the local fire department quickly through their communication links, if necessary. If a member of the Collin College community finds evidence of a fire that has been extinguished and is unsure whether the Collin College Police Department has already responded, they should immediately notify the Collin College Police Department so an officer can investigate and document the incident.

Voluntary Confidential Reporting

Collin College recognizes incidents of crime can be difficult to discuss, and victims and witnesses may want confidentiality in addition to support. Victims and witnesses of a crime who do not want to pursue action within the Collin College system or the criminal justice system may still want to consider making a voluntary confidential report. The Collin College Police Department can file a report on the details of the incident without revealing the victim's or witness's identity.

The purpose of a voluntary confidential report is to comply with the victim's or witness's wish to keep the matter confidential while taking steps to ensure the future safety of the victim, witness, and others. With such information, Collin College can keep an accurate record of the number of incidents involving students, employees, and visitors; determine where there is a pattern of crime regarding a

particular location, method, or assailant; and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in Collin College's annual [Clery Act](#) crime statistics.

To submit a voluntary confidential report, victims and witnesses can contact the Collin College Police Department Communications Center 24 hours a day by:

1. Dialing extension **5555** from any Collin College system phone,
2. Dialing **972.578.5555** from any phone outside the Collin College system, or
3. Pressing the "Emergency" button located on any Collin College system phone.

The victim or witness must inform the dispatcher they would like their name and any identifying information to remain confidential at the start of the report. The victim or witness should provide as much detail as possible, and the dispatcher will take the report without including the victim's or witness's name or identifying information.

If the victim or witness would prefer to submit a voluntary confidential report in person, they may do so at any of the following Collin College Police Department office locations:

1. Celina Campus: Room 129
2. Collin Higher Education Center: Room 134
3. Courtyard Center: Room 324
4. Farmersville Campus: Room 103
5. Frisco Campus: Room LH179
6. McKinney Campus: Room C121
7. Plano Campus: Suite D114
8. Technical Campus: Room C010
9. Wylie Campus: Room CC139

When submitting a voluntary confidential report in person, the victim or witness must inform the Collin College Police Department officer they would like their name and any identifying information to remain confidential at the start of the report. The victim or witness should provide as much detail as possible, and the Collin College Police Department officer will take the report without including the victim's or witness's name or identifying information.

In addition, victims and witnesses have the right not to report a crime if they so choose.

Anonymous Reports of Dating Violence, Sexual Assault, Sexual Harassment, and Stalking

In accordance with the [Texas Education Code Section 51.252](#) and [Section 51.283](#), victims can report dating violence, sexual assault, sexual harassment, and stalking anonymously or using a pseudonym. However, the submission of an anonymous report or use of a pseudonym may impair Collin College's ability to investigate and address the prohibited conduct. In addition, to initiate the Title IX complaint resolution process, complainants cannot remain anonymous.

To report dating violence, sexual assault, sexual harassment, or stalking anonymously or using a pseudonym, victims can submit the [Title IX Formal Complaint Form](#) or contact the Collin College Police Department Communications Center 24 hours a day by:

1. Dialing extension **5555** from any Collin College system phone,
2. Dialing **972.578.5555** from any phone outside the Collin College system, or
3. Pressing the "Emergency" button located on any Collin College system phone.

The victim should inform the dispatcher they would like to remain anonymous or use a pseudonym at the start of the report. The victim should provide as much detail as possible, and the dispatcher will take the report using a pseudonym in place of the victim's name.

To submit an in-person report of dating violence, sexual assault, sexual harassment, or stalking anonymously or using a pseudonym, victims can go to any of the following Collin College Police Department office locations:

1. Celina Campus: Room 129
2. Collin Higher Education Center: Room 134
3. Courtyard Center: Room 324
4. Farmersville Campus: Room 103
5. Frisco Campus: Room LH179
6. McKinney Campus: Room C121
7. Plano Campus: Suite D114
8. Technical Campus: Room C010
9. Wylie Campus: Room CC139

When submitting an anonymous report of dating violence, sexual assault, sexual harassment, or stalking in person, the

victim should inform the Collin College Police Department officer they would like to remain anonymous or use a pseudonym at the start of the report. The victim should provide as much detail as possible, and the Collin College Police Department officer will take the report using a pseudonym in place of the victim's name.

If a victim of dating violence, sexual assault, sexual harassment, or stalking files a report and later determines they would like to remain anonymous or use a pseudonym, the Collin College Police Department can assign a pseudonym to the victim. The victim must inform the Collin College Police Department officer assigned to investigate the case over the phone or in writing that they would like a pseudonym assigned to them. The pseudonym will be used in place of the victim's name to identify them on any further documentation that could become public information.

Reporting a Non-Emergency Complaint or Concern

Any individual who needs to report a non-emergency complaint or concern to the Collin College Police Department can send an email to ccpdcomplaint@collin.edu.

Building Access Policy

All Collin College campuses and centers are part of the cities in which they are located, and, as such, are open to students, faculty, staff, and the public. Any changes to normal building hours will be noted by signs posted on the doors at each building's entrances and exits. Emergencies may necessitate changes or alterations to posted schedules. In an emergency, the Collin College community will be notified of the changes to building hours via Collin College's CougarAlert emergency notification system. See the [CougarAlert](#) section in this student handbook for additional information.

In accordance with Board policy, unattended children are not allowed in Collin College facilities at any time. The Collin College Police Department will be notified of unattended children. For more information, see the [Children on Campus](#) section in this student handbook.

Searches

Board policies [FLC \(LEGAL\)](#) and [FLC \(LOCAL\)](#) are associated with this section.

Searches in General

Collin College officials may conduct searches of students, their belongings, and their vehicles in accordance with state and federal law and Collin College policy. Searches of students will be conducted in a reasonable and non-discriminatory manner.

Collin College officials may initiate a search in accordance with law, including, for example, based on reasonable suspicion, voluntary consent, or pursuant to Collin College policy providing for suspicionless security procedures, including the use of metal detectors.

In accordance with Collin College policies and procedures, students are responsible for prohibited items found in their possession, including items in their personal belongings or in vehicles parked on Collin College property. For more information, see Board policy [FLB \(LOCAL\)](#).

Reasonable Suspicion Searches

Searches should be reasonable at their inception and in scope. If there is reasonable suspicion to believe that searching a student's person, belongings, or vehicle will reveal evidence of a violation of Collin College policy and procedures, a Collin College official may conduct a search in accordance with the law and Collin College regulations.

Suspicionless Searches

For purposes of this policy, a suspicionless search is a search carried out based on lawful security procedures, such as metal detector searches or random drug testing.

Use of Trained Dogs

Collin College reserves the right to use trained dogs to conduct screening for concealed prohibited items. Such procedures will be unannounced. The dogs will not be used with students; however, students may be asked to leave

personal belongings in an area that will be screened. If a dog alerts to an item or area, it may be searched by Collin College officials.

Collin College Property

Collin College-provided technology, storage, and similar items are the property of Collin College and are provided for student use as a matter of convenience. Collin College property is subject to search or inspection at any time without notice. Students have no expectation of privacy in their use of Collin College property. Students will be fully responsible for the security and contents of Collin College property assigned to them. A student will be held responsible for any prohibited item found in Collin College property provided to the student.

Residence Hall Rooms

Searches of student residence hall rooms will be conducted in accordance with administrative procedures established by the College District President or designee. The procedures will describe the situations for which a search may be conducted and distinguish searches by Collin College officials from law enforcement searches.

Searches Conducted by Law Enforcement

Searches and interrogations will be conducted by Collin College Police Department officers consistent with law and Collin College Police Department procedures.

Vehicle Use and Operation

Bicycles and properly state-registered and state-inspected motor vehicles are allowed on designated streets, roadways, and surface parking areas. Only motor vehicles are allowed in parking garages. Pedestrians have the right of way on Collin College sidewalks.

Weapons on Campus

Collin College prohibits the possession of any prohibited weapon, as defined by Board policies CHF (LOCAL), DH (LOCAL), and FLB (LOCAL) on all Collin College property at all times, except by peace officers licensed by a state of the United States or a federal agency.

No violation of this policy occurs when the use, possession, or display of an otherwise prohibited weapon takes place as part of a Collin College-approved activity supervised by proper authorities.

For more information, see [Chapter 11: Weapons on Campus](#) in the [Student Code of Conduct](#) as well as Board policies [CHF \(LEGAL\)](#), [CHF \(LOCAL\)](#), [DH \(LOCAL\)](#), and [FLB \(LOCAL\)](#).

Collin College School Marshals

Collin College has school marshals. These employees are trained and licensed by the Texas Commission on Law Enforcement (TCOLE) as school marshals, and they are armed. School marshals may use any force necessary to protect Collin College students, employees, and community members on campus.

CougarAlert

CougarAlert is the official emergency notification system for Collin College, providing critical information via text message, phone message, and/or email. CougarAlert may be triggered when a situation places Collin College community members at risk and may provide information for evacuation, inclement weather, power outages, unscheduled closures, etc., but not for promotional purposes. Collin College-issued email addresses and home phone numbers are automatically loaded into CougarAlert, but students can and should add text and additional email contacts and update existing contacts, as needed. Standard text messaging fees from service providers may apply. During emergencies, go to the [Collin College website](#) for details. If a closure notice is not posted on the website, Collin College is open.

For more information and instructions on how to update or add email, phone, and text contacts, go to the [CougarAlert webpage](#).

Off-Campus Collin College-Sponsored Activities

If an emergency arises, dial **911** and then immediately notify a Collin College faculty or staff member. The faculty or staff member will notify the appropriate Collin College administrator(s).

College-Wide Security and Safety Alerts

In the event a crime occurs within Collin College's [Clery Act](#) geography that does not meet the requirements for a timely warning notice, as described in the [Timely Warning Notices](#) section of this student handbook, and, in the judgment of the Collin College Police Department, constitutes a serious or continuing threat to members of the Collin College community, a college-wide security and safety alert will be issued. The purpose of a college-wide security and safety alert is to notify the Collin College community of the crime and provide information that may enable Collin College students, faculty, and staff to better protect themselves.

When issuing a college-wide security and safety alert, some specific information may be withheld if there is a possible risk of compromising law enforcement efforts to investigate and/or solve the crime. In addition, when issuing a college-wide security and safety alert, Collin College will not include personally identifying information about victims, including, but not limited to, victims' names, which will be kept confidential.

College-wide security and safety alerts will always be distributed through CougarAlert and posted on the [Collin College Police Department webpage](#). Official updates to and discontinuance of college-wide security and safety alerts will always be sent through CougarAlert and posted on the [Collin College Police Department webpage](#). For more information on CougarAlert, see the [CougarAlert](#) section in this student handbook.

Criminal Activity

If a student, faculty, or staff member is the victim of, or a witness to, criminal activity, they should call the Collin College Police Department at **972.578.5555** or extension **5555** from any campus phone. Be sure to provide the dispatcher with your name, the location of the incident, the type of criminal activity, and a phone number where you can be contacted for additional information. If instructed by the Collin College Police Department, dial **911** and report the criminal activity to emergency services. Do not attempt to interfere with the activity, except in the case of self-defense or self-preservation.

Emergency Closing of Collin College

If classes are canceled, the announcement will be made through CougarAlert, the [Collin College website](#), and the local radio and television listed below.

A decision to cancel classes will usually be made by 6:00 a.m. for day classes and 4:00 p.m. for evening classes. If a closure notice is not posted on the website, Collin College is open.

Emergency Drills

Collin College will conduct emergency drills (e.g., evacuation, fire, severe weather) periodically throughout the academic year at each campus and center. All students, faculty, and staff are expected to participate in emergency drills and follow instructions given to them by Collin College officials. Students, faculty, and staff should wait for Collin College officials to notify them when emergency drills are complete and they are able to return to normal activities.

If there are any questions or concerns regarding emergency drills, contact the Office of Emergency Management at 972.881.5617 or emergencymanagement@collin.edu.

Emergency Notifications

Collin College is committed to ensuring its community receives timely, accurate, and useful information in the event of a significant emergency or dangerous situation occurring on campus or in the local area that poses an immediate threat to the health and safety of Collin College students, faculty, and staff. Collin College will immediately notify the campus community upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students, faculty, and/or staff occurring on campus. An "immediate threat" includes an imminent or impending threat, significant emergency, or dangerous situation (e.g., approaching tornado or other extreme weather condition, armed intruder, bomb threat, chemical or hazardous waste spill, explosion, fire, gas leak, outbreak of a serious illness).

CougarAlert is Collin College's official emergency notification system, providing critical information to the entire Collin College community via text message, phone message, and/or email. For more information, see the [CougarAlert](#) section in this student handbook.

Emergency notification messages may direct individuals to evacuate, shelter in place, stay away from a certain area, or

contain other information pertinent to the situation. Collin College may also send follow-up messages to update the community, change the actions individuals should take, or provide other pertinent information as the significant emergency or dangerous situation unfolds. In all cases, Collin College will provide an “all clear” or “end of incident” message when there is no longer a danger to the Collin College community.

Evacuation

When indoor alarms sound or strobe lights flash to signal there is danger inside or near a building, such as a fire, leave the building immediately using the nearest marked exit, unless otherwise instructed. Go outside the building and assist those who are disabled. Take all valuables (e.g., backpack, cellphone, purse) with you. Assemble outside as directed by Collin College officials and stay at least 300 feet away from the building. Notify the Collin College Police Department or emergency crews if you suspect someone is still in the building. Wait for Collin College officials to notify you when it is safe to return to normal activities.

Techniques for evacuating persons with disabilities vary depending on the nature of each individual’s disability. In general:

1. Always ask before giving emergency evacuation assistance. Be sure to inquire how it is best for the individual to be assisted or moved, and if there are any special considerations, personal items, or equipment that need to be taken.
2. Do not use elevators unless authorized by Fire Department personnel.
3. Professors should have a current class roster and a working cell phone with emergency numbers available.

Persons with mobility impairments have varying degrees of limitations. Some may be ambulatory while others may not. Some individuals who customarily use a wheelchair or scooter for long distance travel may be able to walk independently in an emergency.

1. Encourage anyone with mobility impairments who is ambulatory to exit the building on their own, where possible. Designate someone to walk beside the individual to help as needed. It is advisable that

individuals wait until the heavy traffic has cleared before attempting to evacuate. It also may be necessary to help clear their exit route of obstructions and/or debris.

2. Direct anyone who cannot evacuate to an emergency rescue area or area of refuge and instruct them to remain there until emergency rescue personnel arrive. Alert emergency personnel of the individual’s location and need for evacuation. The areas of refuge are identified on the emergency maps.
3. Do not attempt a rescue evacuation unless you have rescue training or the person is in immediate danger and cannot wait for professional assistance.

Persons who are blind or have low vision should already be familiar with their surroundings after mobility and orientation training. They may not, however, be aware of emergency exits.

1. Alert individuals who are blind or have low vision to the nature of the situation. Offer assistance and guide the individual to the nearest emergency exit and away from the building to safety.
2. Be aware that, depending upon the nature of the emergency, there may be a lot of commotion and noise. Persons who are blind may not be able to orient themselves as well as in calmer times. Your assistance is critical to their safety.
3. Use what is known as the “sighted guide technique” by offering a person who is blind or has low vision your elbow. The person holds on to your elbow, and you proceed ahead.
4. As you walk, alert the individual to where they are, and inform them of any obstacles, debris, doorways, or narrow passages.
5. Once you are safe, orient the individual to their surroundings and determine if further assistance is needed.

Persons who are Deaf or hard of hearing may not hear alarms or other audible warnings. You should inform such individuals of an emergency. There are three (3) ways to get these individuals’ attention:

1. Write a note for the person alerting them to the emergency and instructing them where to go.

2. Turn the light switch off and on to gain their attention.
3. Tap their shoulder.

Lockdown

If there is an intruder with a weapon or the threat of another type of violence on campus, students, faculty, and staff should take appropriate actions depending on their personal situation and location. Appropriate actions include:

1. **Avoid:** Go to a safer location if that is an option. See the [Evacuation](#) section in this student handbook for information on how to assist those who may need additional access.
2. **Deny:** Get out of sight, remain quiet, and lock or barricade doors when possible.
3. **Defend:** If confronted with violence, collaborate with others to distract the intruder, and get away or defend yourselves.

Warn others and call **972.578.5555** or extension **5555** from any campus phone if you have information for the Collin College Police Department. Wait for Collin College officials to notify you when it is safe to return to normal activities.

Medical Emergencies

Dial **911** for medical emergencies, and then call the Collin College Police Department at **972.578.5555** or extension **5555** from any campus phone. Give the dispatcher your name, the location of the emergency, and the type of emergency. If a medical emergency occurs in one (1) of the Fitness Centers, also notify the Fitness Center staff member on duty.

Automated external defibrillators (AEDs), Stop-the-Bleed kits, and first aid kits can be found in various locations on each campus and center. While on campus, students, faculty, and staff should make themselves aware of these locations.

Seek Shelter

When outdoor warning sirens sound to signal there is severe weather or an environmental danger outside, find a safe place in a building. Go inside the nearest building to bathrooms or interior halls on the lowest level, away from glass doors and windows. Monitor one (1) or more media sources. Wait for Collin College officials to notify you when

it is safe to return to normal activities.

Shelters can be found in various locations on each campus and center. While on campus, students, faculty, and staff should make themselves aware of these locations. See the [Evacuation](#) section in this student handbook for information on how to assist those who may need additional access.

Threats

If any Collin College student, faculty, or staff member receives a threatening phone call, they should remain calm and obtain as much information as possible from the caller. Ask the caller questions such as the location where the incident will occur, the type of threat, and the time the incident will occur. Call the Collin College Police Department at **972.578.5555** or extension **5555** from any campus phone. Be sure to provide the dispatcher with your name, the location of the incident, the type of threat, and a phone number where you can be contacted for additional information.

Timely Warning Notices

In the event a [Clery Act](#) crime occurs within Collin College's Clery Act geography that, in the judgment of the Collin College Police Department, constitutes a serious or continuing threat to members of the Collin College community, a timely warning notice will be issued. The purpose of a timely warning notice is to notify the Collin College community of the Clery Act crime and provide information that may enable Collin College students, faculty, and staff to better protect themselves.

When issuing a timely warning notice, some specific information may be withheld if there is a possible risk of compromising law enforcement efforts to investigate and/or solve the crime. In addition, when issuing a timely warning notice, Collin College will not include personally identifying information about victims, including, but not limited to, victims' names, which will be kept confidential.

Timely warning notices will always be sent through CougarAlert and posted on the [Collin College Police Department webpage](#). Official updates to and discontinuance of timely warning notices will always be sent through CougarAlert and posted on the [Collin College Police Department webpage](#). For more information on

CougarAlert, see the [CougarAlert](#) section in this student handbook.

Section 9: Student Code of Conduct

Chapter 1: Definitions, Application, and Expectations

Definitions

For the purposes of the *Student Code of Conduct*:

1. A “student” is defined as an individual who is currently enrolled or in attendance at Collin College in credit classes, Continuing Education (CE) classes, developmental education (DE) classes, Dual Credit classes, or non-credit classes, including, but not limited to, face-to-face courses, hybrid courses, blended courses, web synchronous courses, and web courses.
2. A “program applicant” is defined as an individual who is in the process of admitting/enrolling or re-admitting/re-enrolling to Collin College and/or a specific Collin College program.
3. “College District business days” exclude weekends (i.e., Saturdays and Sundays), national holidays recognized by Collin College, and College District closures.

Definitions of other terms used in the *Student Code of Conduct* are located in the applicable sections.

Application of the *Student Code of Conduct*

The *Student Code of Conduct* applies to a person who was a student at the time they allegedly violated the *Student Code of Conduct*; Board policies; municipal, county, state, or federal laws; and/or Collin College procedures.

The *Student Code of Conduct* applies while on Collin College property, using Collin College facilities, and/or attending Collin College-sponsored activities on or off campus. Collin College will follow the student disciplinary process even if a student withdraws, graduates, or transfers while disciplinary action is pending.

In addition, program applicants may be subject to the provisions outlined in this *Student Code of Conduct* and/or referred to the Collin College Police Department, depending on the nature and circumstances of the alleged misconduct.

Student Expectations

Board policy [FLB \(LOCAL\)](#) is associated with this section.

Students are expected to comply with the *Student Code of Conduct*, Board policies, laws, and Collin College procedures. Collin College students are both citizens and members of the academic community. As citizens and students, they enjoy the same freedom of speech, peaceful assembly, and right of petition that other citizens enjoy. As members of the academic community, they are subject to the obligations that are theirs by virtue of this membership.

Collin College expects its students to conduct themselves in a manner that reflects credit upon the institution they represent. There are two (2) basic standards of behavior required of all students:

1. They will adhere to Collin College policies and municipal, county, state, and federal laws; and
2. They will not interfere with or disrupt the orderly educational processes of Collin College.

Students are entitled to only those immunities or privileges by law as enjoyed by other citizens. Collin College may initiate the student disciplinary process for an alleged violation of the *Student Code of Conduct*, Board policies, laws, and/or Collin College procedures regardless of the student’s current status with a municipal, county, state, and/or federal authority for the same act.

In the event any provision of this *Student Code of Conduct* conflicts with the laws of the State of Texas or the United States of America, the state or federal law will prevail.

Chapter 2: Alcohol, Drugs, Smoking, Tobacco, and Electronic Smoking Devices Prohibited

Board policies [FLBE \(LEGAL\)](#), [FLBE \(LOCAL\)](#), and [FLBE \(EXHIBIT\)](#) are associated with this chapter.

State law will be strictly enforced at all times on all property owned and controlled by Collin College in regard to the possession and consumption of alcoholic beverages.

When on Collin College property or while attending Collin College-sponsored activities on or off campus, a student will not, or attempt to, possess, have under his or her control, manufacture, deliver, distribute, sell, purchase, use, or be under the influence of:

1. Alcohol;
2. Any controlled substance as defined by the [Texas Controlled Substances Act](#);
3. Abusable volatile chemicals in violation of the manufacturer's directions;
4. A dangerous drug, as defined by state or federal law;

Smoking, Tobacco, and Electronic Smoking Devices

Collin College is a smoke- and tobacco-free institution. The use of any tobacco product or other electronic smoking device (including, but not limited to, electronic cigarettes or personal vaporizers) will be strictly prohibited anywhere on Collin College property or in Collin College facilities.

Electronic smoking devices, also known as electronic cigarettes or personal vaporizers, are products often shaped like cigarettes, cigars, or pipes that are designed to deliver nicotine or other substances to the user in the form of vapor. Electronic smoking devices typically contain battery-powered heating elements, replaceable cartridges containing nicotine or other chemicals, and an atomizer that converts the contents of the cartridge into vapor the user inhales.

A student who violates this policy may be issued a citation by the College District Police Department and may face legal fines. Violators of this policy are also subject to disciplinary action as defined in [Chapter 16: Student Disciplinary Procedures for Non-Scholastic Dishonesty Offenses](#) in this *Student Code of Conduct*.

Violation

Students who violate this policy will be subject to appropriate disciplinary action, as defined in [Chapter 16: Student Disciplinary Procedures for Non-Scholastic Dishonesty Offenses](#) in this *Student Code of Conduct*. Disciplinary action may include referral to drug and alcohol counseling or rehabilitation programs or student assistance programs, suspension, recommendation for expulsion, and referral to appropriate law enforcement officials for prosecution.

Notice

Each student taking one (1) or more classes for any type of academic credit, except for Continuing Education (CE) units,

will be given a copy of Collin College's policy prohibiting the unlawful possession, use, or distribution of illicit drugs and alcohol; a description of the applicable legal sanctions under local, state, or federal law; and a description of the health risks associated with the use of illicit drugs and the abuse of alcohol.

Chapter 3: Discrimination, Harassment, and Retaliation Prohibited

Board policies [FFDB \(LEGAL\)](#) and [FFDB \(LOCAL\)](#) are associated with this chapter.

This policy addresses complaints of discrimination, harassment, and retaliation based on race, color, national origin, religion, age, or disability targeting students. For legally referenced material relating to this subject matter, see Board policy [FA \(LEGAL\)](#).

For discrimination, harassment, and retaliation targeting employees based on race, color, national origin, religion, age, or disability, see Board policies [DIAB \(LEGAL\)](#) and [DIAB \(LOCAL\)](#).

Allegations of discrimination, harassment, and retaliation based on race, color, national origin, religion, age, or disability against a Collin College student or program applicant will be handled by the District Dean of Students Office, which may utilize the student disciplinary process. For more information, see [Chapter 16: Student Disciplinary Procedures for Non-Scholastic Dishonesty Offenses](#) in this *Student Code of Conduct*, as well as Board policies [FM \(LOCAL\)](#) and [FMA \(LOCAL\)](#).

Statement of Non-Discrimination

Collin College prohibits discrimination, including harassment, against any student on the basis of race, color, national origin, disability, religion, age, or any other basis prohibited by law. Retaliation against anyone involved in the complaint process is a violation of Collin College policy and is prohibited.

Discrimination

Discrimination against a student is defined as conduct directed at a student on the basis of race, color, national origin, disability, religion, age, or on any other basis prohibited by law that adversely affects the student.

Discrimination based on race, color, or national origin includes discrimination, including harassment, based on an individual's actual or perceived:

1. Shared ancestry or ethnic characteristics; or
2. Citizenship or residency in a country with a dominant religion or distinct religious identity.

This prohibition encompasses, but is not limited to, antisemitism and discrimination based on religion, including, but not limited to, discrimination against students of any faith, or of other religions when based on shared ancestry, ethnic characteristics, or citizenship or residency in a country with a dominant religion or distinct religious identity.

The term includes rhetorical and physical acts of antisemitism directed toward Jewish or non-Jewish individuals or their property or toward Jewish community institutions and religious facilities." This definition is provided in Board policy [FFDB \(LOCAL\)](#) in accordance with [Executive Order GA-44 \(2024\)](#).

Prohibited Harassment

Prohibited harassment of a student is defined as physical, verbal, or non-verbal conduct based on the student's race, color, religion, national origin, disability, age, or any other basis prohibited by law that is so severe, persistent, or pervasive that the conduct limits or denies a student's ability to participate in or benefit from Collin College's educational program.

Examples

Examples of prohibited harassment may include offensive or derogatory language directed at another person's religious beliefs or practices, accent, skin color, religious attire, or need for accommodation; threatening, intimidating, or humiliating conduct; offensive jokes, name-calling, ethnic, racial, or ancestral slurs, or rumors; physical aggression or assault; display of graffiti, symbols, or printed material promoting racial, ethnic, or other negative stereotypes; or other kinds of aggressive conduct such as theft or damage to property.

Retaliation

Collin College prohibits retaliation by a student or Collin College employee against a student alleged to have experienced discrimination or harassment or another student who, in good faith, makes a report of harassment or discrimination, serves as a witness, or otherwise participates in an investigation.

Examples

Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

False Claims

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a Collin College investigation regarding discrimination or harassment will be subject to appropriate disciplinary action.

Prohibited Conduct

In this policy, the term "prohibited conduct" includes discrimination, harassment, and retaliation as defined by this policy, even if the behavior does not rise to the level of unlawful conduct.

Reporting Procedures

Student Report

Any student who believes that he or she has experienced prohibited conduct or believes that another student has experienced prohibited conduct should immediately report the alleged acts to a responsible employee. For more information, see the [Responsible Employee](#) subsection in this document.

Employee Report

Any Collin College employee who suspects and any responsible employee who receives notice that a student or group of students has or may have experienced prohibited conduct will immediately notify the appropriate Collin College official listed in this policy and will take any other steps required by this policy.

Exceptions

A person who holds a professional license requiring confidentiality, such as a counselor, or who is supervised by

such a person will not be required to disclose a report of prohibited conduct without the student's consent.

A person who is a non-professional counselor or advocate designated in administrative procedures as a confidential source will not be required to disclose information regarding an incident of prohibited conduct that constitutes personally identifiable information about a student or other information that would indicate the student's identity without the student's consent, unless the person is disclosing information as required for inclusion in Collin College's *Annual Security and Fire Safety Report (ASFSR)* under the [Clery Act](#). For more information, see Board policy [GCC \(LEGAL\)](#).

Responsible Employee

For purposes of this policy, a "responsible employee" is an employee:

1. Who has the authority to remedy prohibited conduct.
2. Who has been given the duty of reporting incidents of prohibited conduct.
3. Whom a student reasonably believes has the authority to remedy prohibited conduct or has been given the duty of reporting incidents of prohibited conduct.

Definition of Collin College Officials

For the purposes of this policy, Collin College officials are the ADA/Section 504 coordinators, Title IX coordinators, deputy Title IX coordinators, designated leadership team members, and the College District President.

ADA/Section 504 Coordinators

Reports of discrimination based on disability may be directed to the appropriate ADA/Section 504 coordinator. Collin College designates the following persons to coordinate its efforts to comply with [Title II](#) of the [Americans with Disabilities Act of 1990 \(ADA\)](#), as amended, which incorporates and expands the requirements of [Section 504](#) of the [Rehabilitation Act of 1973](#), as amended:

The College District President or a designee will serve as coordinator for purposes of Collin College compliance with all other anti-discrimination laws, including [Title VI](#).

Alternative Reporting Procedures

A student will not be required to report prohibited conduct to the person alleged to have committed the conduct. Reports concerning prohibited conduct, including reports against the ADA/Section 504 coordinators, may be directed to the College District President.

A report against the College District President may be made directly to the Board of Trustees (Board). If a report is made directly to the Board, the Board will appoint an appropriate person to conduct an investigation.

Timely Reporting

Reports of prohibited conduct will be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to immediately report may impair Collin College's ability to investigate and address the prohibited conduct.

To file a report of prohibited conduct with the District Dean of Students Office, submit the [Student Incident Report](#) form, call 972.881.5604, or email dos@collin.edu.

Students who need to report a crime can contact the Collin College Police Department at 972.578.5555. If a student requests assistance with reporting to law enforcement, a Collin College official will help the student with that process. Students have the right not to report a crime or to decline to notify authorities, including law enforcement, if they so choose.

Investigation of the Report

Collin College may request, but will not require, a written report. If a report is made orally, the Collin College official will reduce the report to written form.

Initial Assessment

Upon receipt or notice of a report, the Collin College official will determine whether the allegations, if proven, would constitute prohibited conduct as defined by this policy. If so, the Collin College official will immediately authorize or undertake an investigation, except as provided in the [Criminal Investigation](#) subsection in this document.

If the Collin College official determines that the allegations, if proven, would not constitute prohibited conduct as defined by this policy but may constitute a violation of other Collin College rules or regulations, the Collin College official will refer the complaint for consideration under the appropriate policy.

Interim Action

If appropriate and regardless of whether a criminal or regulatory investigation regarding the alleged conduct is pending, Collin College will promptly take interim action calculated to address prohibited conduct prior to the completion of Collin College's investigation.

Collin College Investigation

The investigation may be conducted by the Collin College official or a designee or by a third party designated by Collin College, such as an attorney. The investigator will have received appropriate training regarding the issues related to the complaint and the relevant Collin College policy and procedures.

The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations.

The investigation may also include analysis of other information or documents related to the allegations.

Criminal Investigation

If a law enforcement or regulatory agency notifies Collin College that a criminal or regulatory investigation has been initiated, Collin College will confer with the agency to determine if Collin College's investigation would impede the criminal or regulatory investigation. Collin College will proceed with its investigation only to the extent that it does not impede the ongoing criminal or regulatory investigation. After the law enforcement or regulatory agency has completed gathering its evidence, Collin College will promptly resume its investigation.

Concluding the Investigation

Absent extenuating circumstances, such as a request by a law enforcement or regulatory agency for Collin College to delay its investigation, the investigation should be completed within 60 College District business days from the date of the report; however, the investigator will take additional time if necessary to complete a thorough investigation.

The investigator will prepare a written report of the investigation. The report will be filed with the Collin College official overseeing the investigation.

Notification of the Outcome

Collin College will provide written notice of the outcome, within the extent permitted by the [Family Educational Rights and Privacy Act \(FERPA\)](#) or other law, to the victim and the person against whom the complaint is filed.

Collin College Action

Prohibited Conduct

If the results of an investigation indicate that prohibited conduct occurred, Collin College will promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the conduct, in accordance with Collin College policy and procedures. For more information, see [Chapter 16: Student Disciplinary Procedures for Non-Scholastic Dishonesty Offenses](#) in this *Student Code of Conduct*, as well as Board policies [FM \(LOCAL\)](#) and [FMA \(LOCAL\)](#).

Corrective Action

Examples of corrective action may include a training program for those involved in the complaint, a comprehensive education program for the Collin College community, counseling for the victim and the student who engaged in prohibited conduct, follow-up inquiries to determine if any new incidents or any instances of retaliation have occurred, involving students in efforts to identify problems and improve the Collin College climate, increasing staff monitoring of areas where prohibited conduct has occurred, and reaffirming Collin College's policy against discrimination and harassment.

Improper Conduct

If the investigation reveals improper conduct that did not rise to the level of prohibited conduct, Collin College may take disciplinary action in accordance with Collin College policy and procedures or other corrective action reasonably calculated to address the conduct. For more information, see [Chapter 16: Student Disciplinary Procedures for Non-Scholastic Dishonesty Offenses](#) in this *Student Code of Conduct*, as well as Board policies [FM \(LOCAL\)](#) and [FMA \(LOCAL\)](#).

Confidentiality

To the greatest extent possible, Collin College will respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

Appeal

A party who is dissatisfied with the outcome of the investigation may appeal through the applicable grievance policy beginning at the appropriate level. For more information, see [Chapter 16: Student Disciplinary Procedures for Non-Scholastic Dishonesty Offenses, Appealing the District Dean of Students or Designee's Administrative Decision](#) in this *Student Code of Conduct* as well as Board policies [DGBA \(LOCAL\)](#) for employees, [FLD \(LOCAL\)](#) for students, and [GB \(LOCAL\)](#) for community members.

Hazing is a criminal violation under Texas state law, and is prohibited at Collin College, on Collin College property, or while attending Collin College-sponsored activities on or off campus.

Stop Campus Hazing Act Provisions

Nothing in the [Stop Campus Hazing Act](#), or an amendment made by the Stop Campus Hazing Act, will be construed to affect the rights (including remedies and procedures) available to persons under the First Amendment of the Constitution of the United States or rights to due process.

Inclusion of Hazing Information in Annual Security Report

The [Stop Campus Hazing Act](#) amended the [Clery Act](#) to require that beginning on January 1, 2025, institutions of higher education collect statistics on hazing incidents that fall within the institution’s Clery Act geography and are reported to a campus security authority (CSA) or local law enforcement agency. These hazing incidents must be included in the annual crime statistics reported in the institution’s Annual Security Report (ASR).

In addition, institutions of higher education must include in the ASR a statement of current policies relating to hazing (as defined by the institution); how to report incidents of

hazing; the process used to investigate incidents of hazing; and information on applicable local, state, and tribal laws regarding hazing. Institutions of higher education must also include in the ASR a statement of policy regarding prevention and awareness programs relating to hazing (as defined by the institution) that includes a description of research-informed campus-wide prevention programs designed to reach students, faculty, and staff. These campus-wide prevention programs must include information on:

1. The institution's current policies relating to hazing (as defined by the institution);
2. How to report incidents of hazing;
3. The process used to investigate incidents of hazing;
4. Information on applicable local, state, and tribal laws regarding hazing; and

To view Collin College's current ASR, go to the [Annual Security and Fire Safety Reports webpage](#).

Campus Hazing Transparency Report

Collin College will develop a Campus Hazing Transparency Report that will summarize the findings concerning any student organization established or recognized by Collin College that is found to be in violation of Collin College's standards of conduct relating to hazing. The Campus Hazing Transparency Report will be made available on the [Hazing webpage](#) and will be updated not less than two (2) times each year.

The Campus Hazing Transparency Report will contain information regarding each incident involving a student organization for which a finding of responsibility is issued relating to a hazing violation, including, but not limited to:

1. The name of the student organization;
2. A general description of the violation that resulted in a finding of responsibility, including whether the violation involved the abuse or illegal use of alcohol or drugs, the findings of Collin College, and any

sanction(s) placed on the student organization by Collin College, as applicable; and

3. The dates on which:
 - a. The incident was alleged to have occurred;
 - b. The investigation into the incident was initiated;
 - c. The investigation ended with a finding that a hazing violation occurred; and
 - d. Collin College provided notice to the student organization that the incident resulted in a hazing violation.

The Campus Hazing Transparency Report may include information which is part of another hazing report published by Collin College that meets the requirements of the Campus Hazing Transparency Report, and any additional information determined by Collin College to be necessary or that is required to be reported by Texas state law.

The Campus Hazing Transparency Report will not include any personally identifiable information, including any information that would reveal personally identifiable information, about any individual student in accordance with the [Family Educational Rights and Privacy Act of 1974 \(FERPA\)](#).

Collin College will publish the Campus Hazing Transparency Report prominently on the institution's [Hazing webpage](#), including:

1. A statement notifying the public of the annual availability of statistics on hazing pursuant to the Annual Security Report (ASR) required by the [Clery Act](#), including a link to the ASR;

3. The information included in each update of the Campus Hazing Transparency Report, which will be maintained for a period of five (5) calendar years from the date of publication of such update.

Collin College may include, as part of the publication of the Campus Hazing Transparency Report, a description of the purposes of, and differences between the ASR and the Campus Hazing Transparency Report.

Collin College is not required to develop the Campus Hazing Transparency Report until Collin College has a finding of a hazing violation. In addition, Collin College is not required to update the Campus Hazing Transparency Report if Collin College does not have a finding of a hazing violation for the period of time that would be covered by the update.

To view Collin College's current Campus Hazing Transparency Report, go to the [Hazing webpage](#).

Texas State Law Provisions

any sanctions imposed by Collin College or any fines imposed by the court on the organization; and

- e. The date on which Collin College’s disciplinary process was resolved or on which the conviction became final;
2. Must be updated to include information regarding each disciplinary process or conviction not later than the thirtieth day after the date on which the disciplinary process is resolved or the conviction becomes final, as applicable; and
 3. May not include personally identifiable student information and must comply with the [Family Educational Rights and Privacy Act of 1974 \(FERPA\)](#), [20 U.S.C. 1232g](#).

To Each Student

Not later than the fourteenth day before the first class day of each fall or spring semester, Collin College will distribute to each enrolled student a summary of the [Texas Education Code Chapter 37, Subchapter F](#) and a copy of, or an electronic link to a copy of, Collin College’s hazing report.

At New Student Orientation

Collin College will provide to each student who attends New Student Orientation a notice regarding the nature and availability of the hazing report, including the report’s address on Collin College’s website.

In Collin College Publications

Collin College will publish a summary of the provisions of the [Texas Education Code Chapter 37, Subchapter F](#) in each edition of the [Collin College Catalog](#) and [Collin College Student Handbook](#).

Chapter 6: Off-Campus Conduct

When a student or program applicant is alleged to have violated the *Student Code of Conduct*, Board policies, laws, and/or Collin College procedures during a Collin College-sponsored or -related activity off campus, Collin College reserves the right to investigate and initiate disciplinary proceedings. Collin College may take appropriate action in situations occurring at off-campus, Collin College-sponsored or -related activities involving conduct that demonstrates flagrant disregard for or threatens the health, safety, or property of any student or other individual; and/or any other activity which adversely affects the Collin College community or the pursuit of Collin College's Core Values.

If the district dean of students, appropriate Title IX coordinator, appropriate deputy Title IX coordinator, or designee determines the alleged misconduct affects Collin College, as stated above, the appropriate investigation and resolution process may be initiated (i.e., student disciplinary process, Title IX Complaint Resolution Process).

Chapter 7: Scholastic Dishonesty

Board policy [FLB \(LOCAL\)](#) is associated with this chapter.

Every member of the Collin College community is expected to maintain the highest standards of academic integrity. All work submitted for credit is expected to be the student's own work. Collin College may initiate disciplinary proceedings against a student or program applicant accused of scholastic dishonesty. While specific examples are listed below, this is not an exhaustive list, and scholastic dishonesty may encompass other conduct, including any misconduct through electronic or computerized means. Scholastic dishonesty includes, but is not limited to, one (1) or more of the following acts.

Cheating

Examples of Plagiarism

Examples of plagiarism include, but are not limited to:

1. Failing to quote and cite words, information, and/or ideas taken from a source(s) in accordance with a

citation style approved by the faculty member; and/or

2. Inadequately paraphrasing (i.e., summarizing information without proper citation).

Scholastic Dishonesty Reports and Faculty Grading

In cases where an incident report has been filed for an alleged violation of scholastic dishonesty, the faculty member may either:

1. Delay posting a grade for the academic work in question until the case is finally adjudicated, as defined in this *Student Code of Conduct*; or
2. Enter a temporary placeholder grade of zero (0), along with an explanatory note, on the assignment(s) under review until the case is finally adjudicated, as defined in this *Student Code of Conduct*.

A final grade for the course will not be entered prior to a final resolution of the case.

A student found responsible for a scholastic dishonesty offense(s) may receive an appropriate disciplinary penalty or penalties, as defined in this *Student Code of Conduct*. The student may also receive an academic penalty in the course where the scholastic dishonesty took place. The faculty member will determine the appropriate academic penalty based on their syllabus policies and in compliance with law, which may include, but is not limited to, a grade of zero (0) on the assignment or failing the course. For more information, see [Chapter 17: Disciplinary Penalties](#) in this *Student Code of Conduct*.

Collin College Honor Code

Collin College's Student Government Association (SGA), in collaboration with staff employees, will draft an Honor Code that addresses academic dishonesty by students at Collin College.

The Honor Code will reflect student values and ethical conduct that adheres to Collin College's Core Values of Integrity and Academic Excellence. The Honor Code will be submitted to the Academic, Governance, and Strategic Planning Council (AGS) for review and a vote to recommend to the College District President for final approval.

When approved, the Honor Code will be included in the student handbook and official college publications. The Honor Code will be published in the *Collin College Student Handbook* and included in course syllabi. Once approved, violations of the Honor Code may be formally reported to the district dean of students or designee, as defined in this *Student Code of Conduct*. Subsequent allegations of scholastic dishonesty that also violate the Honor Code will also be referred to Collin College's Honor Council for adjudication, as defined in this *Student Code of Conduct*.

Rationale and Purpose

Academic dishonesty, including plagiarism, cheating, and collusion, undermines the integrity of academic institutions. Academic dishonesty compromises the value of a Collin College education and erodes the culture of trust necessary for a thriving academic community. In response, Collin College's Faculty Council proposes the creation of a formal Honor Code that will articulate the ethical standards expected of all students. This Honor Code will foster a shared sense of responsibility for maintaining academic integrity and serve as a foundation for promoting honesty, accountability, and mutual respect across the college.

The Student Government Association's collaboration and input are essential to ensure the Honor Code reflects student values and is embraced as a student-led initiative.

Mission and Goals of the Honor Code

The mission of the Honor Code is to cultivate a culture of academic integrity and personal accountability among all students at Collin College by establishing clear expectations for ethical behavior in all academic endeavors.

Goals:

1. To promote honesty, trust, and fairness in all academic work.
2. To educate students on the definitions and consequences of scholastic dishonesty.
3. To empower students to take ownership of their learning and ethical responsibilities.
4. To support faculty in upholding standards of academic excellence.
5. To create a community-wide commitment to integrity and mutual respect.

Honor Code Statement

8. Report Academic Misconduct: Report to the appropriate faculty member or the Dean of Students Office any instance of academic misconduct or dishonest behavior you become aware of or witness.

Faculty's and Staff's Commitment and Expectations to Upholding the Honor Code

1. Clearly Communicate Academic Integrity Policies: Include the Honor Code and academic integrity expectations in all course syllabi and review them with students at the beginning of each term.
2. Educate Students on Scholastic Dishonesty: Discuss what constitutes plagiarism, cheating, and unauthorized collaboration, and provide examples to promote understanding.
3. Utilize Tools and Technologies Responsibly: Use plagiarism and cheating detection tools and proctoring software thoughtfully to identify and address misconduct while fostering student trust and transparency.

7. Collaborate with Colleagues on Best Practices: Engage in department or college-wide conversations to share strategies for promoting academic integrity and addressing concerns.

Chapter 8: Student Solicitation on Campus

Board policies [FI \(LEGAL\)](#) and [FI \(LOCAL\)](#) are associated with this section.

Student Solicitation

For the purposes of this policy, "student solicitation" will mean the sale or offer for sale of any property or service, whether for immediate or future delivery, and the receipt of or request for any gift or contribution by a student or registered student organization.

Permitted Solicitation

Student solicitation will be permitted in or on premises owned or controlled by Collin College only if the solicitation does not violate a sole-source vendor contract clause and the solicitation is:

1. The sale or offer for sale of any newspaper, magazine, or other publication in an area designated in advance by the vice president of student and enrollment services or designee for the conduct of such activity;
2. The sale or offer for sale of any merchandise, food, or nonalcoholic beverages in an area designated in advance by the vice president of student and enrollment services or designee for the conduct of such activity;
3. The collection of membership fees or dues by registered student organizations at the organizations' meetings scheduled in accordance with Collin College policy and procedures on the use of facilities. For more information, see Board policies [FLA \(LEGAL\)](#) and [FLA \(LOCAL\)](#);
4. The collection of admission fees for the exhibition of movies, performances, or other programs that are sponsored by a student or registered student organization and scheduled in accordance with Collin College policy and procedures on the use of facilities. For more information, see Board policies [FLA \(LEGAL\)](#) and [FLA \(LOCAL\)](#);
5. The sale of raffle tickets by a registered student organization that can present to the vice president of student and enrollment services or designee written evidence from the Internal Revenue Service (IRS) that the organization has been granted an exemption from taxation under [26 U.S.C. 501\(c\)\(3\)](#);
6. The collection of donations by a registered student organization;
7. The sale of personal items by students; or
8. The sale of items by a registered student organization to its members.

Any solicitations by a registered student organization must be on behalf of or for the benefit of a registered student organization or an organization granted an exemption from taxation under [26 U.S.C. 501\(c\)\(3\)](#).

Student solicitation must comply with law and Collin College policies and procedures. No solicitation will be conducted on the grounds, sidewalks, or streets of any property either owned or controlled by Collin College, except as approved by the vice president of student and enrollment services or designee.

Time Limit

No student or registered student organization will solicit under this policy for more than the time limit established by administrative regulations each fiscal year.

Exception

If approved by the vice president of student and enrollment services or designee, solicitations intended to raise funds to respond to a declared disaster or emergency are not subject to the established time limit.

Fundraising and Use of Collin College Name

Only authorized students or registered student organizations will be allowed to sponsor and engage in solicitation and/or fundraising activities under the name of Collin College. All such activities will be compatible with the mission and objectives of Collin College and will be approved by the vice president of student and enrollment services or designee in accordance with procedures developed for that purpose. For more information, see Board policy [GD \(LOCAL\)](#).

Conduct During Solicitation

Solicitation made pursuant to the terms of this policy must be conducted according to the following:

1. The solicitation will not disrupt or disturb the regular academic or institutional programs being conducted in buildings or on property owned or controlled by Collin College.
2. The solicitation will not interfere with the free or unimpeded flow of pedestrian and vehicular traffic on sidewalks and streets and at places of ingress and egress to and from buildings owned or controlled by Collin College.
3. The solicitation will not harass, threaten, or intimidate the person or persons being solicited.

Sanctions

If, after a reasonable investigation, the appropriate campus provost, vice president of student and enrollment services, or designee determines that a solicitation is being conducted in a manner that violates this policy, the appropriate campus provost, vice president of student and enrollment services, or designee may prohibit the offending student or registered student organization from soliciting on the campus for such period or periods of time

determined to be appropriate.

A student determined to be in violation of this policy will be subject to disciplinary measures as described in Board policies [FM \(LOCAL\)](#) and [FMA \(LOCAL\)](#). For more information, see [Chapter 16: Student Disciplinary Procedures for Non-Scholastic Dishonesty Offenses](#) in this *Student Code of Conduct*.

In the case of a registered student organization, the vice president of student and enrollment services or designee may revoke the registered status of the organization, in accordance with Board policies [FKC \(LEGAL\)](#) and [FKC \(LOCAL\)](#).

Chapter 9: Student Expression and Use of Collin College Facilities

Board policies [FLA \(LEGAL\)](#), [FLA \(LOCAL\)](#), [GD \(LEGAL\)](#), and [GD \(LOCAL\)](#) are associated with this section.

Definitions

As used within this section, the term “amplified sound” means sound whose volume is increased by any electric, electronic, mechanical, or motor-powered means, such as by a megaphone. The use of a single microphone for a guest speaker, shouting, chanting, and playing some acoustic musical instruments are exempt from this definition and are not subject to the special rules on amplified sound, but they are subject to the general rules that prohibit disruption.

As used within this section, the “common outdoor areas” of Collin College mean:

1. Any outdoor space (such as streets, sidewalks, lawns, plazas, or gathering spaces);
2. That is at least 20 feet from any Collin College building or area of ingress or egress to buildings, including classrooms; and
3. That is not used, on either a permanent or temporary basis, for Collin College’s:
 - a. Business or operations,
 - b. Sponsored events,
 - c. Educational functions, or
 - d. Research functions.

Common outdoor areas do not include the buildings, classrooms, libraries, facilities, student housing or residential outdoor spaces managed by Collin College, the

outdoor surfaces of Collin College buildings, the surfaces associated with or connected to a Collin College building, a Collin College structure, the spaces dedicated to temporary outdoor banners, the spaces dedicated to temporary outdoor exhibits, construction sites, or any other space within Collin College's limited public forum. For more information, see Board policy [GD \(LOCAL\)](#).

As used within this section, the terms "disrupt," "disruptive," "disturb," and "disturbances" are defined as activities or actions that cause disorder or turmoil in Collin College's classes, programs, and services or that interfere with or interrupt planned activities, or other operations of Collin College by noise, movement, or physical obstruction.

As used within this section, the term "expressive activities" means any speech or expressive conduct protected by the First Amendment to the United States Constitution or by Section 8, Article I, Texas Constitution, and which includes assemblies, protests, speeches, the distribution of written material, the carrying of signs, and the circulation of petitions. The term "expressive activities" as used in this policy does not include:

1. Commercial speech, such as advertisements for products or services,
2. Defamation,
3. Harassment or discriminatory harassment as those terms are defined in this policy,
4. Incitement to imminent unlawful activity,
5. Obscenity, or
6. Threats to engage in unlawful activity.

As used within this section, the term "guest speaker" means an individual speaker or performer who is not a student, faculty member, employee, or Board member of Collin College.

Protected Expression on Campus

In accordance with the [Texas Education Code Section 51.9315](#), it is the policy of the State of Texas and the purpose of this section to protect the expressive rights of persons guaranteed by the Constitutions of the United States and of the State of Texas by:

1. Recognizing freedom of speech and assembly as central to the mission of institutions of higher education; and

2. Ensuring that students enrolled at and employees of an institution of higher education may assemble peaceably on the campuses of the institution for expressive activities, including to listen to or observe the expressive activities of others.

Collin College observes the rights and freedom of speech, petition, and peaceful assembly as set forth in the Constitutions of the United States and State of Texas. Collin College will permit students enrolled at and employees of the institution to engage in expressive activities in the common outdoor areas of Collin College's campuses freely, as long as the expressive activity:

1. Is not unlawful, and
2. Does not materially and substantially disrupt the functioning of Collin College.

In accordance with the [Texas Education Code Section 51.9315](#), Collin College maintains its right to impose reasonable restrictions on the time, place, and manner of expressive activities of students enrolled at and employees of Collin College in the common outdoor areas of its campuses if those restrictions:

1. Are narrowly tailored to serve a significant institutional interest;
2. Employ clear, published, content-neutral, and viewpoint-neutral criteria;
3. Provide for amply alternative means of expression; and
4. Allow members of the Collin College community to assemble or distribute written material without a permit or other permission from the institution.

Any act or expressive activity that interferes with the normal operations of Collin College including, but not limited to, classes and Collin College business, or interferes with the rights of students, faculty, staff, and others will not be tolerated. Faculty, staff, and students engaging in disruptive activity may be subject to disciplinary action. Any participant involved in disruptive activity may face criminal charges. For more information, see Board policies [FM \(LOCAL\)](#) and [FMA \(LOCAL\)](#) and [Chapter 16: Student Disciplinary Procedures for Non-Scholastic Dishonesty Offenses](#) in this *Student Code of Conduct*.

Approved activities such as distributing literature, displaying signs, petitioning for change, and disseminating information concerning issues of public concern are protected by the First Amendment. Commercial speech is subject to the guidelines in [Chapter 8: Student Solicitation on Campus](#) in this *Student Code of Conduct*. Speech that is not protected includes fighting words, language that creates a hostile environment, slander/libel, and obscenity.

Limited Public Forum and Public Assembly Use

The Board of Trustees (Board) delegates to the College District President or designee the authority to designate certain outdoor areas on each campus that are open as public forums for use by community members consistent with the First Amendment to the United States Constitution or by Section 8, Article I, Texas Constitution.

However, the buildings, classrooms, libraries, facilities, grounds, and property owned or controlled by Collin College are not a traditional public forum open for assembly, debate, demonstrations, or similar activities by members of the general public.

Subject to the requirements set forth in policy and in Collin College procedures, members of the public who are not Collin College students, employees, or officials are welcome to visit Collin College to attend public board meetings and public events, to transact business with Collin college, and to access certain designated facilities and outdoor locations to engage in expressive activities when the use does not conflict with Collin College use or its policies.

Distribution of Literature

Written or printed materials, handbills, photographs, pictures, films, tapes, or other visual or auditory materials not sponsored by Collin College will not be sold, circulated, distributed, or posted on any Collin College premises by any Collin College student or registered student organization, except in accordance with this policy. Board policies [FKC \(LEGAL\)](#) and [FKC \(LOCAL\)](#) are associated with registered student organizations.

Collin College will not be responsible for, nor will Collin College endorse, the contents of any materials or literature distributed by students or registered student organizations that are not sponsored by Collin College.

Materials distributed under the supervision of instructional personnel as a part of instruction or other authorized classroom activities will not be governed by this policy.

For information on distribution of materials in Collin College facilities and common outdoor areas by non-students and organizations that are not registered student organizations, see Board policies [GD \(LEGAL\)](#) and [GD \(LOCAL\)](#).

Limitations on Content

Non-school materials or literature will not be distributed by students or registered student organizations on Collin College property if:

1. The materials are obscene. Obscenity is a writing, visual image, or performance as defined in [Section 43.21](#) of the [Texas Penal Code](#) (or successor provisions).
2. The materials contain defamatory statements. Defamation is a false statement of fact about another individual that holds the individual up to hatred, ridicule, or contempt and that is not otherwise privileged. If the defamed person is a private individual, the question is whether the speaker knew or should have known that the statement was false. If the defamed person is a public official or public figure, the question is whether the statement was made with knowledge of the falsity or with reckless disregard of the truth.
3. The materials advocate imminent lawless action and are intended to incite or produce such action.
4. The materials contain a true threat, which is a serious expression of an intent to commit an act of unlawful violence to a particular individual or group of individuals. The speaker of a true threat need not intend to inflict actual harm; the question is whether the speaker consciously disregarded a substantial risk that the communications would be viewed as threatening violence.
5. The materials constitute intimidation, which is a type of true threat where a speaker directs a threat to a person or group of persons with the intent of placing the victim(s) in fear of bodily harm or death.
6. The materials constitute fighting words, which are personally abusive epithets that when addressed to

ordinary citizens, are, as a matter of common knowledge, inherently likely to provoke a violent reaction.

7. The materials constitute harassment, which means material that is:
 - a. Hostile, threatening, or intimidating;
 - b. Directed at a specific person or persons; and
 - c. Sufficiently severe, pervasive or persistent, and objectively offensive that it would cause an ordinary and reasonable person to fear violence or bodily harm or creates an objectively hostile or threatening campus environment that unreasonably interferes with the person's ability to access or participate in a Collin College activity, program, service, or privilege.
8. The materials constitute discriminatory harassment based on membership in a protected class recognized under state or federal law and are sufficiently severe or pervasive to create an objectively hostile campus or academic environment that unreasonably interferes with or diminishes another individual's ability to participate in or benefit from an activity, program, service, or privilege provided by Collin College. For examples of unlawful harassment based on membership in a protected class, see Board policies [DIAA \(LEGAL\)](#), [DIAA \(LOCAL\)](#), [DIAB \(LEGAL\)](#), [DIAB \(LOCAL\)](#), [FFDA \(LEGAL\)](#), [FFDA \(LOCAL\)](#), [FFDB \(LEGAL\)](#), and [FFDB \(LOCAL\)](#).
9. The materials constitute non-permissible selling or solicitation. For more information, see Board policies [FI \(LEGAL\)](#) and [FI \(LOCAL\)](#).
10. The materials infringe upon the intellectual property rights of Collin College. For more information, see Board policies [CT \(LEGAL\)](#) and [CT \(LOCAL\)](#).

Time, Place, and Manner Rules

The vice president of student and enrollment services or designee will designate times, locations, and means by which materials or literature that are appropriate for distribution, as provided in this policy, may be made available or distributed by students or registered student organizations to students or others in Collin College facilities and in areas that are not considered common

outdoor areas.

Distribution of the materials will be conducted in a manner that:

1. Is not disruptive. For more information, see Board policies [FLB \(LEGAL\)](#) and [FLB \(LOCAL\)](#);
2. Does not impede reasonable access to Collin College facilities;
3. Does not result in damage to Collin College property;
4. Does not coerce, badger, or intimidate a person;
5. Does not interfere with the rights of others; and
6. Does not violate local, state, or federal laws or Collin College policies and procedures.

The distributor will clean the area around which the literature was distributed of any materials that were discarded or leftover.

Petitions, Handbills, and Literature

This section is covered in the Campus Provost's Office at each campus.

Each petition, handbill, or piece of literature submitted for approval for distribution will include the name of the person or organization wanting to distribute it.

A person or organization will be prohibited from publicly distributing on Collin College property any non-school literature that is obscene or libelous or that contains non-permissible solicitation. Distribution of non-school literature will be conducted so as not to interfere with the free and unimpeded flow of pedestrian and vehicular traffic or disturb or interfere with academic or institutional activities.

A person or organization will not distribute non-school literature by accosting individuals or by hawking or shouting. The distributor will ensure the area around which the non-school literature was distributed is clean and free of discarded or leftover materials.

Signs

For the purposes of this policy, "sign" will be defined as a billboard, decal, notice, placard, poster, banner, or any kind of handheld sign; and "posting" will be defined as any means used for displaying a sign.

“Non-permissible sign” will mean a sign that contains material that is obscene, libelous, or includes non-permissible solicitation and/or is larger than 11 inches by 17 inches, unless authorized by the appropriate assistant director of student engagement.

A person or organization will not post a non-permissible sign. For more information, see Board policies [FI \(LEGAL\)](#), [FI \(LOCAL\)](#), [GD \(LEGAL\)](#), and [GD \(LOCAL\)](#).

A student, registered student organization, department, or community member may publicly post a sign on Collin College property in areas or locations designated by the appropriate assistant director of student engagement in conjunction with the appropriate campus provost and the appropriate campus manager of facilities or in common outdoor areas as allowed by Board policies [GD \(LEGAL\)](#) and [GD \(LOCAL\)](#). No object other than a sign may be posted on Collin College property.

Before publicly posting a sign on Collin College facilities (outside of common outdoor areas), a student or registered student organization will:

1. Deliver a copy, photograph, or description of the sign to be posted.
2. Provide pertinent information including the:
 - a. Name and phone number of the student, registered student organization, department, or community member;
 - b. Proposed general location for posting the sign;
 - c. Length of time the sign will be posted; and
 - d. Signature of the student, authorized representative, and/or advisor.

Rules

Upon receipt, the appropriate Student Engagement Office staff will ensure that the pertinent information listed above is included and that the following guidelines are applied:

1. Approved items, with a maximum size of 11 inches by 17 inches will be posted neatly on appropriate bulletin boards by Student Engagement Office personnel, subject to space availability;
2. Each item to be posted will receive an approval stamp dated and signed by Student Engagement Office personnel;

3. Materials will generally be approved for a maximum period of four (4) weeks; and
4. Materials that do not conform to these posting guidelines will be subject to immediate removal.

A sign will not be:

1. Attached to:
 - a. A shrub or plant;
 - b. A tree, except by string to its trunk;
 - c. A permanent sign installed for another purpose;
 - d. A fence or chain or its supporting structure;
 - e. A brick, concrete, or masonry structure; or
 - f. A statue, monument, or similar structure.
2. Posted:
 - a. On or adjacent to a fire hydrant;
 - b. Outside of a common outdoor area; or
 - c. In a Collin College building, except on a bulletin board designated for that purpose.

Removal

The Student Engagement Office will remove all signs no later than one (1) week after the expired approval stamp date. A sign posted or attached in accordance with the provisions of this policy will not be removed by anyone without permission from the appropriate assistant director of student engagement.

Classroom Bulletin Boards

Bulletin boards located inside and directly outside each classroom will be under the jurisdiction of the campus provost on each individual campus or designee.

Expressive Activities by Students or Registered Student Organizations in Common Outdoor Areas

Common outdoor areas are designated as areas for expressive activities by students or registered student organizations.

Students and registered student organizations may engage in expressive activities in common outdoor areas, unless:

1. The person’s conduct is unlawful (i.e., obscenity, defamation, incitement of lawless action, true threats, fighting words, or intimidation, as defined in the [Limitations on Content](#) subsection in this document);

2. The use would constitute an immediate and actual danger to the peace or security of Collin College that available law enforcement officials could not control with reasonable efforts;
3. The use would materially or substantially disrupt or disturb the regular academic program or other Collin College operations;
4. The use would result in damage to or defacement of property;
5. The material constitutes harassment, which means material that is:
 - a. Hostile, threatening, or intimidating;
 - b. Directed at a specific person or persons, and
 - c. Is sufficiently severe, pervasive or persistent, and objectively offensive that it would cause an ordinary and reasonable person to fear violence or bodily harm or creates an objectively hostile or threatening campus environment that unreasonably interferes with the person's ability to access or participate in a Collin College activity, program, service, or privilege; or
6. The material constitutes discriminatory harassment based on membership in a protected class recognized under state or federal law and is sufficiently severe or pervasive to create an objectively hostile campus or academic environment that unreasonably interferes with or diminishes another individual's ability to participate in or benefit from an activity, program, service, or privilege provided by Collin College. For examples of discriminatory harassment based on membership in a protected class, see Board policies [DIAA \(LEGAL\)](#), [DIAA \(LOCAL\)](#), [DIAB \(LEGAL\)](#), [DIAB \(LOCAL\)](#), [FFDA \(LEGAL\)](#), [FFDA \(LOCAL\)](#), [FFDB \(LEGAL\)](#), and [FFDB \(LOCAL\)](#).

Consistent with [Section 51.9315\(g\)](#) of the [Texas Education Code](#), Collin College may not take action against a registered student organization or deny a registered student organization any benefit on the basis of a political, religious, philosophical, ideological, or academic viewpoint expressed by the organization or of any expressive activities of the organization. The prohibition on harassment in this policy applies, however, when the words or conduct satisfy

the definition of harassment as stated in items five (5) and six (6) above.

Students or registered student organizations do not need a Collin College reservation or approval for the exercise of expressive activities in common outdoor areas of Collin College.

Students and registered student will reserve a space to assemble in the common outdoor areas of Collin College. Once a person or group reserves a certain space in a common outdoor area for assembly or expressive activities, it is not available for another person's or group's use or reservation at the same time. Therefore, any person or group using or occupying the space without a reservation must yield control of the space in time to permit any user with a reservation to begin using the space promptly at the beginning of the reserved time.

In addition, when outdoor space is being used, even on a temporary basis, for Collin College business, operations, events, an educational function, or a research function, it is not part of the common outdoor area available for use for others' expressive activities.

Reservations for assembly or expressive activities in the common outdoor areas of Collin College may be made through the Conference Services Department on a form prescribed by them or through a request sent to Conference_Services@collin.edu. If the expected attendance at an assembly or expressive activity is 15 or more people, advance notice and a reservation of no less than two (2) weeks is required. Individuals are encouraged to seek a reservation of a space that is suited to their assembly's anticipated size.

Time, Place, and Manner Rules for Common Outdoor Areas

In addition to the specific rules addressed in this policy for distribution of literature, expressive activities by students or registered student organizations in common outdoor areas are subject to all of the time, place, and manner rules listed in Board policy [GD \(LOCAL\)](#), as outlined below.

In addition to the specific rules addressed in Board policy [GD \(LOCAL\)](#) for required conduct, distribution of literature, and permissible solicitation, the following rules will also apply to the use of common outdoor areas:

1. Expressive activities may not be disruptive.
2. Expressive activities may not include statements directed to inciting or producing imminent violations of law under circumstances such that the statements are likely to actually and imminently incite or produce violations of law, including, but not limited to, violence or threats of violence.
3. Literature may be distributed, but not sold.
4. Any person who uses common outdoor areas or distributes literature or materials in common outdoor areas is responsible for cleaning up any literature, materials, or other trash that was discarded or leftover.
5. Signs may not be larger than 24 inches by 24 inches. Signs may be held or carried by hand. However, signs may not be attached to sticks, poles, wooden or metal handles, a person (i.e., a sandwich board sign), or other similar assembled items.
6. Signs constructed of rigid materials, including sticks, poles, wood, metal, hard plastic, or other materials that could be construed as a hazard, are not permitted.
7. Any person holding or carrying a sign will exercise due care to avoid bumping, hitting, or injuring any other person.
8. Banners on poles may not be carried by individuals.
9. Hand-held banners carried by two (2) or more individuals (without poles) are permitted in temporary banner spaces designated by Collin College.
10. Tables may not be set up in common outdoor areas, unless they are requested by a student or student organization in advance through a request submitted to the Conference Services Department. Otherwise, individuals or community groups may not set up any tables in common outdoor areas of Collin College.
11. Amplified sound may not be used in common outdoor areas, particularly when it disrupts Collin College business, operations, meetings, events, an educational function, a research function, or otherwise violates state law.
12. Guest speakers are allowed in common outdoor areas.
13. Guest speakers may not distribute literature that violates the rules in this policy.
14. Guest speakers may not accost bystanders or others who have chosen not to attend the speech or discussion.
15. Guest speakers may not set up exhibits or tables outside of the common outdoor areas or inside Collin College buildings or facilities.
16. For any assembly, with or without a guest speaker, that has an expected attendance of 15 or more participants (including counter-demonstrators), advance notice and a reservation are required to help the Conference Services Department improve the safety and success of expressive activity.
17. Requests or reservations to schedule events during the last two (2) weeks of a semester or term may be denied to prevent disruption of Collin College operations and instructional programs or to comply with state law.
18. Tents, awnings, camps, temporary living accommodations, and shelters will not be permitted in common outdoor areas, as also prohibited in Board policy [GD \(LOCAL\)](#).
19. In accordance with state law, individuals engaging in expressive activities on campus may not wear a mask, facial covering, or disguise that:
 - a. Conceals the identity of the wearer and
 - b. Is calculated to obstruct the enforcement of these rules or the law, to prevent identification, or to intimidate, hinder, or interrupt a Collin College employee or police officer in the lawful performance of their duties.

This prohibition is not intended to prohibit masks worn for religious reasons, for health reasons, or as part of Collin College-sponsored activities or performances.
20. Individuals engaging in expressive activities on campus are prohibited from lowering Collin College's institutional flag, the flag of the United States, or the Texas flag with the intent to raise the flag of another nation or the flag of an organization or group of people.
21. Individuals engaging in expressive activities on campus are prohibited from assembling during hours which the Collin College campuses may be closed or other hours as reasonably determined by Collin College to prevent disruption of campus operations and instructional programs.

If there is uncertainty about applicable rules, the appropriateness of the planned location, or possible conflict with other events, persons and organizations are encouraged to consult the district dean of students or designee. Should the size of the assembly exceed the maximum number of participants that is safe for a given location, participants will be directed by campus authorities to relocate to a space that is better suited to the size of the assembly.

Facilities Use

Other than the use of common outdoor areas, the facilities of Collin College will be made available to students or registered student organizations when such use does not conflict with use by, or any of the policies and procedures of, Collin College. The requesting students or registered student organization will pay all expenses incurred by their use of the facilities in accordance with a fee schedule developed by the Board of Trustees (Board). For more information on registered student organizations, see Board policies [FKC \(LEGAL\)](#) and [FKC \(LOCAL\)](#).

The use of facilities and the distribution of materials in College District common outdoor areas are subject to the policies set out in Board policy [GD \(LOCAL\)](#).

Students and registered student organizations may, and are encouraged to, reserve a space to assemble in the common outdoor areas of Collin College. Once a person or group reserves a certain space in a common outdoor area for assembly or expressive activities, it is not available for another person's or group's use or reservation at the same time. Therefore, any person or group using or occupying the space without a reservation must yield control of the space

in time to permit any user with a reservation to begin using the space promptly at the beginning of the reserved time.

Approval

The appropriate assistant director of student engagement will approve or reject the request in accordance with provisions of and deadlines set out in this policy and administrative procedures, without regard to the religious, political, philosophical, ideological, academic viewpoint, or other content of the speech likely to be associated with the student's or registered student organization's use of the facility.

Approval will not be granted when the official has reasonable grounds to believe that:

1. The Collin College facility requested is unavailable, inadequate, or inappropriate to accommodate the proposed use at the time requested;
2. The applicant is under a disciplinary penalty or sanction prohibiting the use of the facility;
3. The proposed use includes non-permissible solicitation. For more information, see Board policies [FI \(LEGAL\)](#) and [FI \(LOCAL\)](#) and [Chapter 8: Student Solicitation on Campus](#) in this *Student Code of Conduct*;

5. The applicant owes a monetary debt to Collin College and the debt is considered delinquent;
6. The proposed activity would disrupt or disturb the regular academic program;
7. The proposed use would result in damage to or defacement of property or the applicant has previously damaged Collin College property; or
8. The proposed activity would constitute an unauthorized joint sponsorship with an outside group.

The appropriate assistant director of student engagement will provide the applicant a written statement of the grounds for rejection if a request is denied.

Identification

Students or registered student organizations distributing materials on campus or using Collin College facilities will provide identification when requested to do so by a Collin College representative or Collin College Police Department officer.

Additionally, as required by state law, any currently enrolled student is required to present proof of identity or Collin College issued identification card on request by a Collin College employee or public official on the campus who is engaging in an official duty.

Any student who refuses to identify himself or herself fully may be subject to Collin College discipline, which may include suspension.

Chapter 11: Weapons on Campus

Board policies [CHF \(LEGAL\)](#) and [CHF \(LOCAL\)](#) are associated with this section.

Collin College prohibits the possession of any prohibited weapon, as defined by Board policies [CHF \(LOCAL\)](#), [DH \(LOCAL\)](#), and [FLB \(LOCAL\)](#) on all Collin College property at all times, except by peace officers licensed by a state of the United States or a federal agency.

No violation of this policy occurs when the use, possession, or display of an otherwise prohibited weapon takes place as part of a Collin College-approved activity supervised by proper authorities, or in accordance with law.

Concealed Carry Law and Other General Provisions

The purpose of this policy is to implement rules in compliance with [Texas Government Code, Section 411.2031, Carrying of Handguns by License Holders on Certain Campuses](#), at Collin College effective August 1, 2017, and to outline prohibited firearms and weapons on all Collin College campuses.

Firearms/Handguns

Collin College prohibits the use, possession, or display of a firearm on Collin College property or at a Collin College-sponsored or -related activity in violation of the law or Collin College policies and procedures, unless written

authorization is granted in advance by the College District President or designee.

Procedures

After consulting with the students, staff, and faculty of Collin College regarding the nature of the student population, specific safety considerations, and the uniqueness of the Collin College environment, the College District President has established the following rules regarding the carrying of concealed handguns by license holders on the campuses of Collin College:

1. Only individuals with a valid License to Carry a Handgun (LTC) issued by the Texas Department of Public Safety, under [Texas Government Code, Chapter 411, Subchapter H](#), as well as LTC licenses* from other states, the validity of which are recognized by the State of Texas, may carry a concealed handgun on or about their person on the property of Collin College. *Validly issued LTC licenses are collectively referred to hereinafter as "LTC."
2. Individuals who do not possess a valid LTC are prohibited from possessing a handgun on Collin College campuses.
3. Collin College prohibits the use, possession, or display of any illegal knife, club, or prohibited weapons, as defined by the [Texas Penal Code](#) and described in Board policy [CHF \(LEGAL\)](#), on Collin College property or at a Collin College-sponsored or -related activity, unless written authorization is granted in advance by the College District President or designee.
4. While on Collin College campuses, it is the responsibility of the LTC holder to conceal the handgun so that it is not partially or wholly visible to another person.
5. While on a Collin College campus, an LTC holder who is in possession of a handgun must keep that handgun on or about their person or in a locked vehicle, as permitted by law.
6. Other than a handgun owned by a qualified resident of Collin College Student Housing as defined herein, handguns may not be stored overnight on Collin College campuses, unless in a locked, privately owned or leased motor vehicle as permitted by law.

7. Possession of a handgun on Collin College property while intoxicated, under the influence of illegal drugs, or while taking prescription drugs that impair judgment or physical abilities is prohibited.
8. This policy applies to persons traveling in Collin College-owned vehicles. However, the policies of the owner of the vehicle apply when private or commercial transportation is used for Collin College travel.
9. This policy applies to all students, staff, faculty, and visitors of Collin College, except for law enforcement officers licensed by a state of the United States or a federal agency and school marshals licensed by the State of Texas and appointed by the Collin College Board of Trustees (Board).
10. Open carry of a handgun on a campus of Collin College is restricted to law enforcement officers licensed by a federal, state, or local law enforcement agency.
11. Students and employees of Collin College, with the exception of police officers employed by Collin College, will not inquire as to whether any person is carrying a concealed weapon or possesses an LTC.
12. The storage or transportation of a firearm or ammunition is allowed by Collin College students, faculty, staff, and employees if the individual is authorized to such possession in a locked, privately owned or leased motor vehicle on those specific premises allowed by law and described in Board policy [CHF \(LEGAL\)](#).

On-Campus Student Housing

A resident with an LTC may only carry or store a concealed handgun in campus housing as established in this policy. Any time a handgun in a campus housing facility is not in the immediate care, custody, or control of the owner, that handgun must be stored in a locked, personal vehicle or within a locked gun safe in the resident's room. No gun storage will be provided by Collin College. This policy applies to all residents as well as live-in staff in any campus facility designed for housing or overnight stay.

Residents

An LTC license holder who resides in campus housing in which all the residents of the unit are age 21 or older may carry a concealed handgun into campus housing and may

store the weapon in their assigned residential room. An exception to the age 21 requirement is a person who is at least 18 years of age but not yet 21 years of age who:

1. Is a member or veteran of the United States armed forces, including a member or veteran of the reserves or national guard;
2. Was discharged under honorable conditions, if discharged from the United States armed forces, reserves, or national guard; and
3. Meets the other eligibility requirements for an LTC except for the minimum age required by federal law to purchase a handgun.

A resident who brings a concealed handgun into campus housing pursuant to this policy must carry the weapon on his or her person at all times or store it in his or her assigned room within a locked gun safe. For more information, see the [Requirements for Proper Storage](#) subsection in this document.

A resident may not intentionally or knowingly display a handgun in plain view of another person in campus housing except as necessary to properly store and secure the weapon within a gun safe in his or her assigned residential room.

A student who is assigned to a residential room in campus housing where a firearm is stored and is concerned about his or her well-being may request a transfer to another residential room through the regular housing process with no penalty.

Non-Residents

An LTC license holder who does not reside in campus housing may carry a concealed handgun into campus housing. The handgun must be carried on or about the non-resident's person at all times and may not be stored in a campus housing room.

Responsibility for Personal Injury or Damage

A resident or non-resident whose possession, use, or storage of a handgun results in personal injury or property damage is personally liable for the injury or damage.

Requirements for Proper Storage

When not carried on or about a person, handguns must be in a locked personal vehicle or a locked gun safe that meets

Collin College's following requirements:

1. Be large enough to fully contain the firearm(s) placed in it and provide for secure storage;
2. Have exterior walls constructed of a minimum 16-gauge steel;
3. Have a high-strength locking system consisting of a mechanical or electronic combination or biometric lock, and not a key lock; and
4. Be certified and listed as meeting Underwriters Laboratories Residential Security Container rating standards by a Nationally Recognized Testing Laboratory (NRTL).

Compliance with storage and security requirements are part of the residence inspection process, as outlined in the current *Collin College Resident Handbook* located on the [Student Housing at Collin College webpage](#).

Other Weapons and Devices Prohibited

All other weapons are strictly prohibited for students, staff, faculty, and visitors on Collin College property or at any Collin College-sponsored or -related activity, including, but not limited to, long guns, location-restricted knives, clubs, knuckle devices, firearm silencers, explosives, fireworks of any kind, incendiary devices, instruments designed to expel a projectile with the use of pressurized air, such as a BB gun, martial arts throwing stars, or any weapons described in Board policy [CHF \(LEGAL\)](#). An exception is authorized for the limited purpose of honor guards who carry ceremonial swords at a Collin College-sponsored event (e.g., Military Ball). The possession or use of articles not generally considered to be weapons may be prohibited when the College District President or designee determines that a danger exists for any student, Collin College employee, or Collin College property by virtue of possession or use.

Possession of other weapons on Collin College campuses is grounds for immediate disciplinary action and possible prosecution for violations of state law.

Exclusion Zones

Possession of a handgun is prohibited on Collin College campuses in the following locations by any person except law enforcement officers licensed by a state of the United States or a federal agency. These locations will be appropriately identified by signage as specified under

[Sections 30.06](#) and [30.07](#) of the [Texas Penal Code](#):

1. Childcare facilities.
2. Polling locations.
3. In the room or rooms where a meeting of a governmental entity is held, and if the meeting is an open meeting subject to [Chapter 551, Government Code](#), and notice as required by that chapter is provided.
4. High-hazard laboratories and health science education facilities where the presence of high-hazard materials or operations creates a significant risk of catastrophic harm due to a negligent discharge.
5. Designated meeting room(s) at each campus in Student and Enrollment Services that can be used, as needed, for disciplinary meetings or counseling meetings.
6. Facilities where professional, high school, college sporting, or interscholastic events are in progress as prohibited by the [Texas Penal Code, Section 46.035\(b\)\(2\)](#).
7. Locker and dressing rooms where individuals change clothes, including those at athletic, theatre, and health science education facilities.
8. Any location or facility of Collin College, as directed or approved by the College District President as necessary for campus safety, where effective notice on a temporary basis pursuant to [Sections 30.06 and 30.07, Texas Penal Code](#), has been given by the required signage. An example might include a Collin College facility where alcohol is being served for a special event.

A violation of these specific prohibitions is considered an offense under [Section 46.035 \(a-3\), Texas Penal Code](#).

Violations

Violations of this policy should be reported immediately to the Collin College Police Department at **972.578.5555**. Such violations may result in disciplinary action by Collin College up to and including criminal prosecution for violation of the [Texas Penal Code](#).

Employees and students found to be in violation of this policy will be subject to disciplinary action. For more information, see Board policies [DH \(LOCAL\)](#), [FM \(LOCAL\)](#),

and [FMA \(LOCAL\)](#) and [Chapter 16: Student Disciplinary Procedures for Non-Scholastic Dishonesty Offenses](#) in this *Student Code of Conduct*.

Reporting

Not later than September 1 of even-numbered years, Collin College will submit a report to the Texas State Legislature and to the standing committees of the legislature with jurisdiction over the implementation and continuation of [Section 411.2031, Texas Government Code](#) that:

1. Describes the Collin College rules, regulations, or other provisions regarding the carrying of concealed handguns on the campuses of Collin College; and
2. Explains the reasons the institution has established these provisions.

Safety Committee

The College District President will appoint a standing committee, the Collin College Safety Committee, that is chaired by the executive vice president or College District President's designee and includes representatives from the administration, faculty, staff, and student government. The committee will be charged with meeting as needed, but at least once each fall and spring semester, to review Collin College's policy, any new legislation and legal decisions relating to this issue, and the effectiveness of the implementation of Collin College's policy. Advisory notes and recommendations from the committee will be forwarded for review and consideration by the Executive Leadership Team, College District President, and Board of Trustees (Board), as necessary.

Chapter 13: Student Disciplinary Process General Procedures for All Cases of Student Misconduct

Board policy [FMA \(LOCAL\)](#) is associated with this chapter.

Reports of Alleged Misconduct

Collin College faculty and staff will report and submit an alleged violation or violations of Collin College policies and procedures, including the *Student Code of Conduct*, committed by a student to the District Dean of Students Office within a reasonable time following an alleged incident. For more information, see Board policy [FLB \(LOCAL\)](#) and [Chapter 12: Student Code of Conduct Violations](#) in this *Student Code of Conduct*.

For the purpose of reporting violations under this policy, “a reasonable time” means within 15 College District business days of the date of an alleged incident.

For the purpose of reporting violations of scholastic dishonesty under this policy, “a reasonable time” means within 15 College District business days of:

1. The date of an alleged incident; or
2. The date the instructor discovers the alleged scholastic dishonesty.

If scholastic dishonesty is alleged, the instructor has the option to also report allegations of scholastic dishonesty discovered in previous assignments completed by the student for the same course within the same semester.

The allegation(s) must be submitted in writing by completing the [Student Incident Report](#) form, and must describe the violation(s) and any surrounding facts.

The district dean of students or designee will investigate the alleged violations, as appropriate.

Exception

Reports of sex discrimination and/or sexual harassment will be submitted in accordance with Board policies [DIAA \(LOCAL\)](#) and/or [FFDA \(LOCAL\)](#), as appropriate. For more information, see [Chapter 10: Title IX Provisions](#) in this *Student Code of Conduct*.

Dismissal of Allegation

If an allegation is deemed to be unfounded, the district dean of students or designee will dismiss the allegation and

will provide the student written notice that the allegation of misconduct was made against the student and that the allegation was dismissed.

Interim Disciplinary Action

At any time during the adjudication process under this policy, the district dean of students or designee may take immediate interim disciplinary action including, but not limited to, temporary immediate suspension pending a hearing, against a student for policy violations if the continuing presence of the student poses a danger to any persons or property or an ongoing threat of disrupting the educational environment.

Classroom Dismissal by a Faculty Member

A faculty member has the authority to temporarily dismiss a student from class if the student engages in disruptive or inappropriate behavior in the classroom setting or interferes with the teaching and learning process. The temporary classroom dismissal will not exceed one (1) class period. If the student’s behavior is so disruptive it is believed they should be dismissed from more than one (1) class period, the faculty member must submit a [Student Incident Report](#) to the District Dean of Students Office and notify the appropriate program director, associate academic/workforce dean, and/or academic/workforce dean.

No-Contact Directive

If appropriate, the district dean of students or designee may issue a no-contact directive to a student. The no-contact directive will instruct the student to have no contact with the other party or parties involved in the disciplinary matter through any means (e.g., emails, having anyone else initiate contact with the other party, online postings, phone calls, physical contact, stalking, text messages). The no-contact directive will remain in effect until revoked or altered by the district dean of students or designee.

Temporary Immediate Suspension

When the district dean of students or designee issues a temporary immediate suspension, the student is afforded a three (3) College District business day grace period prior to meeting with the district dean of students or designee. If the student wants to meet during the grace period, the student should contact the District Dean of Students Office

at 972.881.5604 or dos@collin.edu for appointment availability.

If a student on temporary immediate suspension receives a favorable administrative decision or favorable appeal, once the case is final the student may seek reinstatement into their course(s) and/or Collin College. For more information, see [Chapter 18: Reinstatement Procedures](#) in this *Student Code of Conduct*.

Evidence in All Cases of Student Misconduct

For all reports and allegations submitted under this policy, evidence will be handled in accordance with the following:

1. Legal rules of evidence do not apply unless otherwise required by applicable law or regulations.
2. The district dean of students or designee, Disciplinary Appeals Committee (DAC) chairperson or associate chairperson, Honor Council panel chair, designated leadership team member, and/or College District President or designee may admit evidence or exclude evidence considered to be hearsay, irrelevant, immaterial, unduly repetitious, or needlessly cumulative.
3. For all cases, Collin College will be required to prove by a preponderance of the evidence (i.e., more likely than not to have occurred) that the charges are true.
4. A student may not be compelled to testify.

Standard of Evidence

The district dean of students or designee, Disciplinary Appeals Committee (DAC), Honor Council, designated leadership team member, and Collin District President or designee will use the “preponderance of the evidence” standard (i.e., more likely than not to have occurred) when determining whether a student committed misconduct that violates the *Student Code of Conduct*, Board policies, laws, and/or Collin College procedures.

Observers at Disciplinary Proceedings

The student may appear at any disciplinary meeting(s) or appeal hearing(s) with an advisor, family member, or legal counsel (i.e., an observer). However, only the student may speak on his or her behalf. Should the student choose to appear with legal counsel, the student must notify the district dean of students or designee no fewer than three

(3) College District business days prior to the disciplinary meeting(s) or appeal hearing(s) in order for the district dean of students or designee to also secure legal counsel.

Recording Disciplinary Proceedings

The student may make an audio recording of any disciplinary meeting(s) or appeal hearing(s). If the student intends to record any disciplinary meeting(s) or appeal hearing(s), the student will inform the district dean of students or designee prior to the start of the meeting(s) or appeal hearing(s). In these instances, the district dean of students or designee will also make an audio recording of the disciplinary meeting(s) or appeal hearing(s). The student and Collin College may each request a copy of the other’s audio recording. Any other recording, electronic, digital media, telecommunication, and/or wearable devices (e.g., phones, smart/AI eyeglasses, smartwatches, Fitbits, digital watches, Bluetooth devices, laptops, tablets) not previously approved by the district dean of students or designee must be completely turned off (not in silent or vibrate mode) during any disciplinary meeting(s) or appeal hearing(s).

Notification Conference Process

If the district dean of students or designee determines the allegation(s) warrants further consideration, the district dean of students or designee will summon the student for a notification conference to be held within a reasonable time, not to exceed five (5) College District business days, following receipt of the allegation of misconduct.

At the notification conference, the district dean of students or designee will inform the student of the allegation(s) and provide the student an opportunity to respond and submit applicable documentation or evidence for consideration by the district dean of students or designee.

The notification conference process will be utilized by the district dean of students or designee for allegations involving:

1. First-time scholastic dishonesty violations and
2. Other alleged violations of the *Student Code of Conduct*.

All subsequent or repeated allegations involving scholastic dishonesty will be referred to the Collin College Honor Council, as outlined in this policy.

Chapter 14: Student Disciplinary Procedures for First-Time Cases of Scholastic Dishonesty

Board policy [FMA \(LOCAL\)](#) is associated with this chapter.

The [First Offense Scholastic Dishonesty Flowchart](#) on page 140 in this document provides an overview of Collin College's student disciplinary procedures for first-time cases of scholastic dishonesty.

The district dean of students or designee will investigate initial or first-time cases of scholastic dishonesty in accordance with the student disciplinary procedures outlined in this policy. If a student is found responsible for scholastic dishonesty, the district dean of students or designee will impose an appropriate disciplinary penalty or penalties as outlined in this policy. For more information, see Board policy [FM \(LOCAL\)](#) and [Chapter 17: Disciplinary Penalties](#) in this *Student Code of Conduct*.

Allegations of student misconduct that do not involve scholastic dishonesty will be addressed by the district dean of students or designee under this policy or others. For more information, see Board policies [FLB \(LOCAL\)](#), [FM \(LOCAL\)](#), and [Chapter 16: Student Disciplinary Procedures for Non-Scholastic Dishonesty Offenses](#) in this *Student Code of Conduct*.

Notification and Options in First-Time Scholastic Dishonesty Cases

For first-time cases of scholastic dishonesty and within three (3) College District business days of receiving the report of alleged scholastic dishonesty, the district dean of students or designee will send an email informing the student of the allegation(s) and providing the following two (2) options:

1. The student may appear for a notification conference to be held within a reasonable time, not to exceed five (5) College District business days, following the date of the email from the district dean of students or designee; or
2. The student may review, sign, and return to the district dean of students or designee a no contest plea form.

No Contest Plea Form Option

The no contest plea form will provide detailed information regarding the allegation(s), that the student immediately accepts an administrative decision finding the student responsible, that the student accepts the penalty or penalties imposed as part of the administrative decision, and that the student waives the right to appeal the administrative decision. The penalties contained in the no contest plea form are not subject to modification or negotiation. The student must sign, date, and return the no contest plea form via email to the district dean of students or designee by the deadline provided or within two (2) College District business days following the date of the email from the district dean of students or designee. Once the no contest plea form is signed and received by the dean of students or designee, the administrative decision of the district dean of students or designee will be final as of the date of the student's signature, binding, and the student will not be allowed to appeal that administrative decision.

Requests for extensions to sign and return the no contest plea form will not be granted.

Notification Conference Option

If the student does not submit the signed no contest plea form to the district dean of students or designee by the deadline provided, the notification conference will be held within a reasonable time, not to exceed five (5) College District business days, following the date of the initial email from the district dean of students or designee.

At the notification conference, the district dean of students or designee will inform the student of the allegation(s) and provide the student an opportunity to respond and submit applicable documentation or evidence for consideration by the district dean of students or designee.

Reasonable requests for extensions of time to hold the notification conference meeting may be considered and granted by the district dean of students or designee at their sole discretion.

Failure to Appear for the Notification Conference

The district dean of students or designee may proceed with the disciplinary case and determine an appropriate disciplinary penalty or penalties if the student fails, without good cause, to comply with the instructions in the

notification letter(s) or otherwise fails to attend the notification conference.

Administrative Decision

Not Responsible Administrative Decision

After conferring with the student at the notification conference meeting, if the district dean of students or designee determines the student did not commit a violation, the student will be found not responsible and will not be issued a disciplinary penalty. For more information on disciplinary penalties, see [Chapter 17: Disciplinary Penalties](#) in this *Student Code of Conduct*.

The student will be provided written notice of the not responsible administrative decision. A not responsible administrative decision from the district dean of students or designee will be final, binding, and the student will not be allowed to appeal the not responsible administrative decision.

Formal Administrative Decision and Misconduct Warranting a Disciplinary Penalty

If the district dean of students or designee determines the student committed misconduct that warrants a penalty or penalties, the district dean of students or designee will provide the student a written administrative decision with notice of the penalty or penalties and the student's options, including the right to appeal to the Disciplinary Appeals Committee (DAC). For more information on disciplinary penalties, see [Chapter 17: Disciplinary Penalties](#) in this *Student Code of Conduct*.

Student Chooses to Appeal the Administrative Decision

If the student chooses to appeal the administrative decision of the district dean of students or designee, they must submit the *Disciplinary Appeal Request Form* contained in the administrative decision documents within five (5) College District business days following the administrative decision. Once the deadline for filing an appeal has passed, the administrative decision of the district dean of students or designee will be final, binding, and the student will not be allowed to appeal that decision. The student will be expected to comply with all disciplinary penalties and obligations set forth in the administrative decision.

Student Chooses to Accept the Administrative Decision

A student who chooses to accept the administrative decision rendered by the district dean of students or

designee will sign an *Acceptance of the Administrative Decision Statement* indicating they understand:

1. The *Student Code of Conduct* violation(s) and findings,
2. The disciplinary penalty or penalties imposed, and
3. That by signing the *Acceptance of the Administrative Decision Statement* they voluntarily waive the right to appeal the decision.

The *Acceptance of the Administrative Decision Statement* must be signed no later than five (5) College District business days following the administrative decision. Once the *Acceptance of the Administrative Decision Statement* is signed, the administrative decision of the district dean of students or designee will be final, binding, and the student will not be allowed to appeal that decision. The student will be expected to comply with all disciplinary penalties and obligations set forth in the administrative decision.

Student Chooses to Take No Action

If the student does not sign the *Acceptance of the Administrative Decision Statement* or submit the *Disciplinary Appeal Request Form* by the stated deadline, the administrative decision of the district dean of students or designee will be final, binding, and the student will not be allowed to appeal that decision. The student will be expected to comply with all disciplinary penalties and obligations set forth in the administrative decision.

Scholastic Dishonesty Violations

If the student was found responsible (whether by signing a no contest plea form or after investigation) for a scholastic dishonesty violation, as defined in [Chapter 7: Scholastic Dishonesty](#) in this *Student Code of Conduct*, the student may also receive a scholastic penalty in the course where the scholastic dishonesty took place. The faculty member will determine the appropriate scholastic penalty for the assignment or course, in accordance with the syllabus. For more information, see [Chapter 17: Disciplinary Penalties](#) in this *Student Code of Conduct*.

Appealing the District Dean of Students or Designee's Administrative Decision

Procedures to Submit an Appeal

A student who is issued a disciplinary penalty or penalties has the right to appeal the district dean of students or

designee's administrative decision, as outlined in [Chapter 14: Student Disciplinary Procedures for First-Time Cases of Scholastic Dishonesty, Administrative Decision, Formal Administrative Decision and Misconduct Warranting a Disciplinary Penalty](#) in this *Student Code of Conduct*. To initiate the disciplinary appeals process, the student must submit the *Disciplinary Appeal Request Form* contained in the administrative decision documents on or before the fifth College District business day following the administrative decision.

Concerns or complaints that are more appropriately addressed through another Collin College grievance process or policy (e.g., academic suspension appeals, complaints under instructional programs or core performance standards, financial aid appeals, grade appeals, Title IX complaints) will not be addressed through the disciplinary appeals process.

Disciplinary Appeals Committee (DAC)

The Disciplinary Appeals Committee (DAC) will be convened at the request of a student appealing the administrative decision and/or disciplinary penalty or penalties imposed by the district dean of students or designee. The student's appeal must be submitted in writing within five (5) College District business days of the date of the district dean of students or designee's written administrative decision.

Composition

The DAC will be composed of at least three (3) Collin College employees and a minimum of one (1) current Collin College student, when appropriate. To hold an appeal hearing, a quorum of three (3) DAC members must be met. The members of the DAC and the committee chairperson will be designated according to procedures developed by the designated leadership team member. All members chosen to serve on the DAC Appeal Hearing panel will be eligible to vote on the issue of whether or not the student violated Collin College policies and procedures, including the *Student Code of Conduct*, and whether the student should receive an appropriate disciplinary penalty or penalties.

DAC Appeal Hearing Notice

The district dean of students or designee will notify the student by letter of the date, time, and place for the DAC Appeal Hearing. Unless the student and the district dean of students or designee otherwise agree or unless there are

unforeseeable circumstances beyond Collin College's control, the DAC Appeal Hearing will take place within a reasonable time period, not to exceed 10 College District business days after the date of the student's request for the appeal hearing. The district dean of students or designee may extend Collin College's 10-day timelines within this policy by sending written notice to the parties of the extension.

Contents of Notice

The notice will:

1. Direct the student to appear on the date and at the time and place specified.
2. Advise the student of their rights to:
 - a. Have a private appeal hearing.
 - b. Be assisted by an advisor or legal counsel at the appeal hearing.
 - c. Call witnesses, request copies of evidence in Collin College's possession, and offer evidence and agreement on their own behalf.
 - d. Make an audio recording of the proceedings, after first notifying the district dean of students or designee in advance of the appeal hearing, or, at the student's own expense, to both have a stenographer present at the appeal hearing and to make a stenographic transcript of the appeal hearing at the student's own expense.
 - e. Ask questions of each witness who testifies against the student.
3. Contain the names of witnesses who will testify against the student and a description of documentary and other evidence that will be offered against the student.
4. Contain a description of the allegation(s) of misconduct in sufficient detail to enable the student to prepare their defense against the charges.
5. State the proposed disciplinary penalty or range of disciplinary penalties that may be imposed.

The student will provide to the district dean of students or designee any documentation, a list of potential witnesses, and other relevant evidence to support their appeal by the specified deadline. All documentation from the district dean of students or designee and the student will be forwarded to the DAC members assigned to the case for review prior to the hearing.

The DAC chairperson or associate chairperson will have the authority to postpone the appeal hearing for good cause as long as all parties involved are notified by the district dean of students or designee of the new appeal hearing date, time, and place.

Failure to Appear for the DAC Appeal Hearing

If a student has good cause to miss the DAC Appeal Hearing, the student must notify the district dean of students or designee as soon as possible and no later than 24 hours before the time set for the DAC Appeal Hearing. The DAC may impose an appropriate disciplinary penalty or penalties upon a student who fails without good cause to appear for the appeal hearing or who fails to notify the district dean of students or designee by the proscribed deadline. For purposes of assessing an appropriate disciplinary penalty or penalties, the DAC may proceed with the appeal hearing in the student's absence.

DAC Appeal Hearing Procedures

The DAC chairperson or an associate chairperson will be assigned to oversee each appeal hearing. DAC members assigned to each appeal hearing will review the documentation and other evidence provided by the district dean of students or designee and the student prior to the appeal hearing.

DAC members will determine by vote whether a student has violated the *Student Code of Conduct*, Board policies, laws, and/or Collin College procedures. All DAC members assigned to a given case will be eligible to vote during the appeal hearing. DAC decisions require a majority vote.

If the DAC finds the student has violated the *Student Code of Conduct*, Board policies, laws, and/or Collin College procedures, the DAC will determine whether the appropriate disciplinary penalty or penalties were imposed by the district dean of students or designee and may adjust the disciplinary penalty or penalties, if warranted.

Each DAC Appeal Hearing will be recorded by Collin College. When a DAC Appeal Hearing is held virtually via web conferencing software approved by Collin College, all participants in the DAC Appeal Hearing are required to have their cameras on for the duration of the hearing. Failure to comply will result in the DAC Appeal Hearing chairperson or

associate chairperson terminating or postponing the Appeal Hearing to ensure compliance.

The DAC will determine if a violation has occurred and assess an appropriate disciplinary penalty or penalties based solely on the evidence presented at the DAC Appeal Hearing.

All participants in DAC Appeal Hearings will be expected to behave respectfully and uphold Collin College's Core Values and policies. If any participant behaves outside of the expectations set forth by the DAC Appeal Hearing chairperson or associate chairperson, the DAC Appeal Hearing will be terminated by order of the DAC Appeal Hearing chairperson or associate chairperson.

The DAC Appeal Hearing will proceed as follows:

1. The chairperson or associate chairperson will read the description of the alleged misconduct.
2. The chairperson or associate chairperson will inform the student of their rights.
3. The district dean of students or designee will present Collin College's case.
4. The student or representative will present the student's defense.
5. The district dean of students or designee will present rebuttal evidence.
6. The DAC members may ask questions of witnesses testifying on behalf of the student or Collin College.
7. The district dean of students or designee will summarize and argue Collin College's case.
8. The student or representative will summarize and argue their case.
9. The district dean of students or designee will request an opportunity for rebuttal closing arguments and the DAC chairperson may grant or deny that request.
10. The DAC members will deliberate in closed session. The DAC members will vote on the issue of whether or not the student violated Collin College policies and procedures, including the rules for student conduct, and whether the student should receive an appropriate disciplinary penalty or penalties.

11. If the DAC finds the student committed misconduct, the DAC members will determine whether the disciplinary penalty assessed, or proposed in the case of recommendation for expulsion, by the district dean of students or designee is appropriate and, if necessary, will assess a different or additional penalty.
12. The DAC chairperson or associate chairperson will communicate the decision and any findings of facts in support of the DAC's decision to the district dean of students or designee in writing within 10 College District business days of the appeal hearing. The district dean of students or designee will notify the student in writing within 10 College District business days of the appeal hearing of the DAC's decision and the disciplinary penalty or penalties imposed, if any. The notice will include procedures for accepting the DAC's decision or appealing to the designated leadership team member.

After the DAC Appeal Hearing

The district dean of students or designee will notify the student in writing, within three (3) College District business days of the appeal hearing, of the DAC's decision and the disciplinary penalty or penalties imposed, if any. The notice will include procedures for accepting the DAC's decision or for appealing. In cases where expulsion is not recommended by the DAC, the decision of the DAC is final, binding, and the student may not appeal that decision.

Appeals to the College District President or Designee

Only for cases when expulsion is the penalty recommended and affirmed by the DAC, the student may appeal that prior determination to the College District President or designee. Additionally, if the College District President or designee elects to review those cases where expulsion is recommended and affirmed, this policy will also apply.

The College District President or designee will review all recommendations for expulsion, whether or not the student chooses to proceed through the disciplinary appeals process. The district dean of students or designee or DAC chair will forward the recommendation for expulsion and evidence to the Collin District President or designee for review and final consideration.

The appeal request must be submitted in writing within three (3) College District business days of the prior determination. To initiate the appeal to the College District President or designee, the student must submit the *Final Appeal Form* provided to the student.

Upon request, the district dean of students or designee or DAC chair will forward the recommendation for expulsion and evidence to the College District President or designee for review and final consideration.

The College District President or designee may request a meeting with the student prior to issuing a final administrative decision.

The College District President or designee may act to affirm, modify, or reverse the recommendation for expulsion.

Failure to Appear for the College District President Meeting

The College District President or designee may impose an appropriate disciplinary penalty or penalties upon a student who fails without good cause to appear for the meeting. For purposes of assessing an appropriate disciplinary penalty or penalties, the College District President or designee may consider the evidence included in the student's appeal and forwarded by the district dean of students or designee or DAC chair.

After the Review

The student will be notified in writing of the College District President or designee's decision within five (5) College District business days. The College District President or designee's decision is final, binding, and non-appealable. Unless otherwise specified in writing, expulsion will have College District-wide effect, and an expelled student may not enroll for admission to any campus without the College District President or designee's approval unless the student's petition to revoke the expulsion is approved. For more information, see [Chapter 17: Disciplinary Penalties, Petition to Revoke Expulsion](#) in this *Student Code of Conduct*.

Chapter 15: Student Disciplinary Procedures for

Subsequent Cases of Scholastic Dishonesty

Board policy [FMA \(LOCAL\)](#) is associated with this chapter.

The [Honor Council Process Flowchart](#) on page 141 in this document provides an overview of Collin College's student

disciplinary procedures for subsequent cases of scholastic dishonesty.

If a student is reported for a subsequent allegation(s) of scholastic dishonesty after being found responsible for a previous allegation of scholastic dishonesty (whether consecutive or in the same or different course), the district dean of students or designee will refer the subsequent allegation(s) to the Collin College Honor Council for investigation and adjudication of the allegations.

Honor Council Review

The Collin College Honor Council will review and adjudicate reports of subsequent allegation(s) of scholastic dishonesty (i.e. repeat offenders) under this policy.

Once a referral from the district dean of students or designee is made, the Honor Council will assign the disciplinary matter to an Honor Council panel chair. The following steps apply:

1. The Honor Council panel chair will convene the panel of Honor Council members assigned to review the disciplinary matter.
2. The panel members will review the documentation and evidence related to allegations of scholastic dishonesty.
3. The Honor Council panel chair will request a response (in written, audio, or video recording format) to the allegations from the student within five (5) College District business days of the date the Honor Council panel chair first notifies the student.
4. In addition to the student's response, the student may also appear before the Honor Council panel in person or virtually. If the student elects to appear, the Honor Council panel chair will schedule the meeting and the district dean of students or designee will notify the student of the date, time, and place.
5. Honor Council panel meetings with a student will be recorded by Collin College. During the meeting, the student will receive an opportunity to present their response and additional information regarding the allegations. The Honor Council panel members may ask the student questions regarding the allegations. All participants appearing before the Honor council will be expected to behave respectfully and uphold

Collin College's Core Values and policies. If any participant behaves outside of the expectations set forth by the Honor Council panel chair during an appearance or a meeting, the meeting will be terminated by order of the Honor Council panel chair. When an Honor Council panel meeting is held virtually via web conferencing software approved by Collin College, all participants in the meeting are required to have their cameras on for the duration of the meeting. Failure to comply will result in the Honor Council panel chair terminating or postponing the meeting to ensure compliance.

6. The Honor Council panel chair may postpone a scheduled meeting for good cause and all parties involved will be notified by the district dean of students or designee of the new meeting date, time, and place. Honor Council procedures will also address notification procedures for postponing or rescheduling a meeting.
7. Once the Honor Council panel chair notifies the student that a response is requested, the Honor Council panel chair will also place the disciplinary matter on the agenda for consideration at the next scheduled meeting of the Honor Council. The Honor Council panel chair may not place a disciplinary matter on the agenda for consideration for a meeting that is more than 30 College District business days from when the matter was first referred to the Honor Council by the district dean of students or designee. If the Honor Council is unable to meet and issue a written determination within 30 College District business days after the matter was first referred, the Honor Council panel chair must refer the matter back to the district dean of students for formal disciplinary adjudication.
8. The Honor Council panel chair will present the disciplinary matter and recommendations to the Honor Council for consideration and vote. In order for the Honor Council to issue a written determination, the Honor Council will deliberate and vote to determine:
 - a. If the student is responsible for the alleged subsequent scholastic dishonesty violation(s) and

- b. If so, the appropriate, proportionate disciplinary penalty, as defined in [Chapter 17: Disciplinary Penalties](#) in this *Student Code of Conduct*.

A majority vote of the Honor Council panel (with a quorum of three [3] as outlined below) is required before a determination can be made and issued to a student.

9. Once the Honor Council votes, the Honor Council panel chair will issue a written determination form finding the student responsible or not responsible for the alleged violations and, if applicable, recommending an appropriate disciplinary penalty or penalties as listed in Board policy [FM \(LOCAL\)](#) and [Chapter 17: Disciplinary Penalties](#) in this *Student Code of Conduct*.
10. The Honor Council panel chair will send the written determination form to the district dean of students or designee for transmitting the notification to the student.

The district dean of students or designee will transmit the written determination of the Honor Council to the student within three (3) College District business days, along with notification of the student's right to accept or appeal the Honor Council's decision by the deadline provided.

In cases where expulsion is not recommended by the Honor Council, the decision of the Honor Council's written determination may be appealed to the designated leadership team member as provided in this policy.

In cases where expulsion is recommended, the student may appeal to the District President or designee as provided in this policy.

Composition of Honor Council

Honor Council members will be faculty and staff members selected according to procedures developed by the College District President or designee.

The Honor Council will be a district-wide standing Collin College committee that meets frequently depending on need during the academic calendar year, not including Collin College-approved holidays or closings.

Honor Council at Large

The chairperson will designate an appropriate Honor Council member to act as Honor Council panel chair for each disciplinary review panel. The Honor Council panel chair will coordinate with the district dean of students or designee to obtain documentation related to the student's prior scholastic dishonesty case(s).

Honor Council Panels

Each Honor Council panel will be composed of at least three (3) employees, comprised of the following:

1. The Honor Council panel chair who is a faculty member,
2. One (1) additional faculty member, and
3. One (1) staff member who has prior experience with the adjudication of scholastic dishonesty cases.

Honor Council panels may also include:

1. At least one (1) current member of the Student Government Association (SGA) or current student who is in good academic and disciplinary standing (when practicable to include students on a given panel), and
2. One (1) additional Honor Council member, whether staff or faculty, beyond the three (3) panel quorum outlined above.

Honor Council Procedures

All Honor Council procedures will be written and included in this *Student Code of Conduct*. The district dean of students or designee will submit all subsequent cases of scholastic dishonesty (i.e., repeat offenders) to the Honor Council for investigation and adjudication. When an allegation is referred to the Honor Council for adjudication, the student will receive notice of the allegation and a copy of the Honor Council procedures.

The Honor Council chair will assign each case to an Honor Council panel chair to review the allegation(s) and evidence. The Honor Council panel chair will review each of the assigned cases with their panel members. No more than three (3) Honor Council members will be assigned to a given panel unless a higher number of Honor Council members is needed for a given case (e.g., due to the member's expertise in student judicial affairs and/or an academic/workforce discipline). In these instances, the

Honor Council panel will have no more than five (5) Honor Council members.

The Honor Council panel chair will convene the panel. All documentation regarding the current scholastic dishonesty case in question and previous scholastic dishonesty cases will be disseminated to the Honor Council panel. The Honor Council panel chair may not place a case on the panel's agenda that is more than 45 College District business days from when the matter was first referred to the Honor Council by the district dean of students or designee. If the Honor Council is unable to meet and issue a written determination within 45 College District business days, the Honor Council panel chair must refer the matter back to the district dean of students or designee to be adjudicated.

The Honor Council panel members will review the documentation and evidence related to the case. After reviewing the documentation and evidence, the Honor Council panel chair and panel members will make a recommendation concerning:

1. Whether or not the student is responsible for the alleged scholastic dishonesty violation(s), and
2. The appropriate disciplinary penalty or penalties that should be imposed, if the student is found responsible for the alleged scholastic dishonesty violation(s). The Honor Council panel chair and panel members can only recommend the disciplinary penalty or penalties listed in Board Policy [FM \(LOCAL\)](#) that are applicable to scholastic dishonesty cases. For more information, see [Chapter 17: Disciplinary Penalties](#) in this *Student Code of Conduct*.

The Honor Council panel chair will present each assigned case and the panel's recommendations to the entire Honor Council for consideration. The entire Honor Council will vote on the panel's recommendations. Honor Council determinations require a majority vote.

The Honor Council chair will compose a *Written Determination Form* which will include the following information:

1. Whether the student was found responsible or not responsible for the alleged violations.

2. The appropriate disciplinary penalty or penalties that will be imposed by the Honor Council, if applicable.
3. A statement informing the student of their right to accept or appeal the Honor Council's determination by the deadline stated in the *Written Determination Form*.
4. A statement informing the student that if they choose to appeal the Honor Council's determination to the designated leadership team member, the student must submit the *Disciplinary Appeal Request Form* within five (5) College District business days of receiving notice of the Honor Council's written determination.

The Honor Council chair will send the completed *Written Determination Form* to the district dean of students or designee. The district dean of students or designee will then send the completed *Written Determination Form* to the student within three (3) College District business days of the Honor Council's determination.

After the *Written Determination Form* is sent to the student, the district dean of students or designee will notify the appropriate faculty member(s) of the status of the case. Additionally, the district dean of students or designee will notify the appropriate faculty member(s) and their program director(s) or associate academic/workforce dean(s) once the disciplinary case is closed.

Appeal to the Designated Leadership Team Member for Subsequent Scholastic Dishonesty Cases

A student may appeal, within five (5) College District business days of receiving notice of the Honor Council's written determination, in writing to the designated leadership team member to review the determination of the Honor Council. To initiate the appeal to the designated leadership team member, the student must submit an appeal form provided by the district dean of students or designee within the time for appeal that is prescribed in the notice of written determination. The student's petition will state with particularity why the Honor Council's decision is believed to be incorrect.

After receiving notice of the appeal, the Honor Council panel chair will forward all documents and evidence considered to the designated leadership team member.

The designated leadership team member may, but is not required to, hold a conference within 10 College District business days after the appeal notice is filed, unless an extension is needed by the designated leadership team member. At the conference, the student may provide information concerning any documents or information relied on by the Honor Council. The designated leadership team member may set reasonable scope and time limits for the conference. The conference will be audio recorded.

The designated leadership team member will provide the student a written response, stating the basis of the decision, within 10 College District business days following the conference. In reaching a decision, the designated leadership team member may consider the evidence included in the student's appeal, provided during the conference, and forwarded by the Honor Council panel chair.

The designated leadership team member may act to affirm, modify, remand, or reverse the decision of the Honor Council.

The designated leadership team member's decision is final, binding, and non-appealable, except when expulsion is recommended by the Honor Council and affirmed by the designated leadership team member.

Failure to Appear for the Designated Leadership Team Member Conference

The designated leadership team member may impose an appropriate disciplinary penalty or penalties upon a student who fails without good cause to appear for the conference. For purposes of assessing an appropriate disciplinary penalty or penalties, the designated leadership team member may consider the evidence included in the student's appeal and forwarded by the Honor Council panel chair.

After the Appeal to the Designated Leadership Team Member

The designated leadership team member or designee will notify the student in writing within 10 College District business days of the appeal of the decision and the disciplinary penalty or penalties imposed, if any. The notice will include procedures for accepting the designated leadership team member's decision or appealing to the

College District President or designee solely in those cases where expulsion is recommended and affirmed.

Appeals to the College District President or Designee

Only for cases when expulsion is the penalty recommended and affirmed by the designated leadership team member, the student may appeal that prior determination to the College District President or designee. Additionally, if the College District President or designee elects to review those cases where expulsion is recommended and affirmed, this policy will also apply.

The College District President or designee will review all recommendations for expulsion, whether or not the student chooses to proceed through the disciplinary appeals process. The designated leadership team member will forward the recommendation for expulsion and evidence to the College District President or designee for review and final consideration.

The appeal request must be submitted in writing within three (3) College District business days of the prior determination. To initiate the appeal to the College District President or designee, the student must submit the *Final Appeal Form* provided to the student.

Upon request, the district dean of students or designee, Honor Council, or designated leadership team member will forward the recommendation for expulsion and evidence to the College District President or designee for review and final consideration.

The College District President or designee may request a meeting with the student prior to issuing a final administrative decision.

The College District President or designee may act to affirm, modify, or reverse the recommendation for expulsion.

Failure to Appear for the College District President Meeting

The College District President or designee may impose an appropriate disciplinary penalty or penalties upon a student who fails without good cause to appear for the meeting. For purposes of assessing an appropriate disciplinary penalty or penalties, the College District President or designee may consider the evidence included in the student's appeal and forwarded by the district dean of students or designee, Honor Council, or designated leadership team member.

After the Review

The student will be notified in writing of the College District President or designee's decision within five (5) College District business days. The College District President or designee's decision is final, binding, and non-appealable. Unless otherwise specified in writing, expulsion will have College District-wide effect, and an expelled student may not enroll for admission to any campus without the College District President or designee's approval unless the student's petition to revoke the expulsion is approved. For more information, see [Chapter 17: Disciplinary Penalties, Petition to Revoke Expulsion](#) in this *Student Code of Conduct*.

Chapter 16: Student Disciplinary Procedures for Non-Scholastic Dishonesty Offenses

Board policy [FMA \(LOCAL\)](#) is associated with this chapter.

The [Non-Scholastic Dishonesty Offenses Flowchart](#) on page 142 in this document provides an overview of Collin College's student disciplinary procedures for all non-scholastic dishonesty offenses.

Notifying the Student

If the district dean of students or designee determines the allegation warrants further consideration, the district dean of students or designee will summon the student for a notification conference to be held within a reasonable time, not to exceed five (5) College District business days, following receipt of the allegation of misconduct.

The communication will describe the alleged violation(s), provide information regarding the purpose of the notification conference, and give additional instructions to the student, as appropriate. The communication will be sent to the student through one (1) or more of the following methods:

1. A written communication sent to the student's Collin College email account;
2. A letter mailed to the student's address as listed with the Student and Enrollment Services Office. The student is responsible for keeping the Student and Enrollment Services Office apprised of his or her current home address;
3. A letter hand-delivered by the district dean of students or designee. The district dean of students

or designee will document the date, time, and place of hand-delivery; and/or

4. A sealed letter given to one (1) of the student's professors for delivery at the end of class. The professor will be instructed to return the letter to the District Dean of Students Office immediately after the class if the student is not in attendance.

If the student does not respond to the communication within five (5) College District business days, the district dean of students or designee will proceed with the disciplinary case.

Notification Conference

If the district dean of students or designee determines the allegation(s) warrants further consideration, the district dean of students or designee will summon the student for a notification conference to be held within a reasonable time, not to exceed five (5) College District business days, following receipt of the allegation of misconduct.

At the notification conference, the district dean of students or designee will inform the student of the allegation(s) and provide the student an opportunity to respond and submit applicable documentation or evidence for consideration by the district dean of students or designee.

Reasonable requests for extensions of time to hold the notification conference meeting may be considered and granted by the district dean of students or designee at their sole discretion.

Failure to Appear for the Notification Conference

The district dean of students or designee may proceed with the disciplinary case and determine an appropriate disciplinary penalty or penalties if the student fails, without good cause, to comply with the instructions in the notification letter(s) or otherwise fails to attend the notification conference.

Administrative Decision

Not Responsible Administrative Decision

After conferring with the student at the notification conference, if the district dean of students or designee determines the student did not commit a violation, the student will be found not responsible and will not be issued a disciplinary penalty. For more information on disciplinary

penalties, see [Chapter 17: Disciplinary Penalties](#) in this *Student Code of Conduct*.

The student will be provided written notice of the not responsible administrative decision. A not responsible administrative decision from the district dean of students or designee will be final, binding, and the student will not be allowed to appeal the not responsible administrative decision.

Informal Resolution

For cases not involving allegations of scholastic dishonesty, if the district dean of students or designee determines that addressing the allegation(s) informally is more appropriate, the district dean of students or designee will recommend an Informal Resolution of the allegation(s).

The district dean of students or designee may recommend behavioral directives to support compliance with Collin College's *Student Code of Conduct*. If the student agrees to comply with all recommended behavioral directives, the district dean of students or designee will issue an *Informal Resolution Agreement* and the student will not be issued a disciplinary penalty. For more information on disciplinary penalties, see [Chapter 17: Disciplinary Penalties](#) in this *Student Code of Conduct*.

The student will be allowed five (5) College District business days to review and respond to the *Informal Resolution Agreement*. As part of the *Informal Resolution Agreement*, the student will be required to sign an *Acknowledgment Statement* indicating the student will comply with the *Student Code of Conduct* for the designated time or for the remainder of their attendance at Collin College. Once the *Acknowledgment Statement* is signed, the *Informal Resolution Agreement* will be final, binding, and the student will not be allowed to appeal the Informal Resolution. The student will be expected to comply with all behavioral directives and obligations set forth in the *Informal Resolution Agreement*.

If the student does not sign the *Acknowledgment Statement* by the stated deadline, the terms listed in the *Informal Resolution Agreement* will be final, binding, and the student will not be allowed to appeal the Informal Resolution. The student will be expected to comply with all behavioral directives and obligations set forth in the *Informal Resolution Agreement*.

Formal Administrative Decision and Misconduct Warranting a Disciplinary Penalty

If the district dean of students or designee determines the student committed misconduct that warrants a penalty or penalties, the district dean of students or designee will provide the student a written administrative decision with notice of the penalty or penalties and the student's options, including the right to appeal to the Disciplinary Appeals Committee (DAC). For more information on disciplinary penalties, see [Chapter 17: Disciplinary Penalties](#) in this *Student Code of Conduct*.

Student Chooses to Appeal the Administrative Decision

If the student chooses to appeal the administrative decision of the district dean of students or designee, they must submit the *Disciplinary Appeal Request Form* contained in the administrative decision documents within five (5) College District business days following the administrative decision. Once the deadline for filing an appeal has passed, the administrative decision of the district dean of students or designee will be final, binding, and the student will not be allowed to appeal that decision. The student will be expected to comply with all disciplinary penalties and obligations set forth in the administrative decision.

Student Chooses to Accept the Administrative Decision

A student who chooses to accept the administrative decision rendered by the district dean of students or designee will sign an *Acceptance of the Administrative Decision Statement* indicating they understand:

1. The *Student Code of Conduct* violation(s) and findings,
2. The disciplinary penalty or penalties imposed, and
3. That by signing the *Acceptance of the Administrative Decision Statement* they voluntarily waive the right to appeal the decision.

The *Acceptance of the Administrative Decision Statement* must be signed no later than five (5) College District business days following the administrative decision. Once the *Acceptance of the Administrative Decision Statement* is signed, the administrative decision of the district dean of students or designee will be final, binding, and the student will not be allowed to appeal that decision. The student will be expected to comply with all disciplinary penalties and obligations set forth in the administrative decision.

Student Chooses to Take No Action

If the student does not sign the *Acceptance of the Administrative Decision Statement* or submit the *Disciplinary Appeal Request Form* by the stated deadline, the administrative decision of the district dean of students or designee will be final, binding, and the student will not be allowed to appeal that decision. The student will be expected to comply with all disciplinary penalties and obligations set forth in the administrative decision.

Appealing the District Dean of Students or Designee's Administrative Decision

Procedures to Submit an Appeal

A student who is issued a disciplinary penalty or penalties has the right to appeal the district dean of students or designee's administrative decision, as outlined in [Chapter 16: Student Disciplinary Procedures for Non-Scholastic Dishonesty Offenses, Administrative Decision, Formal Administrative Decision and Misconduct Warranting a Disciplinary Penalty](#) in this *Student Code of Conduct*. To initiate the disciplinary appeals process, the student must submit the *Disciplinary Appeal Request Form* contained in the administrative decision documents on or before the fifth College District business day following the administrative decision.

Concerns or complaints that are more appropriately addressed through another Collin College grievance process or policy (e.g., academic suspension appeals, complaints under instructional programs or core performance standards, financial aid appeals, grade appeals, Title IX complaints) will not be addressed through the disciplinary appeals process.

Disciplinary Appeals Committee (DAC)

The Disciplinary Appeals Committee (DAC) will be convened at the request of a student appealing the administrative decision and/or disciplinary penalty or penalties imposed by the district dean of students or designee. The student's appeal must be submitted in writing within five (5) College District business days of the date of the district dean of students or designee's written administrative decision.

Composition

The DAC will be composed of at least three (3) Collin College employees and a minimum of one (1) current Collin College student, when appropriate. To hold an appeal hearing, a

quorum of three (3) DAC members must be met. The members of the DAC and the committee chairperson will be designated according to procedures developed by the designated leadership team member. All members chosen to serve on the DAC Appeal Hearing panel will be eligible to vote on the issue of whether or not the student violated Collin College policies and procedures, including the *Student Code of Conduct*, and whether the student should receive an appropriate disciplinary penalty or penalties.

DAC Appeal Hearing Notice

The district dean of students or designee will notify the student by letter of the date, time, and place for the DAC Appeal Hearing. Unless the student and the district dean of students or designee otherwise agree or unless there are unforeseeable circumstances beyond Collin College's control, the DAC Appeal Hearing will take place within a reasonable time period, not to exceed 10 College District business days after the date of the student's request for the appeal hearing. The district dean of students or designee may extend Collin College's 10-day timelines within this policy by sending written notice to the parties of the extension.

Contents of Notice

The notice will:

1. Direct the student to appear on the date and at the time and place specified.
2. Advise the student of their rights to:
 - a. Have a private appeal hearing.
 - b. Be assisted by an advisor or legal counsel at the appeal hearing.
 - c. Call witnesses, request copies of evidence in Collin College's possession, and offer evidence and agreement on their own behalf.
 - d. Make an audio recording of the proceedings, after first notifying the district dean of students or designee in advance of the appeal hearing, or, at the student's own expense, to both have a stenographer present at the appeal hearing and to make a stenographic transcript of the appeal hearing at the student's own expense.
 - e. Ask questions of each witness who testifies against the student.

3. Contain the names of witnesses who will testify against the student and a description of documentary and other evidence that will be offered against the student.
4. Contain a description of the allegation(s) of misconduct in sufficient detail to enable the student to prepare their defense against the charges.
5. State the proposed disciplinary penalty or range of disciplinary penalties that may be imposed.

The student will provide to the district dean of students or designee any documentation, a list of potential witnesses, and other relevant evidence to support their appeal by the specified deadline. All documentation from the district dean of students or designee and the student will be forwarded to the DAC members assigned to the case for review prior to the hearing.

The DAC chairperson or associate chairperson will have the authority to postpone the appeal hearing for good cause as long as all parties involved are notified by the district dean of students or designee of the new appeal hearing date, time, and place.

Failure to Appear for the DAC Appeal Hearing

If a student has good cause to miss the DAC Appeal Hearing, the student must notify the district dean of students or designee as soon as possible and no later than 24 hours before the time set for the DAC Appeal Hearing. The DAC may impose an appropriate disciplinary penalty or penalties upon a student who fails without good cause to appear for the appeal hearing or who fails to notify the district dean of students or designee by the proscribed deadline. For purposes of assessing an appropriate disciplinary penalty or penalties, the DAC may proceed with the appeal hearing in the student's absence.

DAC Appeal Hearing Procedures

The DAC chairperson or an associate chairperson will be assigned to oversee each appeal hearing. DAC members assigned to each appeal hearing will review the documentation and other evidence provided by the district dean of students or designee and the student prior to the appeal hearing.

DAC members will determine by vote whether a student has violated the *Student Code of Conduct*, Board policies,

laws, and/or Collin College procedures. All DAC members assigned to a given case will be eligible to vote during the appeal hearing. DAC decisions require a majority vote.

If the DAC finds the student has violated the *Student Code of Conduct*, Board policies, laws, and/or Collin College procedures, the DAC will determine whether the appropriate disciplinary penalty or penalties were imposed by the district dean of students or designee and may adjust the disciplinary penalty or penalties, if warranted.

Each DAC Appeal Hearing will be recorded by Collin College. When a DAC Appeal Hearing is held virtually via web conferencing software approved by Collin College, all participants in the DAC Appeal Hearing are required to have their cameras on for the duration of the hearing. Failure to comply will result in the DAC Appeal Hearing chairperson or associate chairperson terminating or postponing the Appeal Hearing to ensure compliance.

The DAC will determine if a violation has occurred and assess an appropriate disciplinary penalty or penalties based solely on the evidence presented at the DAC Appeal Hearing.

All participants in DAC Appeal Hearings will be expected to behave respectfully and uphold Collin College's Core Values and policies. If any participant behaves outside of the expectations set forth by the DAC Appeal Hearing chairperson or associate chairperson, the DAC Appeal Hearing will be terminated by order of the DAC Appeal Hearing chairperson or associate chairperson.

The DAC will determine if a violation has occurred and assess an appropriate disciplinary penalty or penalties based solely on the evidence presented at the DAC Appeal Hearing. The DAC Appeal Hearing will proceed as follows:

1. The chairperson or associate chairperson will read the description of the alleged misconduct.
2. The chairperson or associate chairperson will inform the student of their rights.
3. The district dean of students or designee will present Collin College's case.
4. The student or representative will present the student's defense.
5. The district dean of students or designee will present rebuttal evidence.

6. The DAC members may ask questions of witnesses testifying on behalf of the student or Collin College.
7. The district dean of students or designee will summarize and argue Collin College's case.
8. The student or representative will summarize and argue their case.
9. The district dean of students or designee will request an opportunity for rebuttal closing arguments and the DAC chairperson may grant or deny that request.
10. The DAC members will deliberate in closed session. The DAC members will vote on the issue of whether or not the student violated Collin College policies and procedures, including the rules for student conduct, and whether the student should receive an appropriate disciplinary penalty or penalties.
11. If the DAC finds the student committed misconduct, the DAC members will determine whether the disciplinary penalty assessed, or proposed in the case of recommendation for expulsion, by the district dean of students or designee is appropriate and, if necessary, will assess a different or additional penalty.
12. The DAC chairperson or associate chairperson will communicate the decision and any findings of facts in support of the DAC's decision to the district dean of students or designee in writing within 10 College District business days of the appeal hearing. The district dean of students or designee will notify the student in writing within 10 College District business days of the appeal hearing of the DAC's decision and the disciplinary penalty or penalties imposed, if any. The notice will include procedures for accepting the DAC's decision or appealing to the designated leadership team member.

After the DAC Appeal Hearing

The district dean of students or designee will notify the student in writing, within three (3) College District business days of the appeal hearing, of the DAC's decision and the disciplinary penalty or penalties imposed, if any. The notice will include procedures for accepting the DAC's decision or for appealing. In cases where expulsion is not recommended by the DAC, the decision of the DAC is final, binding, and the student may not appeal that decision.

Appeals to the College District President or Designee

Only for cases when expulsion is the penalty recommended and affirmed by the DAC, the student may appeal that prior determination to the College District President or designee. Additionally, if the College District President or designee elects to review those cases where expulsion is recommended and affirmed, this policy will also apply.

The College District President or designee will review all recommendations for expulsion, whether or not the student chooses to proceed through the disciplinary appeals process. The district dean of students or designee or DAC chair will forward the recommendation for expulsion and evidence to the Collin District President or designee for review and final consideration.

The appeal request must be submitted in writing within three (3) College District business days of the prior determination. To initiate the appeal to the College District President or designee, the student must submit the *Final Appeal Form* provided to the student.

Upon request, the district dean of students or designee or DAC chair will forward the recommendation for expulsion and evidence to the College District President or designee for review and final consideration.

The College District President or designee may request a meeting with the student prior to issuing a final administrative decision.

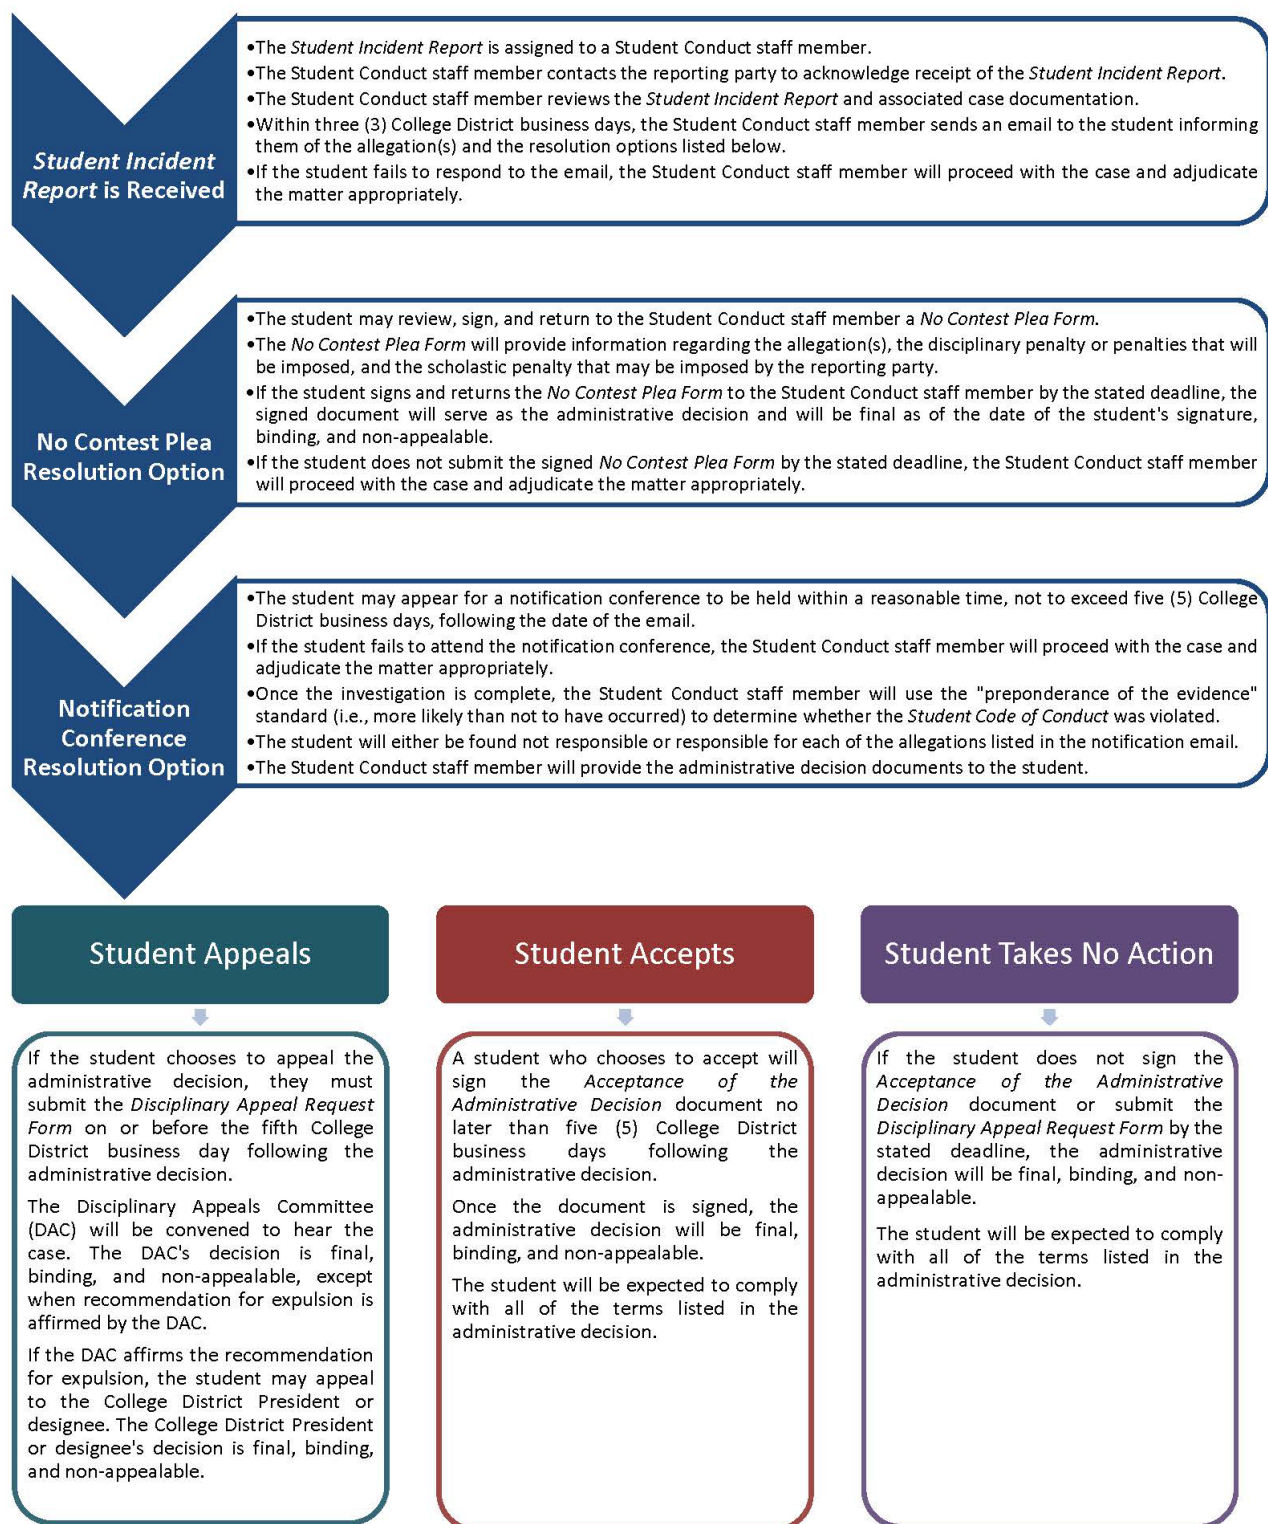

The College District President or designee may act to affirm, modify, or reverse the recommendation for expulsion.

Failure to Appear for the College District President Meeting

The College District President or designee may impose an appropriate disciplinary penalty or penalties upon a student who fails without good cause to appear for the meeting. For purposes of assessing an appropriate disciplinary penalty or penalties, the College District President or designee may consider the evidence included in the student's appeal and forwarded by the district dean of students or designee or DAC chair.

After the Review

The student will be notified in writing of the College District President or designee's decision within five (5) College District business days. The College District President or designee's decision is final, binding, and non-appealable. Unless otherwise specified in writing, expulsion will have College District-wide effect, and an expelled student may not enroll for admission to any campus without the College District President or designee's approval unless the student's petition to revoke the expulsion is approved. For more information, see [Chapter 17: Disciplinary Penalties, Petition to Revoke Expulsion](#) in this *Student Code of Conduct*.

Chapter 17: Disciplinary Penalties

Board policy [FM \(LOCAL\)](#) is associated with this chapter.

Penalties for Student Misconduct

A student will be subject to discipline for violations of Collin College policies and procedures, including the rules outlining expectations for student conduct. For more information, see Board policies [FLB \(LEGAL\)](#) and [FLB \(LOCAL\)](#) and [Chapter 12: Student Code of Conduct Violations](#) in this *Student Code of Conduct*.

If a student commits an infraction or engages in misconduct, Collin College may impose one (1) or more of the following types of penalties:

1. **Reprimand:** A written warning to the student following a rule violation. Repetition of such misconduct may result in more severe disciplinary action. Reprimand will not be imposed in cases of scholastic dishonesty.
2. **Restitution:** Reimbursement for damage to or misappropriation of property. Reimbursement may take the form of appropriate service to repair or otherwise compensate for damage. Restitution will not be imposed in cases of scholastic dishonesty.
3. **Scholastic Penalty:** The assignment of a failing grade on an assignment or examination or in a course by an instructor after a student is found responsible through the student disciplinary process for scholastic dishonesty, including, but not limited to, cheating, collusion, and plagiarism. The instructor or program director will submit a written report of the incident and the recommended

scholastic penalty(ies) to their associate academic/workforce dean and/or academic/workforce dean.

4. **Educational Project Experience (EPE):** An assignment or experience allowing the student to learn specific behaviors or lessons related to the student's conduct and the specifics of the student's disciplinary case. EPEs offered by Collin College include, but are not limited to, awareness seminars, essays or written assignments, and online learning modules.
5. **Conditional Probation:** The placing of a student on notice that continued infraction of regulations may result in suspension or expulsion from Collin College. Conditional probation may include restrictions on a student's rights and privileges or specified community service. The conditional probation may be for a specified length of time or an indefinite period according to the relative severity of the infraction or misconduct. Failure to fulfill the terms of the conditional probation may lead to suspension or expulsion. The District Dean of Students Office issues conditional probation for one (1) calendar year, two (2) calendar years, or three (3) calendar years.
6. **Suspension:** Forced withdrawal from Collin College for either a definite period of time or until stated conditions have been met. Normally, suspension will extend through a minimum of one (1) regular long semester (with summer sessions not counting in the one [1] semester minimum time lapse). However, suspension may exceed the one (1) semester minimum. The District Dean of Students Office issues suspension for one (1) regular long semester (i.e., fall or spring), one (1) calendar year, two (2) calendar years, three (3) calendar years, or four (4) calendar years.
7. **Expulsion:** Permanent forced withdrawal from Collin College. A student receiving expulsion will have the action noted in the student's permanent record.

Suspended or Expelled Students

No former student who has been suspended or expelled from Collin College for disciplinary reasons will be permitted on the campus or other facilities of Collin College,

initiated into an honorary or service organization, or permitted to receive credit for academic work done in residence or by correspondence or extension during the period of suspension or expulsion without the prior written approval of the appropriate administrator or the Board of Trustees (Board).

Disciplinary Notations on Collin College Transcripts

In accordance with the [Texas Education Code Section 51.9364](#), in disciplinary cases where a penalty of suspension or expulsion is imposed and, therefore, the student is ineligible to re-enroll, Collin College will include on the student's transcript a notation stating that the student is ineligible to re-enroll in Collin College for a disciplinary reason.

If a student withdraws from Collin College pending disciplinary charges that may result in the student becoming ineligible to re-enroll for a disciplinary reason, Collin College may not end the disciplinary process until the institution makes a final determination of responsibility, including, if applicable, a determination of whether the student will be ineligible to re-enroll in Collin College for a disciplinary reason. If, as a result of the disciplinary process, the student is ineligible to re-enroll in Collin College for a disciplinary reason, Collin College will include on the student's transcript the required disciplinary notation.

At the student's request, Collin College may remove the disciplinary notation from the student's transcript if:

1. The student is eligible to re-enroll at Collin College, or
2. Collin College determines good cause exists to remove the disciplinary notation.

A student who wants to have the disciplinary notation removed from their transcript must submit a request to the District Dean of Students Office.

To obtain a *Petition for Disciplinary Suspension or Permanent Expulsion Transcript Notation Removal* form, go to the [Resources webpage](#) or contact the District Dean of Students Office at 972.881.5604 or dos@collin.edu.

Petition to Revoke Expulsion

Board policy [FMA \(LOCAL\)](#) is associated with this section.

Once five (5) calendar years from the date of the College District President or designee's final decision have expired, the student may petition to revoke the expulsion. To initiate the expulsion revocation process, the student must complete the *Expulsion Revocation Form* and return it to the district dean of students or designee. To obtain an *Expulsion Revocation Form*, go to the [Resources webpage](#) or contact the District Dean of Students Office at 972.881.5604 or dos@collin.edu.

Once the completed *Expulsion Revocation Form* is received, the district dean of students or designee will forward it to the College District President or designee for consideration. The College District President or designee will review the student's petition to revoke the expulsion and may request a meeting with the student prior to issuing a final decision.

If the petition to revoke the expulsion is approved by the College District President or designee, the student will be required to meet with the district dean of students or designee prior to returning to Collin College. Once the meeting with the district dean of students or designee is concluded, the student will be allowed to return to all Collin College campuses and will be considered to be in good disciplinary standing. For more information, see [Chapter 18: Reinstatement Procedures](#) in this *Student Code of Conduct*.

If the petition to revoke the expulsion is not approved by the College District President or designee, the student's expulsion will remain in effect and the student will not be allowed to return to Collin College.

Chapter 18: Reinstatement Procedures

Favorable Administrative Decision or Appeal

The district dean of students or designee will make reasonable efforts to reinstate a student who receives a favorable administrative decision or appeal. This may include, but is not limited to, working with the student's professor(s) to permit the student to make up missed coursework, revoking a temporary immediate suspension, coordinating with the Collin College Police Department to revoke a criminal trespass warning notice, and, at the student's request, assisting with obtaining a late withdrawal.

Non-Favorable Administrative Decision or Appeal

In a case where a student does not receive a favorable administrative decision and does not appeal, or has exhausted all levels of appeal, the final decision reached in the disciplinary case will stand.

Reinstatement After Suspension or Expulsion

Once the student's suspension period has elapsed or if the College District President or designee approves the student's petition to revoke the expulsion, the student will be required to meet with the district dean of students or designee prior to returning to Collin College. During the reinstatement meeting, the district dean of students or designee will review the current *Student Code of Conduct*, reinforce that any further violation(s) of the *Student Code of Conduct* will be considered grounds for additional disciplinary action, up to and including recommendation for expulsion from Collin College, and request the student sign the *Reinstatement After Suspension or Expulsion Form*. Once the meeting with the district dean of students or designee is concluded, the student will be allowed to return to all Collin College campuses and will be considered to be in good disciplinary standing.

Chapter 19: Administrative Decisions Related to a Crime of Violence or Non-Forcible Sex Offense

Board policy [FMA \(LOCAL\)](#) is associated with this chapter.

In accordance with federal laws, upon written request Collin College will disclose to the alleged victim of a crime of violence or non-forcible sex offense, as those terms are defined in [Title 18, § 16, United States Code](#) and the [Jeanne Clery Campus Safety Act, 20 U.S.C. §1092 \(f\) \(Clery Act\)](#), the report on the results of any disciplinary proceeding(s) and/or appeal(s) conducted by Collin College against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, Collin College will treat the alleged victim's next of kin as the alleged victim, in accordance with the law.

In accordance with [Title 18, § 16, United States Code](#), the term "crime of violence" means:

1. An offense that has as an element the use, attempted use, or threatened use of physical force against the person or property of another, or

2. Any other offense that is a felony and that, by its nature, involves a substantial risk that physical force against the person or property of another may be used in the course of committing the offense.

For the purpose of this policy, Collin College defines "the results of any disciplinary proceeding" as the institution's final determination with respect to the alleged crime of violence or non-forcible sex offense and any sanction that is imposed on the accused through the student disciplinary and appeal process or the Title IX complaint resolution process.

Chapter 20: Disciplinary Records and Retention

Board policies [CIA \(LEGAL\)](#), [CIA \(LOCAL\)](#), and [FM \(LOCAL\)](#) are associated with this chapter.

Collin College will maintain for every student alleged or determined to have committed misconduct at Collin College a disciplinary record that will reflect the charge(s), the disposition of the charge(s), the sanction(s) assessed, if any, and any other pertinent information. The disciplinary record will be separate from the student's academic record and will be treated as confidential; the contents will not be revealed except on request of the student or in accordance with applicable state or federal laws.

The disciplinary record will be maintained permanently in the event that a student is expelled or subject to an extended four (4) calendar year suspension. In all other cases, the disciplinary record will be maintained for three (3) years from the end of the academic calendar year of the most recent alleged incident, in accordance with Collin College's records retention schedule.

In certain disciplinary cases where a student is ineligible to re-enroll at Collin College, a disciplinary notation will also be placed on their Collin College transcript. For more information, see [Chapter 17: Disciplinary Penalties, Disciplinary Notations on Collin College Transcripts](#) in this *Student Code of Conduct*.
